Terms & Conditions

The Student Poster Competition is being organized as part of the *International Symposium on Space Sciences and Technologies* organized by the Department of Aerospace Engineering, Ramaiah University of Applied Sciences.

There is no separate registration fee for the competition. Registered U.G. and P.G. students for the Symposium are encouraged to participate in the poster competition. The registration link for the Symposium is :

<https://forms.gle/86xZgKEmrXcBVEtc9>

Posters must be prepared in A2 sheet (landscape or portrait), handmade using materials such as pencil, crayon, watercolor, oil paint, etc. The text content should be in English only. Any digitally created or processed art, images, photographs, or print-outs will not be considered.

The posters shall be displayed by the participants during the Symposium. Pin-up boards will be provided by the organizers to display the posters.

It is required to upload the scanned image of the poster in PDF format using the Google Form :

<https://forms.gle/ZpAzq4wFHyRMwDea8>

This link will be active till February 15, 2024, 23:59:59 hours.

The winners will be selected by a Jury. The posters will be assessed for relevance to the theme, technical content, originality, creativity, and artistic rendition. Participation Certificate will be provided to all participants.

The winners will be announced on February 20, 2024 after the Panel Discussion.

The decision of the Jury will be final and binding.
