Chancellor's Message

It is indeed a great moment filled with pride and joy that the Ramaiah University of Applied Sciences is celebrating the sixth convocation-2022.

As Chancellor of the Ramaiah University of Applied Sciences, I would like to congratulate you all for successfully completing your studies. It has been a difficult and uncertain time for everyone, so I would like to commend the adaptability and creativity you have shown in completing your studies and the support of your fellow students, your friends, your family, and your community. Convocation is an important milestone in the educational journey of the student and their family members. It is an occasion when a new batch of qualified professionals are placed in the hands of society for its development, enrichment, and well-being. Adaptability, creativity, and kindness are valuable attributes that will be particularly important as the world moves on from the challenges of this pandemic. It is in this context; I would like to emphasize the role and relevance of fostering the culture of TRUST and SERVICE amongst education and its contribution to society and its well-being.

I believe education and learning must build a culture of trust in oneself and service for others, with others and the community at large. Building a culture of trust and service is an ongoing process. One must earn trust by their interaction and active collaborations. Hence, there is a need to harness partnerships among all stakeholders in higher education.

Universities provide an opportunity to evolve such partner-

ships for an effective ecosystem to nurture the culture of trust amongst students, teachers, administrators, employers, and the society at large. There exists trust between student and teacher, teacher and students, parents and students, parents and teachers, parents and university administrators and students and university with employers and overall, with the sense of service and commitment to the society.

Trust and service involve the willingness to be vulnerable and to take risks – which is critical for learning, creativity, and innovation. Along with your qualifications and learning, I hope you will carry the culture of 'trust' and 'service'. As soon as you trust yourself and offer selfless service to others, you will know how to live...and let live.

My message to all of you is the same: Irrespective of what pursuits you undertake, pursue your passion even though the path may sometimes seem circuitous. Graduation should never mean goodbye. As an alumnus of the Ramaiah University of Applied Sciences, I sincerely hope you will remain connected in some way to your university. The university is and always will be a place of interaction among extraordinary and diverse people, so please take advantage of the many opportunities to be active and engaged members of our alumni community.

On behalf of the teachers, administrators, and our illustrious alumnus, I extend my very best wishes and warmest congratulations.

Convocation Address by

Chief Guest

PROF. ANIL D. SAHASRABUDHE

Chairman,
All India Council for Technical Education (AICTE),
New Delhi

Chancellor of MS Ramaiah University of Applied Sciences Dr M R Jayaram, Dr Kuldeep Kumar Raina, Vice Chancellor, Principal Advisor Dr Pashpati Nath Razdan, Dr M Sai Baba, Registrar, Pro-Vice Chancellors Dr. Govind R Kadambi and Dr. Anindya Sen, Dean Dr. Lata Anandakrishna, HoDs, members of the faculty, guests, persons from the media, graduating students, and their parents: please accept my heartiest congratulations for holding the 6th Annual Convocation of MS Ramaiah University of Applied Sciences today the 14th March 2022.

M S Ramaiah University of Applied Sciences (RUAS)'s journey started with enactment of the University Act of 2013 with the approval from the Government of Karnataka. It brought together the M S Ramaiah College of Hotel Management (1993), M S Ramaiah College of Pharmacy (1992), M S Ramaiah Dental College (1991), the M S Ramaiah School of Advanced Studies (1999), and the M S Ramaiah Advanced Learning Centre (2012). Further, keeping with the education needs of the day, it also introduced new disciplines and programs, making it a truly multidisciplinary research university as envisioned in NEP 2020.

At present, RUAS offers undergraduate, postgraduate and doctoral programmes in Engineering & Technology, Art and Design, Dental Sciences, Pharmacy, Hospitality Management and catering Technology, Management and Commerce, Mathematical and Physical Sciences, Allied Health Sciences, Social Sciences and Law. I am pleased to note that faculty in RUAS adopt RUAS's holistic approach to education, laying particular emphasis on applied learning, and promoting a cross-disciplinary exchange of ideas.

Since its inception, RUAS has served as a platform that bridges the existing gaps between academia, industry and society. With every program it offers, the University charts its own unique path, creating students who comfortably adopt multidisciplinary thinking and are driven by a strong desire to build to a better tomorrow.

On this coveted occasion of 6th Convocation, I wish to congratulate all the graduates, medal winners and their proud parents & teachers. It is a great pleasure and honour for me to address this Convocation of RUAS, the vision of which is to enable every student to realise their full potential in becoming responsible, passionate, agile and transformative leaders through its immersive and holistic learning experience which would have positive impact on the world

of business and society. My best wishes to all graduating students and their parents and teachers.

I am thankful to the management of the trust and university authorities for inviting me on this coveted occasion. It is indeed a great pleasure and honour for me to address the Convocation Ceremony of this University, which is committed to meet Educational, Social, Cultural and Economic needs of the region and to create a just and Humane Society.

My dear graduates,

You have completed one phase of your life. Now you are going out in the world outside which is full of challenges. These challenges also provide grand opportunities. The education which you have got, friends you have made during your college days, teachers who have taught you, will take you to places. Remember the training provided to you, skillsets that you have earned will not only help you in employment but provide support to your families. The core of education imparted to you lies in inculcation of values and ethics and to create nationalistic selfless citizens. I am confident, some of you will go into higher education and then in teaching and research, some will go in administrative jobs, some shall become entrepreneurs. But the spirit of one nation despite diversities shall always keep you flying high. You would all be creators of new India, a confident India, Atmanirbhar Bharat, helping the poor and needy, in the true spirit of Antyodaya.

The NEP 2020 is a student-centric policy and reflects dreams and aspirations of the people as it has been framed following wide-ranging consultations. Provision of stress free early childhood education through games, stories, and outdoor visits in nature, emphasis on mother-tongue based early childhood education, focus on skills, Indian knowledge systems leading to well prepared children to higher education is being heralded as one of its kind in the world. The multidisciplinary universities, academic bank of credits and multiple entry and exits, support for research and innovation are some of the important student-centric features of the policy in higher education. The NEP 2020 will bring huge change in the education system. It will infuse new thinking and new energy and address the problem of unemployment and support for creating entrepreneurial eco system. May I appeal to you to read the policy, its various features and encourage students in rural and remote areas to make use of the changing environment for their and national welfare.

PROF. KULDEEP KUMAR RAINA
Vice Chancellor, RUAS

Vice Chancellor's Message

On this momentous occasion of the 6th Convocation of MS Ramaiah University of Applied Sciences (RUAS), I congratulate our beloved graduating students, their esteemed parents, and the University.

“There is nothing more difficult to take in hand, more perilous to conduct, or more uncertain in its success, than to take the lead in the introduction of a new order of things.” To herald this brave new world, RUAS has taken initiatives to develop a culture of transformation where young people can discover “who they are and why they’re here” - in a culture of freedom. We urge students to remain open to newer ideas, scientific curiosity and be the change they aspire.

The advent of technology in India has multiplied our country's potential manifold and will make many new transformations possible in the near future. Here is an opportunity for each one of you to become catalysts of this transformation. We are proud to see you achieve your desired goals and wish to congratulate all the parents and the family members who have supported our dear students.

This graduating batch has experienced one of the toughest times in the middle of your studies due to COVID19. We appreciate the gesture of our beloved students to follow the guidelines issued by the University from time to time for online teaching-learning, examinations and evaluation, etc. as a part of our commitment to give you the best. We all made it possible due to our resilience to face any tough eventuality.

I thank you all for your active participation in the **6th convocation** of our University.

I wish you great luck in future endeavors.

**Vice Chancellor's
Report**

Vice Chancellor's Report

Most revered Professor (Dr) Anil D Sahasrabudhe, Chief Guest at 6th Convocation of our University and Chairman, All India Council for Technical Education, Dr M R Jayaram, Hon'ble Chancellor Ramaiah University of Applied Sciences and Chairman, Board of Governors, Trustees, esteemed members of the Board of Governors, Board of Management and the Academic Council of the RUAS, guests from Industry and Academia; beloved degree recipients and their proud parents; representatives of print & electronic media; members of faculty and staff; ladies and gentlemen.

It is indeed a matter of great honor and privilege for me to extend a very warm and hearty welcome to you on the 6th Convocation of the Ramaiah University of Applied Sciences.

Ramaiah University of Applied Sciences (RUAS) established in the year 2013 as a State Private University under section 2(f) of the UGC Act 1956 has grown over the years.

As a fitting recognition of its achievements and pioneering role in promoting the growth and development of the well-trained human resource, Ramaiah University of Applied Sciences (RUAS) with humble beginning has now blossomed with diversification of its academic programmes. It is recognized amongst the leading privately managed Higher Education Institutions (HEI) of the country and the best of its kind in the Southern region. We have a unique campus with extraordinary potential for the development of indigenous technology, human resources and ability of its transfer to India's engineering industries. At RUAS we strive to maintain an environment that encourages scholarly inquiry and research, a spirit of creative independence and a deep commitment towards academic excellence. We see our students as unique individuals with different interests and aspirations. The diverse programs and activities aimed at developing high mental faculties, ethical standards, social awareness, and global perspectives, lets its students to shape their own future and grow.

At present, RUAS caters to about 6000 students spread across 10 Faculties which have trans-disciplinary approach of learning at Undergraduate, postgraduate

and Ph D levels. We have diverse sections of the students on the campus wherein students aim to become global citizens through enrichment of ideas.

The University offers academic programmes at the under-graduate level leading to, B. Tech, B. Design, BDS, B. Pharm, BHM, B.Sc. (Hons) – Life and Allied Health Sciences, BBA, and B. Com (Hons) degree and the postgraduate level leading to MBA, M. Tech, M.Sc., M. Des, MDS, M. Pharm, , M. Com, MHA, M.Sc. The Doctoral programme leading to Ph.D. degree is offered in all specializations wherein RUAS has expertise and infrastructural support system. All our programs and specializations are given high ranking amongst the academic peers throughout the country and overseas. RUAS continues to attract some of the most talented and highly motivated students across the country. The salient features of the programmes are semester-wise choice based credit system, letter grades, and continuous evaluation of the student performance, course-wise promotion and the flexibility to allow the students to select courses and move at an optimum pace suited to their ability, capacity and interest.

As a part of Government guidelines from the Skill Development Council of India, we have taken initiatives and started B. Voc. Programmes covering various courses on skilling, start-up and Entrepreneurship to align students and educating them towards national goals and priorities.

We all are aware that during the last two years, the COVID-19 pandemic has deeply affected normal life across including the education sector. Many challenges were faced by the students and faculty. I wish to complement our beloved students who followed the guidelines of the University from time to time. We were very much concerned about our academic commitments towards the students, Lecture delivery, timely holding examinations, and declaration of the result so that students do not loose on their academic and learning front. Our faculty and staff members were helpful and cooperative in quickly adopting to the blending learning. Today's Convocation event is one such example where in 1783 students have successfully and timely completed their degree/diploma requirements.

This brief report provides a summary of our activities, achievements, and accomplishments in the different spheres at RUAS University during the year 2021-22.

1.0 THE 6th CONVOCATION

At this Convocation, a total of 1783 degrees are being awarded: 7 in Ph.D, 453 in Post Graduate and 1187 in Under Graduate. These degrees cover a wide range of disciplines and specializations offered by the University

2.0 ADMISSIONS

Programmes offered by RUAS are duly approved by regulatory apex bodies such as AICTE, Karnataka State Higher Education Council (KSHEC), GoK, Pharmacy Council of India (PCI), Dental Council of India (DCI), Bar Council of India (BCI).

This year, due to COVID-19 situation, the admissions to all programme was different learning. The admissions to the Undergraduate were made on the basis of KCET, Comed-K, University Entrance Test (RUAS-AT), JEE rank, merit of both 10th and +2 levels Examination conducted by the Central Board of Secondary Education, New Delhi and other State Boards. The admissions to all the postgraduate programs were made through KCET, National Entrance test and RUAS-AT. I am very happy to report that we attracted meritorious students in all programmes. The Ph.D. admissions have increased significantly over the years.

3.0 CONDUCT OF PROGRAMS

This year, the academic session started in the blended mode. Orientation cum Induction program for freshers was organized in the online mode. It was designed to make new entrants to adapt to RUAS environment and understand the systems. The programmes included motivational lectures by eminent Professors and Industry Experts. Today, a well-trained engineer is expected to possess knowledge of basic and applied scientific methods, an in-depth understanding of professional competency in his/her area of specialization, versatility to work with inter-disciplinary groups and sensitivity to the needs and aspirations of the industry, and society at large.

I am pleased to share with you all, that at RUAS, we follow Choice Based Credit System (CBCS) of Curriculum. The system has an in-built flexibility for the changes, however, the minor changes, if required in the curriculum, based on the academic feed-back from the stakeholders, can be implemented at any point of time after approval from statutory committees.

All academic activities under the student life cycle module (SLCM) such as registration, conduct of examination, central repository of marks and grades of the students and student's feedback survey are accomplished using ERP system. Online facility for registration, date-sheet, seating plan and duty chart has been provided to all the concerned through this system. Usage of information and communication technology (ICT) is emphasized for the teaching-learning process as well as for the academic administration.

At RUAS, we have taken initiatives to implement the New Education Policy (NEP-2020) recommendations. A Task Force and working group has been already constituted to examine the existing processes and explore the possibilities for its full implementation from the current academic session.

4.0 FACULTY

One of the largest constraints in the growth of higher education in the country is lack of qualified and experienced resources and then attracting them to teaching fold. RUAS has made efforts for recruitment and retention of dedicated faculty who have passion for Teaching, Learning, Service and Research. The positions are publicized widely through print and electronic media. A meticulous process of evaluation that includes screening, seminar presentation, online interaction and personal interviews with a carefully chosen panel of experts is adopted. Candidates holding PhD degree and have post-doctoral experience from premier HEI's have been recruited to provide better guidance and mentorship to the students. To provide impetus to the efforts and facilitate selection and induction of highly qualified faculty members at the entry and higher levels, we entertain applications throughout the year. We have following category of faculty hierarchy in RUAS:

- Professor of Eminence
- Associate Professor
- Professor
- Assistant Professor

In addition, we have positions of Adjunct Professor/ Visiting professor, who hold rich experience of both academia and cognate Industries.

Ramaiah University of Applied Sciences celebrate Teacher's Day every year and, on this occasion, faculty and nonteaching Staff are honored in recognition of their contributions and services towards students and the University.

We conduct FDP and MDP for the faculty as a part of continuous process of faculty training and enhancing their skills. Faculty is encouraged to attend International/National Conference for sharing knowledge. Some faculty members and students presented their research findings in conference. Some of these were held in online mode this year.

Students are encouraged to present projects works & research findings in reputed Industrial exhibitions & Conference.

5.0 STIMULATING RESEARCH AND DEVELOPMENT

RUAS provides seed money support to the Young Faculty members for stimulating Research and Development environment on our campus. Many UG and PG students carry out their projects under this grant and are encouraged to publish their findings in high impact journals and patent their ideas. During the year, over 100 high impact research papers were published in reputed national and international journals listed in SCI/SSCI, and several research papers were presented /published in conferences, seminars, and workshops.

The University has actively worked with National and International organisations in government, public and private sectors to carryout research and generate knowledge for the benefit of the Society. Research Organisations like ISRO, DRDO, DST, DBT, ICMR and Central Ministries like Power, New and Renewable Energy, Human Resources, Agriculture, IT and Electronics and Industries have provided finance and research grants for advanced research. So far the University faculties have undertaken more than 50 funded sponsored research projects and have filed more than 170 patents.

RUAS has a strong focus on Applied Research. The research programmes could originate from industry, research establishments or business organizations.

The aims of Research Programme are

1. To produce researchers who can advance theory and practice in Science, Engineering, Health, Social Sciences, Hotel Management and Business, and enhance the contribution to Society
2. To encourage creativity, analytical thinking, critical analysis, and innovative problem-solving
3. To develop within each candidate the expertise and skills necessary to be an effective educator and faculty member
4. To produce graduates with advanced capabilities in leadership and managing change

Research Centers

1. Materials Research
2. Artificial Intelligence, Machine Learning and Data Sciences
3. Computational Sciences
4. Photonics, Signal Processing and Communication Technologies
5. Inter-disciplinary Centre of Excellence in Engineering and Health Sciences

6.0 RAMAIAH TECHNOLOGY BUSINESS INCUBATOR (RTBI):

RTBI under Start-up Policy is supported by the K- Tech, of Government of Karnataka (GoK). The objective of this Centre is to achieve speedy commercialization of the Technologies developed by the host Institutions to promote and nurture novel technology/innovation based start-ups RTBI aims at building a vibrant start-up ecosystem by establishing network between MSRUAS, financial institutions, industries and other institutions.

RTBI provides incubation services to start-ups like Infrastructure, Equipment, Mentoring, Branding, Networking, Legal, Financial, Technical, Intellectual Property related Services. RTBI helps the selected start-ups operating in and contributing to sectors Internet of Things, Electronic System Design and Manufacturing, Robotics and Intelligent Systems ("Technology Start-ups").

7.0 TECHNO CENTRE

Techno Centre – Engineering (TCE) is the Consultancy (Product Design, Bio Medical Design, Electronic System Design and Development) division of Ramaiah University of Applied Sciences established in the year 2000 the TCE provides technology driven engineering solutions that meet the objectives of the Clients and Entrepreneurs more over TCE consistently providing cost effective on time solutions and guidance to its vast clientele which include DRDOs, Public Sectors, Industry, Businesses, R&D Organizations and Individuals/Entrepreneurs. Till date more than 700+ projects and 200+R&D work are carried out successfully.

TCE has executed, 500+projects for Public sector unit, 100+projects for SME & MSMES (private Industries) and 15+Projects related to Biomedical Engineering. In addition, TCE has filed joint patents for in-house developed technologies.

TCE's man power comprises of a strong backbone of dedicated engineers and business team, who leverage the fundamental and applied knowledge as well as problem solving abilities available within the wide range of domain expert faculty further access to the team has teaching, training and research resources with facilities for its projects.

8.0 RECOGNITIONS AND ACCREDITATIONS

The contribution of RUAS towards maintaining excellence is always paramount. The IQAC provided active support system to ensure that we sustain the Quality in all our roles. During 2020-21, we had the following accolades:

1. NIRF 2021 Rankings: 15th Rank in Dental Category and 52nd Rank in Pharmacy category
2. ARIIA 2021 Rankings RUAS was ranked in “Best Performer” category
3. QS-I-GAUGE Advanced E-Lead Certificate awarded for period of two year valid up to Aug' 2023
4. Faculty of Dental Sciences got 13th Rank in India Today All India Rankings among Dental colleges in 2021
5. Several Expert Lectures on Quality processes have been carried by Quality assurance cell. It has benefitted our students and faculty.

9.0 CAMPUS PLACEMENT

In the academic year 2020-21, there were 210 companies visited RUAS for campus hiring. Total 756 job offers were given to our students in which 493 students have unique job offers through campus placement. About 25% students have joined higher studies. There were International Placement in different companies in Japan and the highest national package in 2020 - 21 was Rs. 23 Lakh per Annum. Following is the list of some top organizations who visited RUAS for 2020/21 recruitment:

10.0 INTERNATIONAL/NATIONALCOLLABORATIONS/MOUS

In 2021, RUAS University signed MoU with several premier organization for Academic, Research & Industry support. Some of these are:

- Ooble Innovations Pvt. Ltd.
- Star Health and Allied Insurance Company Ltd.
- Docplexus Online Services Pvt. Ltd
- Nyro Research India Pvt Ltd
- Ghana Technology University College Tesano, Accra, Ghana
- Kazan National Research Technical University, Kazan, Russia
- Stevia World Prakruthi Building, , Peenya Industrial Area, Bangalore 560058
- University of Memphis,USA.

These MoUs will enable RUAS University faculty & students to share knowledge throughout the Academic Collaboration & Training.

11.0 STUDENTS ACTIVITIES

- a) Workshop on Self-defence: A work shop on Self-defence was held on 28th and 29th Jan 2021 in GG Campus and Peenya Campus respectively. Ms. Manisha M K 3rd Don Black Belt Holder and Certified Karate Coach & Referee, Karate Association of India (KAI).
- b) Staff Cricket Tournament: Inter Faculty Tennis Ball Cricket Tournament for Staff was held on 13th March, 2021 in MSR Sports ground. Nine teams participated in the tournament (FDS, FPH, FHMCT, FMC FLAHS, University House, Peenya Staff, Workshop, Techno Center and FMPS).
- c) Inauguration of 2 NSS Units : The University got the approval for starting 2 Units for NSS with 100 student volunteers Faculty. These NSS Units of RUAS will offer the students a platform for community service and will develop a sense of participation in the tasks of nation building.

12.0 CORPORATE SOCIAL RESPONSIBILITIES & CELEBRATION OF NATIONAL EVENTS

a) Social Responsibilities:

- Donation from GEF(M) to Chief Minister Fund for Covid Relief measures
- RUAS University had taken initiative on Unnat Bharat Abhiyan (UBA) which is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. In this initiative we adopted 5 nearby village namely Kaiwara, Chikkaballapur, Jakkanahalli, Bangalore Rural, Rajagere, Tumkur District, Melluru, Ramanagara District, Kanna Halli, Bangalore Urban to help for holistic development.

b) National Events:

- Republic Day: On January 26, 2022, India is celebrating its 73rd Republic Day. The day has a significance as it was on January 26, 1950, the Indian Constitution came into effect.
- Anusandhan Diwas also celebrated by the Research Club of RUAS University on the birthday of our former President and a great scientist Dr. A.P.J. Abdul Kalam, held on 15th October 2021. It is a day dedicated to research and innovations will have pre and post-lunch sessions. In the pre-lunch there will be a lectures-series of prominent national and international speakers. The post-lunch session will have an International Seminar on Innovative Ideas - 2020.
- Inauguration of Materials Research Laboratory: New Materials Research Laboratory is inaugurated on 23rd August, 2021 in the C-Block, Peenya Campus, RUAS. The laboratory is inaugurated by the Hon'ble Vice Chancellor, Prof. K.K. Raina accompanied by Prof. Govind R Kadambi, Pro-Vice Chancellor Research, Prof. D.C. Sundaresh, Pro-Vice Chancellor – Health Sciences, Prof. M. Sai Baba, Registrar, Dr. K. M. Sharath Kumar, Director Research, Deans and HODs.
Currently there are three ongoing DST-SERB funded projects being executed in the laboratory under the supervision of Dr. H.B. Premakumar, Dr. S.O. Manjunatha and Dr. Deepak Kumar. The Laboratory is equipped with High Temperature Furnaces, Probe Ultra-Sonicator, High Precision Weighing Balance, Hydraulic KBr Pelletizer, UV chamber, Photo-catalytic work station and HPC facility "Trishul". Trishul is the combination of high-end workstations/servers with 120 core processors installed with VASP (Vienna Ab-initio Simulation Package) software (licensed).

Citation for IPR_KSCST Award to Professors S. Bharath and Govind R Kadambi:

RUAS congratulates Prof. S. Bharath, Dean - Faculty of Pharmacy and Prof. Govind R. Kadambi, PVC-Research for being recommended for Citation as a part of Karnataka State Council for Science and Technology (KSCST) IP Awards & Rewards - 2021, Government of Karnataka.

Prestigious "Sir M V Memorial Award" to Hon'ble Chancellor

RUAS is happy to share that our Hon'ble Chancellor Dr. M. R. Jayaram received prestigious "Sir M Visvesvaraya Memorial Award" constituted by the Federation of Karnataka Chambers of Commerce and Industry (FKCCI) on 18th August 2021 at Banquet Hall, Vidhana Soudha, Bengaluru. 14.0 ACKNOWLEDGEMENT

I would like to take this opportunity to express our gratitude, on behalf of my colleagues and on my personal behalf to Dr. M. R. Jayaram, Chairman, BOG, RUAS University for his personal commitment to our goals and constant support in our efforts to pursue excellence. Our thanks are also due to all members of the Board of Governors, the Board of Management, Academic Council and other statutory bodies of the University for their interest and valuable guidance in the development of the University.

Finally, I conclude by conveying my heartiest congratulations and best wishes to each one of awards/medal winners and degree recipients for their special achievements. We are confident that your stay with the University has enabled you to imbibe the process of lifelong learning and to take up challenging careers ahead. We will always be keen to hear about your successes. We wish you and your families all the best.

Last, but not the least, I express my deep sense of gratitude to our collaborators, our faculty, administrative and supporting staff and students for their cooperation in furthering the progress of the University to achieve its goals of excellence.

National Anthem

Jana-gana-mana-adhinayaka, jaya he
Bharata-bhagya-vidhata
Punjab-Sindhu-Gujarata-Maratha-
Dravida-Utkala-Banga
Vindhya-Himachala-Yamuna-Ganga
Uchchala-Jaladhi-taranga
Tava shubha name jage
Tava shubha ashish maange
Gahe tava jaya-gatha
Jana-gana-mangala-dayaka jaya he
Bharata-bhagya-vidhata
Jaya he, jaya he, jaya he
Jaya jaya jaya, jaya he !

The following is Tagore's English rendering of this stanza:

Thou art the rulers of the minds of all people,
dispenser of India's destiny.
Thy name rouses the hearts of Punjab, Sind,
Gujarat and Maratha, Of the Dravida and Orissa
and Bengal;
It echoes in the hills of the Vindhyas and
Himalayas, mingles in the music of Yamuna and
Ganga and is chanted by the waves of the
Indian Sea. They pray for thy blessings and sing
thy praise. The saving of all people waits in thy
hand, thou dispenser of India's destiny,
Victory, victory, victory to thee.

After the national anthem, the dignitaries on the dias leave the auditorium in ceremonial procession. The audience are requested to stand till the ceremonial procession is completed.

Pledge

"I pledge my knowledge and intellectual attainment to humanity. I shall use it in a manner befitting the honour and dignity of my country and of my alma mater. I shall make every effort, in all circumstances, to uphold the dignity of my profession and integrity of character. I shall endeavour, in every way, through thought, word and action, to bring about the well being of people. I shall live a well-disciplined life and shall never forget the commandment of the sacred scriptures and University Motto:

"Thou shalt perform deeds that are commendable and no others."

"Truth Triumphs; Falsehood Never"
