Dear Sir,

Sub: Satisfactory Completion of project "Technology Gap Analysis Study for the Printing Cluster in Mysuru"

On behalf of Mysore Printing Cluster Association, I take this opportunity to thank you as well as your research team from Techno Centre(Mr.Ishwar Mara and Mr.Sumukha H N) for the intact survey and dedicated work carried out at Mysore's Printing Cluster.

We are extremely happy with your presentation to our team regarding the final project report for our feedback purpose. We earnestly believe that the outcome of your project report, suggestions and recommendations will certainly help us to upgrade ourselves and meet future challenges for market sustainability.

At this juncture we would also like to highlight that your recommendation pertaining to environment, energy ,productivity and wastage reduction would bring out better impact for healthier survival in a competitive scenario.

Thanking you and looking forward to have a better association with your institution in future endeavor.

T.D. Jayachandra Urs
President

Your Sincerely

Suresh Kumar Jain

General Secretary of Mysore Printer Cluster Association
