Minister for Agriculture &  
In charge - Bengaluru Rural District

Date: 08.02.2018.

No. AM/263/2017

Vice Chancellor,  
Ramaiah University for Applied sciences,  
Bangalore.

Dear sir,

On behalf of Government of Karnataka, I thank Ramaiah University for the partnership and support for “**Organics & Millets 2018-International Trade Fair**”. The university representatives have been part of our campaign for some time now. During the event, the ‘Khanavali-food forum’ was possible because of the expertise extended by your food beverage & service department.

I cannot adequately thank Ms. Priya Arjun & the entire team for their dedicated support. Their commitment to the responsibility was exemplary. Thanks to their support, perhaps for the first time we had to major professional – public culinary forum in Bengaluru.

I once again thank the university & Ms. Priya Arjun & her team.

Yours sincerely

(Krishna Byregowda)
