

To the Attention of all the UG and PG Students of the University

This is to bring to your kind notice that the University has developed standard templates for presentation, submission, assessment of courses/modules like Assignments, Group Project Work, Elective Modules, Dissertation Work and these templates have been uploaded on i-portal. However, these templates are also available with your Supervisors/Professors which can be availed from them on request. I suggest all of you to use the defined templates while making presentations and submitting your written work. You are advised to strictly adhere to this advice and use of any other formats will end up in non-acceptance by the examination and assessment section of the University.
