

Faculty Positions in Entrepreneurship

Ramaiah University of Applied Sciences (RUAS), Bangalore is actively recruiting faculty in Entrepreneurship across various seniority levels (Assistant/Associate/Full Professors) and engagement types (Full-time/Adjunct/Professor of Practice). RUAS is a premier multi-disciplinary university, home to top-tier colleges in engineering, technology, medicine, design, hospitality, and humanities in India. We are building a world-class Center for Entrepreneurship focused on enabling entrepreneurship through an integrated approach to education, research, and practice.

Qualifications:

Applicants should hold, or be in the final stages of obtaining, a PhD or equivalent doctoral degree from accredited, highly regarded institutions in disciplines such as Entrepreneurship, Strategy, Organizational Behaviour, Communication, or related fields in Management and Social Sciences. For associate professor positions, a minimum of 10 years of relevant experience is required, and for full professor positions, 15 years of experience is necessary.

For the **Professor of Practice** role, a doctoral degree is desirable but not mandatory. Candidates without a PhD must have at least ten years of substantial industry experience, with significant professional accomplishments and demonstrated expertise in areas such as entrepreneurship, startups, business management, marketing, innovation, and technology management.

Responsibilities:

Candidates must demonstrate potential for excellence through their academic work, writings, professional experience, and personal goals. Responsibilities include teaching at the undergraduate and graduate levels, case writing, conducting and publishing research in top-tier journals, and contributing to institutional activities.

Adjunct and Visiting Faculty:

We're also open to hiring adjunct and visiting faculty in a flexible, innovative capacity. If you're an entrepreneur or industry expert, we'd love to have you share your insights through focused guest lectures on topics you're passionate about. This isn't a speaker series—our goal is to provide structured, impactful sessions aligned with our curriculum that truly enrich our students' learning experience.

Support for New Educators:

For those new to education and pedagogy, we offer support through our Faculty Development Program (FDP) to help you transition effectively into teaching. Additionally, for those who choose to deepen their engagement with us, there's an opportunity to attend Babson College's prestigious program for Entrepreneurship Educators. We believe that with your knowledge, experience, and empathy, you can make a significant impact, and we'll ensure you have the training to develop the teaching skills to match.

Join Us:

If you are passionate about teaching, committed to research that is both rigorous and relevant, and

eager to have a lasting impact, we invite you to join the Center of Entrepreneurship at RUAS. Be a part of our exciting journey to cultivate entrepreneurial mindsets among a multidisciplinary and dynamic student body.

Please send your updated CV, samples of research/writing, any available teaching evaluations, and the names of two referees to careers.cfe@msruas.ac.in.

Application Process:

Applications will be reviewed on a rolling basis until suitable candidates are selected. The expected start date is asap, and no later than January 2025.
