1. Preamble

Ramaiah University of Applied Sciences (RUAS) is established as a private University by "M. S. Ramaiah University of Applied Sciences Act, 2012" of Government of Karnataka. The University's operations commenced from 30th December 2013 following the issue of Notification No. ED 103 UNE 2013. The University was formally inaugurated on 18th March 2014.

RUAS is sponsored by Gokula Education Foundation (Medical), a Public Charitable Trust of Ramaiah family. RUAS is a Comprehensive University and Unitary in nature. At the time of formation of the University, the Sponsoring Body, by a Resolution integrated the existing institutions, viz., namely M.S. Ramaiah Dental College (1991), M.S. Ramaiah College of Pharmacy (1992), M.S. Ramaiah College of Hotel Management (1993), M.S. Ramaiah School of Advanced Studies (1999), and M.S. Ramaiah Advanced Learning Centre (2012) as Faculties of the new University.

Ramaiah University of Applied Sciences has broadly organized its activities under the following divisions – Academics, Research, Training and Lifelong Learning and Techno Centre. Academic Operations of the University commenced with effect from academic year 2014-15.

At present the University has 8 Faculties and School of Social Sciences comprising 37 Academic Departments offering Academic Doctoral level programmes, 23 Undergraduate and 47 Postgraduate courses. The University has also established separate Directorates for imparting Training, Skill Development and Lifelong Learning programmes, Industrial Research & Consultancy for Industry, Government and other Public and Private Institutions through its Techno Centre and International Collaborations and Partnership Management programme (ICPM) and Directorate for Student Affairs.

The University has also created Cells: Quality Assurance Cell, Pedagogy and Digital learning Initiatives Cell, Faculty and Academic Leadership Development Cell, RUAS Innovation Centre Technology Business Incubation and Entrepreneurship Development Cell and Social Media Cell.

Envisaged Outcomes of the University

University Model

The following diagram depicts the University Model

Education with Devotion (Bhakthi) is a process of Perfection for larger good

The logo is a visual depiction of a swan in flight, subtly encased in the impression of a shield, as it looks up towards the sun.

The asterisk represents the sun, a universal symbol of true wisdom and enlightenment, while the swan is viewed as a symbol of knowledge. In the logo, the swan is in flight representing our continuous effort towards knowledge enhancement through our modern initiatives. The swan is facing forward, looking towards the sun, symbolising our devotion to enlightenment.

The swan is encased in a shield which is seen as a symbol of trust and legacy, qualities one has grown to associate with the Ramaiah Group.

Chancellor's Message

The year 2020-2021 has been a year of achievement, reflection and forward thinking at the Ramaiah University of Applied Sciences, Bengaluru. Our achievements would not have been possible without the expertise, commitment, professionalism, hard work and passion of your staff. The COVID-19 pandemic has exposed the university to myriad challenges and barriers. Such unprecedented events saw the University to adapt to the new normal, moving seamlessly from March 2020 onwards to remote working and remote learning in a synchronous and asynchronous mode. The COVID-19 pandemic has upended life throughout the country

and all around the globe. It has revealed once again the importance of a leading a university and the need for educated creative and talented people to rise to confront a major societal problem.

The National Education Policy-2020, provides an opportunity to strengthen our resolve for innovation and change. The University in the last year has emerged into a large multidisciplinary higher education institution with academic programmes in engineering, health, social, management, pharmacy, and legal sciences. Aligned to the major recommendations of the NEP-2020, the University continues to engage in significant reforms in its teaching, research, and extension activities. The University's student-centric, applied, and holistic approach to education called for a paradigm shift in designing the curriculum, to help prepare students for impactful lives and careers in the 21st century. A balanced leadership team, talented and multi-faceted faculty and staff and a bright, agile, and diverse set of students are well positioned to drive the University's culture.

With an emphasis on innovation, excellence, ethics, inclusivity, and accountability, I am happy to see that the Ramaiah University of Applied Sciences is well into its sixth year of operations. The University was launched with the intention of embracing global educational practices into our existing higher education system to bring it on par with higher education system in vogue in developed countries. Initially, I was rather skeptical about the acceptance of the system of education that had been designed by our faculty members who had gained several years of experience in imparting education using the practices adopted in developed countries particularly in Europe.

I would like to convey my thanks to our students and their parents for wholeheartedly embracing the new system. At the end of each academic year, I have witnessed the positive energy amongst the students, parents and staff and, on enquiry, students have expressed their opinion that although the system demands enormous efforts the learning experience made it worthwhile.

I wish great success to all the members of the University in their endeavor to achieve excellence in higher education.

Dr. M. R. Jayaram

Chancellor

With a sense of satisfaction, I am pleased to report that despite the pandemonium caused by the Pandemic, RUAS has tried all the avenues and resources at its disposal to ensure that the academic activities and the operational aspects of the University are as good as it can be, under the prevalent extraordinary scenario. For mankind, the year 2020 has been an era of great challenges and uncertainties of unimaginable proportions, but it has also brought the best of humanity to quell hardships imposed on mankind. It has taught us the magical and mystical power of our tenacity and resilience to overcome any problem even perceived to be insurmountable. COVID 19 has forced us to adopt to the New Normal to move on and look forward.

After having been through crisis of COVID 19, the need of the hour continues to be the rejuvenation, reinforcement and re-emergence of our hope to move forward with the vision and mission of future career and life. RUAS has just completed its seventh academic year. While still adhering to the norms and protocols of MHA, State Government of Karnataka, UGC and other regulatory bodies, RUAS has ensured the conduct of the online classes, assessment of assignments, semester end exams as well as summer semester exams of the previous academic year (2019-20) in an amicable manner to minimize the hardships to the students. The faculty members from Health sciences supported the hospital staff in managing various aspects of COVID-19 pandemic pertinent to managing patient inflow, communication to patients and their families, and organizing vaccination drives. Through all these collective efforts, the golden statement "Tough Times will not Last but Tough People Do" and its indomitable spirit of never give up have prevailed.

The University received the approval from the Bar Council of India for the commencement of B.Sc. LLB programme. The University also got the approval from AICTE for the B.Tech., M. Tech., B.H.M., M.B.A., B. Pharm, M. Pharm and Pharm.D. programmes. RUAS also introduced new B.Tech. programmes in the emerging domains of Artificial Intelligence and Machine Learning, Mathematics and Computing as well as in Robotics. In addition, the University also launched the new Post Graduate Programme M.A. (Public Policy). The fifth convocation held in February 2021 was also a landmark in

Vice Chancellor's Message

view of the first batch students of Pharm D. programme having been conferred the degrees. In the last convocation 603 Undergraduate students, 428 Postgraduate students and 16 Doctoral students were awarded the degrees. The faculty members and the students of RUAS have published 336 research papers in Journals and conferences. The University has been granted 6 Indian patents and 20 Indian patent applications have also been filed.

The University organized a number of Workshops/Seminars/Conventions/Conferences encompassing the evolving topics of relevance to Higher Education, Scientific and Technological advancement, and Societal needs. In January of 2021, the University celebrated the Birth Centenary of Professor Satish Dhawan. A two-day workshop on "Quantum Computation and Quantum ML" was conducted in January 2021. A new initiative of "National Management Day" was also launched in February 2021. The students of RUAS have continued to excel in various extracurricular activities by emerging victorious in technical competition, Design and Innovation Clinic Competition.

Remembering the well said saying "Past is an invaluable teacher" and complementing it with amicable attitude, courage to inculcate unbiased introspection, it is the University's firm belief that greater involvement with a deeper commitment will eventually lead to more pragmatic and viable guidance to foresee the future as an energiser rather than as an enigma. To conclude on a note of promise and pride, assurance and action, confidence and conviction, I reiterate that with its continued focus on Outcome based Student Centric education and emphasis on Applied Learning, RUAS through its journey of **"Igniting the Minds"** continues to instill in both the fraternities of staff and student a sense of purpose, confidence, discipline and devotion.

In accordance with the requirements of the M.S. Ramaiah University of Applied Sciences Act, 2012 the University has set up a Fee Regulation Committee for determining the fees payable by Karnataka students for whom seats are reserved by the University.

The Committee comprises the following members:

1. Justice (Retd.) S. R. Venkatesh Murthy
2. CA Jairam E.S.
3. Principal Secretary, Higher Education Department, Govt. of Karnataka
4. Principal Secretary, Medical Education, Govt. of Karnataka
5. Prof. Govind R. Kadambi, Acting Vice Chancellor, RUAS
6. Mr. N.C. Shekar, CFO, RUAS

Organization Chart

The chart below depicts the different Statutory Governing Bodies of the University as also the management and reporting hierarchy.

4. Academics

The Academic division of the University is responsible for offering Undergraduate, Postgraduate and Doctoral Programmes of the University and awarding corresponding degrees to the students.

Faculties of the University

There are 8 Faculties and School of Social Sciences offering various UG, PG and Doctoral Programmes

Sl. No.	Faculty	Dean / Associate Dean
1	Faculty of Engineering and Technology(FET)	Dr. H.M. Rajashekara Swamy Dean(I/C)
2	Faculty of Art and Design (FAD)	Mr. H. S. Lohit Associate Dean
3	Faculty of Management and Commerce(FMC)	Dr. H. S. Srivatsa Associate Dean
4	Faculty of Mathematical And Physical Sciences(FMPS)	Dr. Deepak A. S. Dean

Directorates of the University

The University has established 9 Directorates to support Academics, Research activities, Student Placement, Student Welfare, Development of Transferrable Skills and Techno Centre, International Collaborations and Public relations and Publicity of the University:

Sl. No.	Directorate	Director/ Deputy Director
1	Admissions	Mr. Narashiman Senior Manager
2	Student Affairs	Dr. Reema Chaudhury Director
3	Training and Lifelong Learning (DTLL)	Dr. Vibha Shetty Director (I/C)
4	Sponsored Research (DSR)	Dr. K. M. Sharath Kumar Director
5	Transferable Skills and Leadership Development (DTSLD)	Mr. Jyothi Shankar Director
6	Techno Centre	Dr. Govind R. Kadambi
7	International Collaborations & Partnership Management	Ms. Lyubov Kulikovich Deputy Director
8	Dental Hospital	Dr. Prakashchandra Director
9	Public Relations and Publicity	Mr. Gautham U. G. Deputy Director

Academic Departments of the University

There are 37 Departments through which various academic courses of the University are offered. The following table shows the different departments of respective Faculties.

Sl. No.	Faculty	Department
1	FET	Automotive and Aeronautical Engineering
		Civil engineering
		Computer Science and Engineering
		Electrical Engineering
		Electronics and Communication Engineering
		Mechanical and Manufacturing Engineering
2	FAD	Product Design

University had established Quality Assurance Cell (QAC) from the inception from the year 2014.

Quality Assurance Cell ensures the following in the process of Academic Delivery and Assessment:

Formation of Internal Quality Assurance Cell (IQAC)

- As per the office order issued by the Hon'ble Vice Chancellor in Sep' 19, IQAC was formed in-line with guidelines provided by NAAC. There was a revision in the constitution members in the month of May' 20.

Role of IQAC:

It shall evolve mechanisms and procedures for

- Ensuring timely and efficient monitoring of Quality Enhancement (QE) activities in various Faculties of the University
- Channelizing and integration of modern methods of teaching and learning
- Credibility of assessment and evaluation process
- Ensuring the adequacy, maintenance and proper allocation of support structure and services
- Sharing of research findings and networking with other institutions in India and abroad

Functions of IQAC:

Achievement of academic excellence is possible only through virtue of quality enhancement measures chartered towards the optimum operational effectiveness of the institution. As highlighted in the guidelines, IQAC will have the following broad functions:

- Develop and monitor the application of quality benchmarks / parameters for the various academic and administrative activities of the University.
- Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback responses from students, parents, industry/employer and other stakeholders on quality-related institutional processes
- Dissemination of information on the various quality parameters of teaching and research and education etc.,
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
- Documentation of the various programmes / activities of the HEI, leading to quality improvement.
- Acting as a nodal agency of the University for coordinating with all quality-related activities, including adoption and dissemination of good practices.
- Development and maintenance of Institutional database through MIS for the purpose of maintaining, enhancing the institutional quality.
- Development of Quality Culture in the University.

- Preparation of the Annual Quality Assurance Report (AQAR) of the University based on the quality parameters / assessment criteria developed by the relevant quality assurance body (like NAAC, NBA, AB) in the prescribed format (post accreditation).
- Bi-annual development of Quality Radars (QRs) and Ranking of Integral Units i.e. Faculty of the University based on the AQAR.

Activities initiated by IQAC during last academic year are as follows:

- 1) Dr. P.N. Razdan, Principal Advisor, Quality Assurance & Excellence Cell, GEF (M) conducted a session on NAAC preparedness and requirements addressing all criteria leaders, Directors and functional Heads on 27th May 2020.
- 2) Orientation on new version of "Accreditation Software and Assessment tool" by Mr. Suman from TimesPro group on 23rd and 24th Nov' 2020
- 3) New format of Feedback Forms format approved by Dr. P.N. Razdan with relevant parameters to be obtained from all the stakeholders designed as per NAAC requirement and other accreditation bodies/ranking agencies.
- 4) A trial version of student curriculum design and development feedback, course feedback and exit feedback was conducted on RUAS portal, sample of results obtained for all the format attached .
- 5) Implementation of Mentor-Mentee process on RUAS portal regarding orientation of Head-Mentors nominated from respective faculty to understand allocation of mentees to mentors, schedule meetings, capture minutes and present for further action (if necessary) and a sample of reports attached .
- 6) IQAC Team with guidance from Leadership management and allotted criteria leaders of NAAC, Directors and other Functional heads are progressing in NAAC SSR preparedness.
- 7) University will be applying for QS-I-GAUGE Audit and Advanced E-Lead Certificate in event of both getting expiry in June 2021.

Proctoral System

The University has implemented the Proctoral System to guide the students periodically on registration for credits, their studies, review of attendance and performance, reporting the attendance and performance to the parents.

The Consolidated Proctoral System faculty wise is shown in Annexure 1

UG and PG Programmes Offered

There are 38 programmes offered by various Faculties of the University. The following table shows the various programmes offered by respective Faculties.

Sl. No.	Faculty	Programmes Offered
1	FET	Bachelor of Technology (B. Tech.)
		Master of Technology (M. Tech.)
2	FAD	Bachelor of Design (B. Des.)

User-oriented Postgraduate Courses (UoPC)

The Board of Management, after obtaining the consent of the Board of Governors, is empowered to formulate and offer exclusive courses through the University's Faculties to cater to the specific needs of Industry, Businesses and Corporations.

The candidates sponsored by such businesses/corporations shall meet the eligibility requirements for the M.Tech. in Engineering and Technology Management Programme. These students will also follow the University's Academic Regulations, with such exceptions as may be approved by the Academic council, for the Postgraduate Programme leading to M. Tech. Degree.

Teaching and Learning Material

Each and every student of the University will have the privilege to access the teaching material available in PowerPoint form from the University I-Portal. The students can also access E-Books, E-Journals through I-Portal.

Staff Student Consultative Committees (SSCM)

The University places great emphasis on continued up gradation of its Teaching and Learning resources, infrastructure, quality of curriculum delivery and the overall student living experience on its campus. With this in view, a Staff-Student Consultative Committee has been established which in turn has constituted sub committees for every course offered by the different Faculty. The committee comprises the Dean, Academic Registrar (Faculty), Administrative Registrar (Faculty), HODs, Class Representatives and other member(s) invited by the Dean. Committee meetings are scheduled during the middle of each semester. During the committee meetings the following issues are discussed and suitable action plans are initiated:

a. Student Academic issues

- I. Curriculum
- II. Course Delivery
- III. Test and Assignment and their Assessment

b. Student Teaching and Learning Support

- I. Programme Operations
- II. Test and Assignment and their Assessment
- III. Library
- IV. ICT
- V. Laboratories & Workshops

c. Student Amenities

- I. Hostel & Cafeteria
- II. Sports & Recreation

d. Any other matter with the permission of the Chair

A sample of the SSCM Minutes of Meeting is attached in Annexure 2

Student Feedback System

The Quality Assurance Cell collects student feedback forms from Undergraduate students twice in a semester and from postgraduate students for every Module and perform Feedback Analysis for initiating remedial actions.

UG & PG Programme

Format of the feedback form

The format for collecting feedback from students is as shown in Annexure 3

Feedback frequency

- UG Programmes (Semester scheme): Twice in a semester.
 - PG Programmes (Module scheme): At the end of each Module.
- Feedback Analysis Report sample

The Feedbacks collected from the students are further analyzed and a sample is attached as Annexure 4

Action on student feedback

1. Faculty members who have scores below average are apprised by the respective deans and are advised to improve their academic delivery.
2. Faculty members are shown the student Feedback forms so that they can analyze and develop methods to improve their academic delivery.
3. The University consider student feedback scores for the annual appraisal of the faculty members.

Subject Assessment Board (SAB)

The Subject Assessment Board is responsible for reviewing the standard of assessment and its comparability across subjects. The SAB is scheduled to meet at the end of each semester to review the assessed work for each subject. The Board objectively examines the subject delivery, examination and evaluation processes to ensure academic standards based on data compiled for the semester are met. The Subject Assessment Board is tasked with confirming the subject or module marks after completing its review. Once the marks have been confirmed by SAB the marks cannot be subsequently altered by any other board, unless an error in transcription or an omission is discovered. SAB meetings are chaired by the Dean of the concerned Faculty. The Heads of Departments, Internal and External Examiners and an Observer nominated by the Vice Chancellor are the other members of SAB. SABs have been constituted by the University for the academic year 2020-21.

Programme Assessment Board (PAB)

The Programme Assessment Board is responsible to take decisions on progression and awards for all students registered for the named award for which the Board is responsible. In reaching a decision on progression or an award, the Board must consider the overall performance of the student. The overall performance of the student is made up of the subject marks which have been confirmed by the Subject Assessment Board. PAB meetings are chaired by the Dean of the concerned Faculty. The Heads of Departments, Internal and External Examiners and an observer nominated by the Vice Chancellor are the other members of PAB. Programme Assessment Boards have been constituted for academic year 2020-21.

Student Performance

Overall Student Performance UG and PG that was discussed in PAB for the year 2020-21 is as shown in Annexure 5

RUAS has a strong focus on Applied Research. The research programmes could originate from industry, research establishments or business organizations.

Research Programmes

Research Scholars can opt for the Doctor of Philosophy – Ph.D. and M.S. (By Research) degree either through the full time or part time route. Research Programmes are offered by the:

The aims of Research Programme are

1. To produce researchers who can advance theory and practice in Science, Engineering, Health, Humanities, Hotel Management and Business, and enhance the contribution to Society
2. To encourage creativity, analytical thinking, critical analysis, and innovative problem-solving
3. To develop within each candidate the expertise and skills necessary to be an effective educator and faculty member
4. To produce graduates with advanced capabilities in leadership and managing change

Research Centers

1. Automotive Technologies Research Centre
2. Centre for Aeronautical and Micro Air Vehicles Research
3. Energy and Power Systems Research Centre
4. Sanitation, Waste Management and Environmental Engineering Research Centre
5. Centre for Machine Learning and Computational Intelligence
6. Centre for Control Systems and Robotics Research
7. Centre for Biomedical Systems and 3D Printing Research
8. Centre for Signal Processing and Communication System Research
9. Structural Design and Analysis Centre
10. Composite Materials and Technologies Research Centre
11. Research Centre for Contemporary Tools and Techniques in Industrial Design
12. Innovation and Entrepreneurship Development Research Centre
13. Photonics Research Centre
14. Centre for Batteries and Biofuel Research
15. Software Engineering and Big Data Modelling Research Centre
16. Nutraceutical and Nutrition Research Centre
17. Oral Cancer Research Centre
18. Biomaterials Research Centre
19. Dental and Maxillofacial Modelling and Simulation Centre
20. Drug Design and Development Centre
21. Pharmacological Modelling and Simulation Centre

Center of Excellence

1. AL, ML and Autonomy
2. Computational Mechanics

Research Themes

The University will be admitting Research Scholars for the following approved research themes:

High Priority R&D Domains

- Artificial Intelligence, Machine Learning and Data Sciences
- Bio, Nano and Composite Materials
- Biotechnology, Food Technology and Public Health
- Business Analytics and Digital Transformation
- Business and Commercial Law
- Composite Structures
- Computational Mechanics and Sciences
- Drug Design and Discovery Technologies
- Health, Ethics and law
- Higher Education
- Public Sector Reforms
- International Politics and Diplomacy

Thrust Areas of Research

Faculty of Engineering & Technology	Artificial Intelligence, Data Sciences, Computational Mechanics and Sciences, Composite Structures, Bio Nano and Composite Materials, Civil, Computer Science, Communication, Electrical, Electronics, Medical Image Processing, Machine Learning Techniques, Bio-signal Processing, Biomedical Instrumentation, Nano Biomaterials for Bone Tissue Engineering, Sensors and sensor networking for biomedical applications, Image and Video processing, Cognitive Neuro-science, Image Processing, Photonics, Mechanical, Manufacturing, Material Science, Automotive, Aerospace, Turbo machine, Heat Transfer, Robotics, Plastics and Composites
Faculty of Mathematical and Physical Sciences	Chemistry, Polymer Composites, Nano composites, Wastewater Treatment, Medicinal Chemistry, Environmental Chemistry, Mathematics, Machine Learning Equations, Remedial Mathematics, Differential Geometry, Physics, Nonlinear Optics, Laser Spectroscopy, Optoelectronics, Cobaltite's, Multiferroics
Faculty of Pharmacy	Pharmaceutics, Pharmacology, Pharmaceutical Quality Assurance, Pharmaceutical Technology, Pharmacognosy, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacy Practice, Herbal Drug Technology, Drug Design and Discovery Technologies
Faculty of Dental Sciences	Oral Medicine and Radiology, Oral and Maxillofacial Surgery, Periodontics, Conservative Dentistry and Endodontic, Orthodontics and Dentofacial Orthopedics, Oral Pathology and Microbiology, Prosthodontics, Crown and Bridge, Public Health Dentistry, Pedodontics and Preventive Dentistry
Faulty of Management & Commerce	Operations Management, Finance, Human Resource Management, Marketing, Banking and Insurance, Security Analysis, Managerial Economics, International Finance Management, Investment Banking
Faculty of Art & Design	Product Design, Fashion Design
Faculty of Hospitality Management and Catering Technology	Hospitality Operations/Management, Tourism Operations/Management
Faculty of Life and Allied Health Sciences	Public Health, Food Processing and Preservation Technologies (Bio preservation, Food Processing), Food Nutrition and Biochemistry (Metabolomics, Phytochemistry, Malnutrition), Biotechnology (Cancer Biology, Cell Biology, Molecular Biology, Glycobiology) Ayurveda/ Integrative Medicine
School of Social Sciences	Sustainable Development, Gender Studies, Higher Education, Governance and Public Policy, Disaster Management, Public Sector Reforms and Public Private Partnerships (PPP), Democracy and State, International Relations and Politics

Research Scholars and Broad Areas of Research

The Details of research scholars and their broad areas of research is as shown in Annexure 6

Sponsored Research

The University has actively worked with National and International organizations in government, public and private sectors to carry out research and generate knowledge for the benefit of the Society. Research Organizations like ISRO, DRDO, DST, DBT and Central Ministries like Power, New and Renewable Energy, Environment and Forest, Human Resources, Agriculture, IT and Electronics and Industries have provided finance and research grants for advanced research in the past. So far the University faculties has undertaken more than 120 funded research projects and have filed more than 170 patents.

Sponsored Research Projects Undertaken

Projects Completed:

Sl. No.	Name of Project	Sponsoring Agency	Faculty	Principal Investigator	Other Investigators	Amount Received in INR Lakhs
1	Design and Development of a Multi DOF Bionic Arm with Control Assist Mode Functionality	Life Science Research Board (LSRB)	FET	Prof. Govind R. Kadambi	Mr. Praveen L. S.	19.46
2	Performance Enhancement of a Single Stage Transonic Axial Compressor Through Reduction of Tip Leakage and Secondary Flow Losses	AR&DB- Propulsion Panel	FET	Dr. Mahesh K. Varpe	Mr. S. Subbaramu	8.08
3	R&D Centre for Hardened Steel Machining	Karnataka Council for Technology Upgradation (KCTU)	FET	Dr. R. Suresh	Dr.T.N. Srikantha Dath	44.63
4	Performance Evaluation of UHF Cognitive Radio Links for Wireless Sensor Applications in Health and Precision Agriculture	VGST	FET	Dr. Pallaviram Sure	NA	5.00

5	Indigenous Development of RAT Sensor	IAF-12 BRD	FET	Prof. Govind R. Kadambi	Dr. Varun D.	0.21

Committees	Staff Career Progression Committee Staff Disciplinary Committee Staff Grievances and Redressal Committee Staff Induction Training Committee Staff Performance Appraisal Committee Staff Recruitment and Selection Committee Staff Welfare & Inclusiveness Committee

7. Directorate of Student Affairs

A student while pursuing his/her education in the University requires various facilities and opportunities to stimulate the emotional and aesthetic wellbeing and also to kindle the intellectual and cognitive development. With this noble objective, Ramaiah University of Applied Sciences created Directorate of Student Affairs (DSA) to facilitate and assist students' diverse needs by providing innovative co-curricular experiences that augment well-being, nurture life and academic skill development, create responsibility and cultivate leadership competence. The Directorate of Student Affairs is committed to students' well-being and accomplishments both inside and outside the classroom. DSA strives to provide meaningful and memorable campus experience to students by providing relevant facilities, assistance and guiding them in building their careers. The activities and facilities in which the Directorate is actively involved are listed hereunder:

Activities:

- Student Placement & Internship
- Sports & Athletics
- Student Cultural Programs
- Student Clubs Activities
- Hostel Accommodation
- Scholarship
- Alumni Association
- Student Bus Pass Application Verification
- Service to Society & NSS
- Redressal of student grievances

Facilities:

- Health Care
- Mess & Cafeteria
- Student Health Insurance & Health Care
- Gyms
- Sports Centres
- Student Centres
- Basket Ball Court
- Music Room

The team is incessantly working hard to provide services and programs to develop the professional skills and to create an exciting learning community where a student can grow and succeed.

International Day of Yoga 2020

International Day of Yoga was celebrated on digital platform in view of the Covid19 Pandemic. Two exciting events were held, one a virtual session on Yoga for Fitness by Shri Nagendra B N, Yoga Expert, on June 22nd, 2020 from 8.30 AM for which 43 participants had registered. The second event was Best Yoga Performer Competition.

Cultural events and competitions for students.

CONOCERSE 2020-21

The Directorate of Student Affairs conceived, designed and developed a unique University-orientation programme called Conocerse... for the new students. CONOCERSE 2020-2021 is a series of Creatively Fun Filled Opportunities for new students to meet their fellow classmates. *It is a Spanish word that means "To Meet". Two types of events were conducted. The first one was video recording events like 30 seconds Basketball Free Throw Shooting, 30 seconds Football Juggling, Short Movie Making and Public Speaking wherein students had to send the video footage of the activity they were participating in. The second one was the live events like Virtual Pet Show, Ethnic Diversity Celebration Day and Karaoke Singing Competition wherein students had to come online and display their talent. The judging for these events was done by experts in the field.

DIMDIMA 2020 – Virtual Karnataka Rajyotsava

Karnataka Rajyotsava or Karnataka State Formation Day which falls on 1st November is celebrated all across the State in a grand manner. The main objective is to showcase the rich culture and heritage of Karnataka State.

Every year, students of the University took the initiative to conduct it on a large scale in the campus. They have coined a name for the event – “DIMDIMA”. Because of COVID19, students are unable to be on campus and missing campus life. To ensure continuity of the event and to bring cheer on the students face in these trying times, Directorate of Student Affairs took upon the responsibility to hold the celebrations online.

To match with the objective of the event, the following competitions were conducted which was open for all students of the University.

- Sketching/Painting/Drawing of Sculptures of Karnataka.
- Rangoli
- Poetry writing in Kannada
- Karaoke Singing of Kannada songs
- Dancing to Kannada tunes
- Ethnic Wear from across Karnataka

To judge the competitions, along with our esteemed faculty members, some of our Alumni were also invited. There was tremendous response from the students. Over 200+ students registered for participation and 70+ viewers logged in for the live virtual events. Cash prizes and E-certificates were given.

Talent Hunt:

Each student brings an ocean of hidden talent lying dormant within himself/herself. So, Directorate of Student Affairs organized four exciting virtual competition to showcase talents for the entire month of March 2021. However, the last date for submission of entries is extended till 10th of April 2021 because of requests from students who could not participate due to their ongoing examinations.

Online Photography Competition:

Directorate of Student Affairs organized an online photography competition on 20th Feb, 2021. Students were advised to send their photographs through email. The purpose of photography competition was to identify the best photography talent in the campus and provide them an opportunity to participate in other inter college events. The theme for the competition was Disappearing Professions. Total 33 students participated. The following entries were awarded with 1st, 2nd and 3rd Prize.

Inauguration of two NSS Units

On 8th March, 2021, Mr. Khadri Narasimhaiah, Regional Director and Mr. Y. M. Uppin, Youth Officer, Ministry of Youth Affairs & Sports visited Peenya Campus for NSS units' approval inspection. The University got the approval for starting 2 Units for NSS with 100 student volunteers each for GG Campus and Peenya Campus. Mr. Damodar Nayak Faculty, FPH and Ms. Pranupa, Faculty, FET have been nominated as the NSS Program Officers for RUAS. These NSS Units of RUAS will offer the students a platform for community service and will develop a sense of participation in the tasks of nation building.

The inaugural function for the two NSS Units, held on 28th March, 2021, was graced by the presence of Dr. Tejaswini Ananthkumar, Managing Trustee & Chairperson, Adama Chetana Foundation, Shri K V Khadri Narasimhaiah, Regional Director, Ministry of Youth Affairs & Sports, Govt. of India, Prof. Govind R Kadambi, Vice Chancellor (Acting) and Prof. M Saibaba, Registrar, RUAS. The inauguration program started with the welcome address given

by Dr. Reema Chaudhury, Chief Program Coordinator of NSS followed by a light lamping ceremony. Prof. M. Sai Baba, Register of RUAS gave the opening remarks of how social service/NSS activities helps in overall development in student's life. Guest of honor Sri. K.V. Khadri Narasimhaiah addressed the gathering. Prof. Govind R Kadambi emphasized the importance of NSS in an educational institution and inspired many young minds there to involve in serving society.

The next event after the inauguration program of NSS units was an awareness rally by the NSS student volunteers. With placards and banners in hand, the students went for a rally to create awareness regarding the importance of tree plantation. Soon after the awareness rally, the NSS student volunteers joined hands in the GREEN SUNDAY INITIATIVE where they were taken to plant saplings near the river Kempabudhi as the remembrance of the inauguration program. With this, the inauguration just didn't have speeches instead it had some Nobel idea of caring for mother nature, rather than words RUAS NSS team believes in action. This tree plantation drive made the inauguration more effective and which is the beginning of a big dream, hope, and contribution to society.

Alumni Webinar Series

Vibes... Directorate of Student Affairs Quarterly Newsletter

The thought, to come out with a Directorate's Newsletter that will provide a snapshot of the various activities of the Directorate and at the same time will act as a communication medium between the students, was nurtured in our hearts for quite a long time. One fine day, the Muse sat on our shoulder and fingers started to type and on January, 2021 we came out with the maiden issue of Vibes... Since then it has become a worthwhile experience.

8. Directorate of Training and Lifelong Learning

The Directorate of Training and Lifelong Learning is responsible for running Training, Skill Development and Lifelong Learning programmes. The Directorate offers these programmes to aspiring candidates and practicing professionals from industry, businesses and academia. The Directorate facilitates the delivery of Training and Lifelong Learning courses through the Faculties of the University and or using its own staff and subject experts/consultants.

Programmes Offered by the Directorate

1. Bachelor of Vocational Degree (B. Voc.)
2. Postgraduate Certificate in Professional Practice (PGCPP)
3. Post Graduate Diploma(PG Diploma)
4. Advanced Certificate Programme (ACP)
5. Modular Training Programme (MTP)
6. Corporate Training Programme (CTP)
7. Proficiency Courses
8. Seminars
9. Workshops
10. Advanced Skill Training Programme (ASTP)
11. User Oriented Postgraduate Courses (UOPC)

Overall Summary of Programmes conducted and People trained by Directorate of Training and Lifelong learning since 2014

Sl.No	Programmes Conducted in 2019-20	Members Trained

- We have signed MOU with Buhler for offering B.Voc. in Post-Harvest Technology for their trainee Engineers.
- We are conducting Post Graduate Diploma in Railway Signaling and Telecommunications with Illex Academy and has seen 29 admissions last year
- Proposal on joint B.Voc degree with Bosch Limited is under discussion and finalized. The course curriculum for whole programme is ready.

9. Techno Centre

Techno Centre – Engineering (TCE) is the Consultancy, Product Design, Bio Medical design, Electronic system design and Development, division of Ramaiah University of Applied Sciences. Established in the year 2000, The TCE provides technology driven engineering solutions that meet the objectives of the clients and entrepreneurs. TCE has been consistently providing cost effective on time solutions and guidance to its vast clientele which include DRDOs, public sectors, Industry, businesses, R&D Organizations and individuals/entrepreneurs. Till date more than 700+ projects and 200 R&D work has been carried out successfully.

We have executed, 120 Project for DRDO, 500 projects for Public sector unit, 100 projects for SME & MSME (private Industries) and 15 Projects related to Biomedical engineering. As of now we have filed many joint patents for in-house developed technologies.

The TCE's man power comprises of a strong backbone of dedicated engineers and business team, who leverage the fundamental and applied knowledge and problem solving abilities available within the wide range of domain expert faculty and can access the teaching, training and research resources and facilities for its projects.

1. Achievements/Highlighting Stats

- i) Developed and transferred more than 10 technologies to DRDO's & Private Industries and applied for more than 5 joint patents with DRDO's and private industries.
- ii) Worked on 10 different Indigenization project with DRDO's & Public sector units (PSU), which is a part of MAKE INDIA Program.
- iii) We have developed & supplied Automatic Torpedo Loading unit to Indian Navy and DRDO. This is basically an automation project which is very much useful for the case of loading of torpedoes during ship sailing in the middle of the sea as it is difficult for loading. With this automation 3-4 torpedoes sea trails could be conducted in a single day in comparison to 1 trail with earlier conventional unit.
- iv) We have developed a technology called Semi Active Magneto Rheological based mounts for Indian Navy (IN) Ship borne equipment application.
- v) We have designed, developed and supplied 2 numbers of high torque low rpm planetary gear boxes to DRDO for Indian Navy application. This is one of the custom made design and fabricated using Military grade SUPER DUPLEX Steel.

RTBI under Start-up Policy which is Supported by Department of IT, BT and ST. Government of Karnataka (GoK). The objective of this Centre is to achieve speedy commercialization of the Technologies developed by the host Institutions to promote and nurture novel technology/innovation based start-ups. To build a vibrant start-up ecosystem, by establishing network between MSRUAS, financial institutions, industries and other institutions.

To provide incubation services to start-ups like Infrastructure, equipment, mentoring, branding, networking, legal, financial, technical, intellectual property related services. To help the novel and selected start-ups operating in and contributing to sectors including but not limited to Internet of Things, Electronic System Design and Manufacturing, Robotics and Intelligent Systems ("Technology Start-ups").

10. Directorate of Transferable Skills and Leadership Development

In a constantly changing environment, it is essential to develop life skills to meet the challenges that one come across at workplace, home and while interacting with friends and general public on day to day basis. It is not sufficient that one is good at his/her technical domain but must be equally good at life skills for leading a successful career as well as life. Taking cognizance of this fact, M.S. Ramaiah University of Applied Sciences has created a separate Directorate to develop life skills in students as well as members of staff.

Student Feedback Report

Mock Student Satisfaction Survey (SSS)

Report on Mock Student Satisfaction Survey (SSS) conducted as a part of NAAC activity

I) Preamble

- a) All the efforts of teachers and the institution to make learning a meaningful process can be considered impactful only to the extent students perceive it to be meaningful.
- b) Their satisfaction level is decided by the kinds of experiences they undergo, the extent of the "comfort" feeling as well as intellectual stimulation the learning situations provide.
- c) Their feedback significantly showcases the actual quality of teaching learning process enabling identification of the strengths of teaching as well as the possible improvements. Student satisfaction, thus, is a direct indicator of the effectiveness of teaching learning in the institution.
- d) NAAC specifies that, it may be impractical to capture this aspect from every student; however, every HEI can resort to a sample survey on a formalized basis to capture this significant feature.
- e) This is the reason the revised assessment framework of NAAC adopts survey of student satisfaction.

In above context, RUAS conducted Mock Student Satisfaction Survey (SSS) through Quality Assurance Cell (QAC) in both campuses and obtained around 2730 student responses. Subsequently, responses obtained were analysed and reported.

SSS will be conducted as per the following conditions (as specified by NAAC):

1. SSS will be conducted simultaneously with DVV process.
2. Higher Education Institutions (HEIs) have to strictly upload data of at least 50% of currently enrolled students as per data template format of excel sheet given in portal.
3. The SSS questionnaire (20 objective & 01 subjective) will be e-mailed to all students and the following rule will be applied for processing the responses
4. For Universities – 10% of the student population or 500, whichever is lesser
5. If the response rate is lower than the limits mentioned by NAAC, the metric will not be taken up for evaluation.
6. SSS will be completed within one month after its initiation.
7. The data of the students for Student Satisfaction Survey (SSS) has to be submitted concurrently during online submission of SSR.
8. NAAC SSS Poster to be publicized per-dominantly in bringing awareness among students

Mock Student Satisfaction Survey (SSS) – Observations and Remarks

At RUAS, the mock Student Satisfaction Survey conducted as a means of identifying the effectiveness of teaching learning captured the experiences students undergo in the various teaching learning situations.

Present Strength's observed from Student's perspective:

1. This survey indicated the strengths of teaching learning process at RUAS and the possible improvements that can be made in the curriculum and its delivery.
2. Major portion of the syllabus were covered on time
3. Teachers' approach were good, prepared well for lectures and communicate effectively.
4. The internal evaluation was done in a fair manner
5. Assignments/Assessments were discussed periodically with them
6. The mentoring process facilitated cognitive, social and emotional growth and mentor does a necessary follow up with the assigned task with them.
7. They were informed with program and course outcomes and the competencies to be developed after the teaching learning process
8. They have agreed that teachers illustrate the concepts through examples and applications and identify the strengths and weaknesses of students and encourage them by providing right level of challenges.
9. They were encouraged to participate in extracurricular activities also.
10. They have agreed that teachers' use ICT tools to maximum extent and use student centric methods to enhance learning experiences.

Areas of improvements indicated from Student's perspective:

1. To include students participation in review, monitoring and quality improvement of overall teaching learning process and in developing soft skills, life skills and employability skills.
2. The effectiveness of mentor mentee to be improved further and now it will captured and monitored through University ERP module.
3. Provide multiple opportunities to learn and grow, University has offered many value-added courses out-of-curriculum, encouraging students to participate in Dream Teams, Hackathons and many other opportunities to be created which will be made aware to the students further.

4	202041055908	A Novel Adaptive Information Extraction System using Deep learning Technique and Neural Networks	Sudhir Kumar Patnaik Narendra Babu C.	FET	22 December 2020
5	202041057287	Reconfigurable RF Receivers	Govind, R. Kadambi Dipayan Mazumdar	FET	30 December 2020
6	202041055905	Smart Wearable Emotion Support System	Narendra Babu C. Soumya Jyoti Reychaudhuri Soumya Manjunath Chithra Priya Srinivasan Swathi N. Sushma S. Nitin Bhushan K. N.	FET	22 December 2020
7	202041055630	Conical Shaped Electromagnetic Energy Harvester	Prajwal K. T. Manickavasagam, K. Naveen Kumar T.	FET	21 December 2020
8	202041056806	Method, Device and Apparatus for DAC Transfer Function Compensation	Govind, R. Kadambi Dipayan Mazumdar Imran Ashraf Mohammed Salman Baig	FET	29 December 2020

Details of Details of Patents Filed during 1 April 2020 to 31 March 2021

9	202041056119	Method, Device and Apparatus for Quantification of Pavement Distress	Uday Shrihari P. Chandanshree N. S. Yateen Lokesh Prakash P.	FET	23 Decembe r 2020.
10	202041055631	Wideband Quadrature Power Divider	Varun D. Govind R. Kadambi	FET	21 Decembe r 2020
11	202041055904	Intranasal Drug Delivery System Targeting Migraine	Bharath S. Aishwarya R. Anbu J.	FPH	22 Decembe r 2020
12	202041055909	Mouth Dissolving Polyherbal Films for Oral Hygiene	Ashoka Babu V. L. Sharon Caroline Furtado Kamatchi Sundara Saravanan	FPH	22 Decembe r 2020
13	202041055907	Enhanced Brain Permeation of Thiolated Chitosan-Centella Hybrid Nanocomposite	Haroon Banu Hajira Dhrubojyoti Mukherjee Anbu J.	FPH	22 Decembe r 2020
14	202041055906	An Anti-Diabetic Polyherbal Transdermal Patch For Navel Route of Administration	Gowri R. Deveswaran R.	FPH	22 Decembe r 2020
15	202041056118	Anti-Fungal Niosomal topical Spray of Voriconazole	Vijaykumar S. Vemali Basavaraj B. V.	FPH	23 Decembe r 2020
16	202041056807	Raft Forming System for Gastro-Retentive Delivery of Selected Anti-Epileptic Drug	Bharath S. Vaishali Sharma	FPH	29 Decembe r 2020.
17	202041055629	Phosphate Buffer Decalcifying Agent for Dissolution of Pulp Stones	Kavimalar Dinesh Shruthi Nagaraja Bharath S.	FDS	21 Decembe r 2020
18	202041055628	Smart Bracket Positioner	Roshan M. Sagarkar Padmanathan R. Padmini Vaddavalli Shaika Tabassum	FDS	21 Decembe r 2020
19	202041023875	Ozonated Water Hand Wash System	Sundaresh D. C.	FLAHS	08 June 2020
20	202041031791	Covid-19 Thermal comfort Head gear for COVID Suit	Sundaresh D. C.	FLAHS	07 July 2020

Details of Patents Awarded during 1 April 2020 to 31 March 2021

Sl. No.	Patent No.	Country	Title of the Invention	Inventors	Faculty	Awarded Date
1	3,36,736	Indian	Pharmaceutical Composition Glucosamine Sulphate and Permeation Enhancer	S. Bharath Patel Nilesh Jasvant Bhai	FPH	12 May 2020
2	3,53,786	Indian	Thiolated Scaffold Based 5-Fluorouracil Loaded Nanoparticles	Sachin S. Bhat Dhrubojyothi Mukherjee Anita Murali	FPH	16 December 2020
3	3,55,494	Indian	A Fixative Solution for Tissues	Roopa S. Rao Shankargouda Patil Ganavi B.	FDS	07 January 2021
4	325296-001	Indian	A Cement Dispenser for Dental Application Dispensing the Powder and Liquid Components in Exact Ratios	Shruthi N. Dakshath Prasad Jembige Shwetha V.	FDS	01 January 2021
5	3,57,867	Indian	Pharmaceutical Composition of Nasal Insert Comprising Cinnarizine, Mucoadhesive and Drug Retardant Polymers	S. Bharath Manoj B. Kulkarni	FPH	05 February 2021
6	3,60,017	Indian	Benzimidazole Derivatives of Paracetamol as Potential Analgesic, Antipyretic and Anti-Inflammatory Agents	Judy Jays K. Raju	FPH	03 March 2021

Annexure 8

Software List

List of software procured during March 2020 – April 2021

1. JMP Academic Suite Small University (Up to 9999)
2. Altair FEKO Paid up hosted research perpetual license 20.0V

Special Equipment's include

- Scanning Electron Microscope
- Tunnelling Microscope
- 3D Printers (ABS and Metal)
- ABB Robot
- Jet Engine Test Facility
- Aircrafts (2)
- Laser Trackers and CMMs for Reverse Engineering
- Universal Testing Machine with Insitu-Scanner and Camera Facility
- High Performance Thin Layer Chromatography (HPTLC)
- High Performance Liquid Chromatography (HPLC)
- Fourier Transform Infrared Spectrophotometer (FTIR)
- UV–Visible Spectrophotometer
- Pilot Model – Pharma Products Manufacturing
- Cone Beam Computed Tomography (CBCT)
- 18000C Furnace
- Aircraft grade Composites Manufacturing Facility
- Clean Room (10000 grade)
- Wind Tunnels-Subsonic and Supersonic
- CNC-Turning Centre, Machining Centre and Wirecut EDM
