

# M S Ramaiah University of Applied Sciences

**We Spark Your Imagination**  
Unlike any other

**Admissions Open**

**2015-16**

Urban Campuses,  
Modern Buildings,  
Advanced ICT  
Infrastructure, Competent  
Teaching Community

**B. Tech.,**  
● Civil Engineering  
● Computer Science & Engineering  
● Electrical & Electronics Engineering  
● Electronic & Communication Engineering  
● Mechanical Engineering

**M. Tech.,**  
● Automotive Engineering  
● Automotive Powertrain Design  
● Automotive Product Design  
● Turbomachinery Design  
● Aircraft Design  
● Advanced Manufacturing Technologies  
● Engineering & Manufacturing Management  
● Advanced Machinery Design  
● Biomedical Engineering  
● Electronic Systems Design Engineering  
● Digital Signal and Image Processing  
● Signal Processing and Communication Technologies  
● VLSI System Design  
● Electrical Machinery Design  
● Sensors and Control Systems Engineering  
● Computer Science and Networking  
● Real Time Embedded Systems  
● Automotive Electronics  
● Civil Structural Design  
● Construction Engineering & Management

**B. Design**  
● Product Design  
● Visual Communication  
● Fashion Design

**M. Design**  
● Product Design  
● Commercial and Retail Design  
● Rural Product Design  
● Computer Animation & Game Design  
● Fashion Design

**BHM**  
● Bachelor of Hotel Management

**MBA**  
● Hospitality Management

**BDS**  
● Bachelor of Dental Surgery

**B. Pharm**  
● Bachelor of Pharmacy

**Pharm. D.,**  
● Doctor of Pharmacy

**M. Pharm.,**  
● Pharmacognosy  
● Pharmaceutical Chemistry  
● Pharmaceutics  
● Pharmacology  
● Pharmaceutical Analysis  
● Pharmaceutical Quality Assurance  
● Pharmacy Practice  
● Pharmaceutical Technology  
● Herbal Drug Technology

Modern Accommodation  
Sports, Cultural,  
Literary competitions.  
Multi-cultural,  
Multilingual, Multi  
disciplinary  
Environment

Opportunities for  
internships in Industry/  
abroad, participation in  
Global Competitions,  
Conferences, Exposure  
to Entrepreneurship  
development,  
Placements with  
reputed organizations

Outcome (competency)  
based education, Global  
Teaching, Learning &  
Assessment practices.  
Emphasis on attitude,  
professionalism, basic  
& advanced skills  
development

Training and  
development of  
critical, analytical  
and problem  
solving skills

**Applications are invited for admissions to the following courses.**

**MBA**

- Marketing Management
- Financial Management
- Human Resources Management
- Operations Management
- Small Business and Entrepreneurship

**MHA**

- Master of Hospital Administration

**M. Com.,**

- Accounting and Taxation
- Banking and Finance

**M. Sc.,**

- Physics ● Chemistry ● Mathematics

**Ph. D.,**

- Engineering and Technology
- Pharmacy ● Dental Sciences
- Management ● Physics
- Chemistry ● Mathematics
- Art and Design
- Hospitality & Catering Technology
