Dr. M.R. Jayaram

Chancellor, MSRUEAS

Chancellor's Message

Dear M S Ramaiah University of Applied Sciences Graduands,

I am honoured to extend my warmest congratulations to each one of you on reaching this momentous milestone in your academic journey. Today, as Chancellor of M.S. Ramaiah University of Applied Sciences, I am filled with great pride and joy as we celebrate your achievements and dedication while looking at the limitless potential that lies ahead of you.

Graduating from M.S. Ramaiah University of Applied Sciences is no small feat; it is the culmination of years of hard work, perseverance, and a commitment to excellence. Your journey has been marked by countless hours of study, exploration, and personal growth. Today, you stand on the threshold of a new chapter, well-prepared to contribute to the world in meaningful and impactful ways.

During your time at M.S. Ramaiah University of Applied Sciences, you have not only acquired knowledge but have also developed critical thinking skills, resilience, and a deep sense of commitment to the better of the community at large. These attributes, coupled with the values instilled by our esteemed University, will serve as a solid foundation for the challenges and opportunities that await you in the future.

As you step into the world beyond the Campus, I encourage you to embrace the spirit of lifelong learning. The world is ever-changing, and your ability to adapt and learn continuously will be a key to your success. Remember that your education and connect with the University does not end with today's graduation; it is a beginning of a lifelong journey of discovery and growth. The University always has open arms to welcome you back in whichever way it takes. I have full confidence that you, the graduating class of 2023, will make a positive impact on world at large transforming the lives of people. Whether you enter the workforce, pursue further studies, or embark on new ventures, I believe that your passion, knowledge, and leadership will contribute to a brighter and more sustainable future.

As you celebrate this significant achievement with your family, friends, and fellow graduates, take a moment to reflect on the remarkable journey you have undertaken. Cherish the memories, friendships, and lessons learned, for they are an integral part of your unique academic tapestry. Once again, congratulations on your well-deserved success. May your future be filled with continued accomplishments, fulfilment with boundless opportunities.

I wish you the very best in all your future endeavours.

Prof. J.N. REDDY

Honorary Distinguished Professor,
Texas A&M University, USA
& Member - National Academy
of Engineering, USA

Chief Guest's Message

Good morning, Chairman, Dr. Jayaram, the members of Board of Governors of MSRUAS, Chief Executive Officer Mr. Sreenivasa Murthy, Vice Chancellor, Kuldeep Raina, Teachers, Parents, and the graduating class of 2023.

All my life, after graduation with a PhD, I have been a teacher. I absolutely enjoy teaching, guiding, mentoring, and preparing the students for the work place. Many a times I have been on both sides of this stage, listening to boring speeches - and even dozing off. So, I promise to make my remarks short but hopefully useful to you as you step into the world as a worker. I also state that everything I say here is already said by someone, somewhere, and in some form or the other. I only hope that you will remember the value of what is said rather than who said it. One thing I assure you is that I have not used ChatGPT to create my speech here.

Get a job, work hard, innovate, create, lead, fall in love, get married, setup a family, get rich, get famous, but be kind to others. People will not remember what you said or what you did, but they will remember how you made them feel.

The time you spend at work is a substantial part of your life; and the only way to be happy is to do what you believe is good and useful to the institution you work for and ultimately to the society we live in. If you haven't found happiness at work place yet, keep trying, and never give up. Happiness at work is peace and happiness at home.

I will not tell you that you will go out and solve world's problems. Doing your job (at the work place) as splendidly

as you can is what matters the most. If many of you do that, the world will automatically become a better place to live.

Dream high and work hard to achieve your dream. The easy days ahead of you will be easy. It is the hard times that challenge you to your very core that will determine who you are. The question is not if you will fail. You will. But if you accept your failures and handle them right, the learning that comes from the failures can be a catalyst for success. You will be defined not just by what you achieve but by how impactful it is to the society. Take pride in whatever little you do, because collectively we do move the world. Impact is made by those who do something not being somebody.

Learn to balance your life doing good things at work, discharging responsibilities to family, and spending time and money in helping others. There are things you can do to lift the human spirit, things that are free, things that you can do every day: civility, respect, and kindness to others.

In closing, I want to thank as well as commend each and every teacher, parent, companion, and friend whose hard work, advice, mentorship, support, and even sacrifice have made your travel through college life easier and comfortable. So, take a moment to thank them, in whatever form you deem appropriate and as often as you feel like.

I wish each and every one of you a life filled with peace and happiness - happiness that comes from doing something that matters for yourself, your community, and the world.

**Prof. Kuldeep
Kumar Raina**
Vice Chancellor, MSRUAS

Vice Chancellor's Message

It is with immense happiness that M S Ramaiah University of Applied Sciences (MSRUAS) is holding the 8th Annual Convocation. I applaud our beloved graduating students, medalists, their esteemed parents, and the University fraternity. 1864 students including 23 PhD researchers will be conferred the graduation certificates on this occasion. Indeed, a proud moment for the University and graduates.

The academic session 2022-23 year started with great enthuse. The offline classes on the campus became a normal mode of teaching-learning process after the admissions. This year was very memorable to us. We celebrated the birth centenary year of our Founder Chairman Dr. M.S. Ramaiah. Many events were initiated by each faculty for this celebration as a tribute to his contributions. Shri. Jagdeep Dhankhar ji, Honorable Vice President of India initiated the centenary celebration. Nobel Laureate Dr. Kailash Satyarthi ji and many eminent personalities visited our campus to deliver expert talks in conferences, seminars and workshop discourses. Our students took active part in designing and fabrication of 'Ramaiah Sat' to mark the 75th year of our Independence which coincided with the centenary celebrations. Ramaiah University students participated in several National competitions, Hackathons, Industry visits, Outreach programs etc.

I am happy to share that MSRUAS is catering to 127 programs at UG, PG and PhD levels. We are on the growth trajectory and I see it as a significant development in ushering into a truly multi-disciplinary university with varied specializations. We have created uniqueness in all the

programs as per the national and global benchmarks and needs.

I am certain that this graduating batch must have imbibed best practices of teaching-learning and service to society. We encourage our students to take active part in academics and co-and extra-curricular activities. We want to create complete human beings with beautiful minds of creativity and innovation from our campus. They must be confident to stand on their own and face global challenges of problem solvers in their respective knowledge domains. You are the torch bearers of developing "Viksit Bharat" very beloved graduands!

I thank you all for your active participation in the 8th convocation of our University and wish you great luck in your future endeavours.

Jai Hind

Vice Chancellor's Report

Vice Chancellor's Report

Most revered Professor J.N. Reddy, Distinguished Professor, University of Texas, A&M and Chief Guest at the 8th Annual Convocation of our University, most respected Dr. M R Jayaram, Chairman, Ramaiah Group of Institutions and Hon'ble Chancellor, M S Ramaiah University of Applied Sciences (MSRUAS), Hon'ble Trustees of the Gokula Education Foundation (GEF-M), Shri M R Sreenivasa Murthy, Chief Executive GEF (M) esteemed members of the Board of Governors, the Board of Management and the Academic Council of the RUAS, distinguished guests from the Industry and Academia, beloved degree recipients and their proud parents; representatives from print & electronic media; members of the faculty, staff, ladies and gentlemen.

Namaste!

It is indeed a matter of great honor and privilege for me to extend a very warm and hearty welcome to you all on the solemn occasion of the 8th Annual Convocation of our University. We are grateful to Prof. J. N. Reddy, for kindly agreeing to be the chief guest and sparing his valuable time with us on this occasion. Professor Reddy has made significant contributions to global education through his Teaching-Research-Service. I am certain that your presence and address will motivate not only our young students but one and all present. Our sincere thanks and gratitude to all our esteemed guests for their gracious presence at this graduation day!

The year 2022-23 was very special to us in the Ramaiah Group of Institutions. It coincided with the Centenary celebrations in the memory of our founder Chairman Karma Yogi Dr. M S Ramaiah ji. His vision inspired us to build a better society with great future. The Ramaiah group has been contributing to empowering youths of this nation by nurturing them with quality higher education and skills par-excellence in almost all areas of specializations. Several initiatives are taken by each institution across the Ramaiah Group to commemorate the centenary celebrations in the form of conferences, workshops, outreach activities across schools and society. Our "Shat Shat naman" to the noble soul.

Hon'ble Vice President of India Shri Jagdeep Dhankhar ji was the Chief Guest at the centenary celebrations. Dr. Kamlesh Satyarthi, Nobel Prize awardee and many experts visited us on campus, actively participated in these celebrations throughout the year.

63rd Annual Conference of National Academy of Medical Science (NAMSCON- 2023) was held in MSRUAS on 7th October 2023. Sri Thaawarchand Gehlot, Hon'ble Governor of Karnataka was the Chief Guest. Professor S P S. Baghel, MOS, Health and Family Welfare, GOI and Dr Jitendra Singh, MOS Science & Technology were Guests of Honour.

We all know and feel proud that India took great leap in the indigenous development of Chandrayan-3. This successful mission has inspired every one of us in the country and especially the curious young minds in our University. I am happy to report that this year the students of Ramaiah University developed "Ramaiah-SAT" project at a cost of over Rs 1 Crore. It was a joint work in collaboration with Indian Technology Congress Association (ITCA). This project with a cost of over Rs 1 Cr was developed by our students in collaboration with (ITCA). The objective of this satellite mission was to educate students in design, development, manufacturing, integration, testing, launching, and monitoring of satellites. About 100 students across the disciplines associated with this project were provided training by ITCA and our esteemed faculty members.

Dr. M R Jayaram, Hon'ble Chancellor, MSRUAS inaugurated the ground station of "Ramaiah SAT" on Ramaiah Technology Campus.

We believe that this project and many others being carried out at our University which will inspire and inculcate a culture of innovation and global competition among our budding students. Several International Exchange and immersion Students programs were conducted between MSRUAS and Foreign universities.

M S Ramaiah University of Applied Sciences (MSRUAS) established in December 2013 as a State Private University under section 2(f) of the UGC Act 1956, has grown over the years. This year we are also celebrating a decade of our existence towards excellence as a university. With a humble beginning in 2014, having seven faculties, today we have 13 faculties/schools and offer 127 varied specializations in academic programmes at Undergraduate, Postgraduate and Ph. D levels. We are recognized amongst the leading privately managed Higher Education Institutions (HEI) of the country and the best of its kind in the Southern region. Our university holds an extraordinary professionalism capabilities and potential for the development of indigenous technology, human resources, and ability to transfer into India's corporates. At MSRUAS, we strive to maintain an environment that encourages scholarly inquiry and research, a spirit of creative independence and a deep commitment towards academic excellence. We see our students as unique individuals with different interests and aspirations. The diverse programs and activities aimed at developing high mental faculties, ethical standards, social awareness, and global perspectives, help our students to shape their own future and growth.

Our students come from diverse sections of society and aim to become global citizens through enrichment of ideas, creativity, innovation and entrepreneurship. I am pleased to inform that RUAS continues to attract most talented and highly motivated students for admission.

Vice Chancellor's Report

The salient features of the academic programs are semester-wise, letter grades, and continuous evaluation of the student performance, course-wise promotion and the flexibility to allow the students to select courses and move at an optimum pace suited to their ability and interest. However, program's structure, duration and deliverables are as per the directions of the regulatory bodies.

We are very keen in developing trained professional workforce in the country to meet global challenges of human resource requirements in high tech. corporates in the diverse areas. We took several initiatives in this direction and started Bachelor of Vocation (B Voc) Programs covering various courses on skilling, start-up and Entrepreneurship to align students and educating them towards national goals and priorities. We indeed can meet the aspirations of not only the youth of this Nation but the global community with focus towards wholistic education provider which is also in tune with the Education Policy of our country.

We received several accolades through Assessment & Accreditation Bodies for our programs:

Ramaiah Medical College received NAAC A+ Grade with **NIRF Rank 43**

The Faculty of Dental Science obtained **NIRF Rank 14**

The Faculty of Pharmacy bagged **NIRF Rank 65**

The Faculty of Hospitality and Catering Technology was accredited by the **National Board of Accreditation (NBA)** for a period of three years.

QS-I-GAUGE has ranked RUAS at "Gold" Category

All our programs are recognized by peers and regulators in Higher Education domains. These milestones were possible with the full support from the Management, Trustees and the hard work put in by faculty, students, and staff.

Dear students, I'm pretty sure you must have faced many challenges while pursuing education particularly during the COVID times when you had just initiated your professional journey here in RUAS. Believe me, we were very much concerned about our academic commitments towards beloved students especially in class participation, efficient lectures delivery, providing learning resources, conduct of examinations, evaluation and declaration of the result on time so that you don't lose on the academic-learning and creativity front.

I wish to complement our beloved students who followed our advice and the guidance of the University from time to time. I express my gratitude to your esteemed parents for their understanding, believed in our commitment and provided full support to our advice towards their wards.

Today's Convocation is one such event **wherein 1864**, students have successfully and timely completed requirements for the award of their respective degree.

This brief report provides a summary of our activities, achievements, and accomplishments in the different spheres at RUAS during the year 2022-23.

1.0 THE 8th CONVOCATION

At this Convocation, a total of **1,864** degrees and **37** Diploma certificates for B.Voc are being awarded:

Out of 1,864 degrees, 23 Ph.D, 1 MS by Research, 625 Postgraduates and 1,215 Undergraduates.

These degrees cover a wide range of disciplines and specializations offered by the University.

I am heartening to report that at 40%(793) female students are recipients of degrees at this convocation.

83 students (37 Gold, 46 Silver) will receive medals/awards for their outstanding and meritorious academic, scholastic, and all-round performance.

Medalists Categories:

| Category | Programme | No. of Students awarded |
|--|---------------------------|-------------------------|
| Dr. M S Ramaiah Gold Medal for Best Overall Academic Excellence Award | UG | 23 |
| | PG | 14 |
| Smt. Venkatamma Ramaiah Silver Medal for Second Best Overall Academic Excellence Award | UG | 23 |
| | PG | 14 |
| Smt. Gowramma Ramaiah Silver Medal for Best Dissertation Award | PG | 09 |
| | Total no of Awards | 83 |

On behalf of the Management, faculty, and staff of the University, and on my personal behalf, I extend heartiest congratulations to all the degree recipients on successful completion of their academic programmes, and to all those who are recipients of Medals, Prizes, Awards, and Scholarships for their outstanding academic performances and achievements.

2.0 ADMISSIONS

All the academic Programmes offered by MSRUAS are duly approved by regulatory apex bodies such as All India Council for Technical Education (AICTE), National Medical Council (NMC), Karnataka State Higher Education Council (KSHEC), Pharmacy Council of India (PCI), Dental Council of India (DCI), Bar Council of India (BCI), Indian Nursing Council (INC) etc. The admissions to the Undergraduate and Postgraduate programs were made based on score in competitive Examinations like NEET, KCET, Comed-K, JEE mains and University Entrance Test (RUAS-AT). I am very happy to report that we attracted meritorious students across the country in all programmes. The strength of full time Ph.D. students has increased significantly over the years.

I am glad to present to this august audience that academic programs offered in MSRUAS are one of the most sought after in the state as well as National level.

It is heartening to inform that the Academic session 2023-24 started in the normal physical interaction mode on the campus. The orientation cum Induction programs for freshers were organized for about two weeks. It was designed to make new entrants adapt to the environment and understand the academic eco-system at MSRUAS. Motivational lectures were delivered by eminent Professors, corporate experts, and our beloved Alumni. We are aware that a well-trained professional is expected to possess knowledge of basic and applied scientific methods, an in-depth understanding of professional competency in his/her area of specialization, versatility to work with inter-disciplinary groups and sensitivity to the needs and aspirations of the industry, and society at large.

The academic system in MSRUAS encourages an in-built flexibility and choice of courses across streams. The respective Board of Studies deliberate on it and approval is granted from the Academic Council. However, the minor changes, if required in the curriculum, based on the academic feed-back from the stakeholders, can be implemented at any point of time after approval from statutory committees.

All academic activities under the Student Life Cycle Module (SLCM) such as registration, conduct of classes, timetable, examination cum digital evaluation, central repository of marks and grades of the students and student's feedback survey etc, Alumni connect are accomplished using ERP system. Online facility for registration, date-sheet, seating plan, and duty chart hall ticket have been provided to all the concerned users through this system. Usage of Information and Communication Technology (ICT) is emphasized for the teaching-learning process.

3.0 FACULTY

MSRUAS is making every possible effort for recruitment of professionally competent and experienced faculty to teach and train our beloved students in every aspects of their learning. The dedicated faculty who have passion for Teaching, Learning, Service and Research are one of our most important assets. Candidates holding PhD degree, post-doctoral experience from premier Higher Education Institute (HEI's) have been recruited to provide better guidance and mentorship to the students. To provide impetus to the efforts and facilitate selection cum induction of highly qualified faculty members at the entry and higher levels, we entertain applications throughout the year and follow the established norms for their hiring.

We have appointed distinguished professionals with corporate experience and expertise as Professor of Eminence, Professor of Practice, Adjunct Professor, Visiting Professor. They bring in rich experience of both academia cum cognate corporates and administration to support the experiential learning culture at the RUAS.

We encourage faculty members to have liaison with our overseas collaborators for joint academic and industrial research projects, Publications and post-doctoral work. I am happy to report that during 2023, several of our faculty members were nominated to overseas organizations. Dr. Krishnamurthy J attended international academic events in the University of Manitoba, Nairobi and University, Albany, USA. Dr. Shivanand B S, from FLAHS received Belgium Development Co-operation fellowship. Dr. Tapasi Ghosh visited University of South Carolina, USA for joint research collaboration. Dr. Varun and Dr Karthikeyan from FET carried out post- doctoral research work in University of Colorado, USA.

40 faculty members received awards & citations in various prestigious events in India and overseas. M S Ramaiah University of Applied Sciences celebrates Teacher's Day every year and, on this occasion, faculty and staff are honoured in recognition of their contributions and services towards students and the University.

We have established new Centres in RUAS during 2022-23:

- 1) Centre for Professional Development & Training
- 2) Centre for Entrepreneurship
- 3) Centre for National Security Studies (CNSS)

These centres shall play a significant role to skilling faculty training and develop their capabilities further.

Centre for Entrepreneurship will train our students and align their interest towards choosing start-up and entrepreneurship and Innovation as a profession. We have introduced a subject on Entrepreneurship and Innovation for all undergraduate students in 3rd or 4th semester. I am certain that with these newer initiatives, our students will become job providers rather than job seekers and fulfil the aspirations of our national in developing economy.

The mission of CNSS is to safeguard the nation from the current threats in cyber space etc. The students will be trained in this direction and develop competency in human resource for our nation.

The University has set up a Central Library which is integrated with six well equipped libraries in various faculties/- schools on both the campuses. It houses archives, latest collection of books and e-resources. The faculty and students make best use of this facility.

4.0 STIMULATING RESEARCH AND DEVELOPMENT

Research is an integral component of academic learning and knowledge creation at our University. MSRUAS ensures a vibrant eco-system for research with numerous dedicated and well-equipped Research Centres across the multi-disciplinary specializations.

In this year under reference, faculty members published over 500 research papers in high impact International/ National Journals listed in Scopus/WOS/SCI/SSCI. About 603 research papers were presented/published in conference proceedings, seminars and workshops. I am happy to share that the MSRUAS has achieved h-Index of 52 in a short span of time.

MSRUAS provides financial support to its faculty members in the form of Seed Money Research Grant, from its own resources for stimulating their Research and innovative ideas. An amount of Rs 2.5 Crore was provided to faculty members for the selected projects after proper evaluation. Several UG/PG and PhD students also carry out their dissertations and research projects under this grant. The outcomes are accessed in the form of good quality publications in high impact journals with a goal to patent the ideas. To give further boost to our research programs, we provide Fellowships to full time PhD students (40 JRF and 20 SRF). 10 Post PhD fellowships are also provided to students. It will certainly encourage students to work on futuristic cutting edge thrust area of research which align towards to local/national priorities and goals.

The University has been actively working with National and International organizations in government, public and private sectors to carryout sponsored research and create knowledge for the benefit of the society. Research Organizations like ISRO, DRDO, DST, SERB, DBT, ICMR and Central Ministries like Power, New and Renewable Energy, Human Resources, Agriculture, IT and Electronics and Industries have provided financial support in the form of sponsored research grants. The University faculties have undertaken more than 131 funded sponsored research projects and have filed more than 46 granted patents, 113 filed patents and 256 published patents.

The research programs could originate from industry, research establishments and/or business organizations.

The focus of the applied Research Program is:

1. To produce researchers who can advance theory and practice in STEM, Health, Social Sciences, Hotel Management and Business, and thus enhance the contribution towards Society.
2. To encourage creativity, analytical thinking, critical analysis, and innovative problem-solving
3. To develop within each candidate the expertise and skills necessary to be an effective educator
4. To produce graduates with better capabilities in leadership and managing change considering the expertise available and future trends

Centres of Excellence are being set up in the following broad areas of specialization:

1. Health and related Science
2. Materials Research
3. Artificial Intelligence, Machine Learning, Data Sciences and Computational Sciences
4. Photonics, Signal Processing and Communication Technologies
5. Computational Science

5.0 RAMAIAH TECHNOLOGY BUSINESS INCUBATOR (RTBI):

RTBI is a non-profit entity under Start-up Policy supported by the Government of Karnataka (GoK) and RUAS. RTBI provides incubation services to start-ups like Infrastructure, Equipment, Mentoring, Branding, Networking, Legal, Financial, Technical, Intellectual Property related Services. RTBI helps the selected start-ups operating in and contributing to various sectors like Internet of Things (IoT), Electronic System Design and Manufacturing, Robotics and Intelligent Systems. RTBI supports to achieve speedy commercialization of the Technologies developed by the host Institutions to promote and nurture novel technology/innovation-based start-ups. RTBI aims at building a vibrant start-up ecosystem by establishing a network between RUAS, financial institutions, industries, and other institutions. 18 technology start-ups are working under RTBI. Many technologies developed under RTBI umbrella are patented. RTBI completed the 1st phase of 5 Years term (2018-23). I am happy to report that the scheme is further extended till 2024.

6.0 TECHNO ENGINEERING CENTRE

The Techno Centre (TEC) was established on our Technology campus in the year 2000. Its focus is towards Consultancy, in the areas of Product Design, Bio-Medical Design, Electronic System Design and Development division of Ramaiah University of Applied Sciences. During the last decade, this center has provided cost effective, on time solutions and guidance to its vast clientele, which includes Public Sector organizations, Industry, Businesses, R&D Organizations and Individuals/Entrepreneurs.

This Centre has executed, 525+projects for Public sector unit, 100+projects for SME & MSMES (private Industries) and several Projects related to Biomedical Engineering. Patents have been filed for in-house developed technologies **and transferred the technologies to industries for further commercialization program.**

The manpower support comprises team of dedicated engineers, our expert faculty members, the business team, and students. It provides insights in the practical aspects of our engineering problems solutions at UG and PG levels. The faculties and faculties at TEC are being further strengthened and cover cutting edge emerging technologies in its domain.

7.0 RAMAIAH ADVANCED LEARNING CENTRE (R-ALC):

The Ramaiah Advanced Learning Centre (ALC) is a first of its kind, state-of-the- art facility in India. Established in the year 2012 by the Gokula Education Foundation (Medical), it provides a platform for Skills training in both Surgical as well as medical specialties for students as well as Professionals from all health Science verticals. The Centre, within the 50,000 sq feet area has simulation labs with simple manikins to high-end virtual simulators like the SimMan 3 G, Lap -mentor, Broncho-mentor.

The under-graduate as well as Post graduate students from the Medical College as well as Nursing College students undergo skills training in these labs under the supervision of their faculty. The Surgical skills training lab in this center is one of the biggest in the country with 16 stations where hands-on- training in various surgical specialties like Orthopedics, Neuro-surgery, OB-GYN, ENT, Ophthalmology and others is conducted. From Basic anatomy to Robotic training in laparoscopic as well as joint replacement surgeries happen regularly. Many R & D as well as validation for implants and other collaborative projects with Industry partners are hosted. I am very pleased to inform that more than 25,000 delegates from across the country and overseas have been trained at the center .

The Centre also has a State Government recognized Tissue Bank which provides bone allografts and other tissues.

8.0 CAMPUS PLACEMENT

The academic year 2023-24 saw a very good growth in the campus recruitment drive. Training Session were conducted on soft skills, finishing school and corporate training. 150+ companies visited MSRUAS for campus hiring. The highest salary package of 22.7 LPA offered to our graduates from Science and Engineering Group and 30.22 LPA from Social Science Group, reflects the quality of education and skills they acquire during their time at the University. More than 25% students opted to join higher studies in Premier institutions in India and overseas. Our efforts are on for providing better job opportunities to the students for career growth. Career Guidance and Counselling sessions are provided by the Directorate of Training and Placements from time to time which proves very effective.

9.0 INTERNATIONAL/NATIONAL COLLABORATIONS/MoUs

During 2022-23, MSRUAS signed 24+ Memorandum of Understanding (MoU) with several premier organizations and corporate training for Academic, Research & Industry support. Some of these are:

- Peenya Industries Association
- Bangalore Machine Tools Manufacturers Network.
- Project Management Associates
- Indian Technology Congress Association (ICTA)
- TSC Technologies (TSC), Bengaluru
- L & T Technology Services Ltd
- Mobility India
- Army 515
- International Skill Development Corporation Projects India Pvt. Ltd.
- Ghana Technology University College, Ghana
- IEEE Technology and Engineering Management Society -INDIA
- Remidio Innovative Solutions Pvt. Ltd.
- Schevaran Cleanfix Academy of Cleaning Sciences Pvt. Ltd.
- ISDC project India Pvt Ltd(Bengaluru)

These MoUs will enable RUAS University faculty & students to share knowledge throughout the Academic Collaboration & Training.

10.0 STUDENTS ACTIVITIES

Cultural & Club activities:

Throughout the academic year, several cultural activities, competitions and Student Club events were organized. It provided opportunities to students to showcase their hidden talent. Few such events are:

- “La Scena...” Inter-University Drama Fest organized by Anubhooti... Drama Club on the occasion of World Theatre Day on 31st March 2023
- An Exhibition cum Workshop to promote photography was organized by “Capture Through Lens” Photography Club on world photography day on 26th August 2023.
- TEDxRUAS organized the 3rd edition on 9th Nov 2023.
- Karnataka Rajyotsava celebrations were held in both campuses during November 2023.
- RUAS students participated in various inter college/university events and won prizes.

Sports activities:

- Inter faculty competitions in basketball, volleyball, throwball, football, badminton, table tennis, carom, chess, kho kho was conducted.
- National Sports Day was celebrated for students on 29th August 2023. Various sports competitions were held.
- International Day of Yoga was organized in collaboration with Ministry of Tourism, Bengaluru office, Govt. of India on 21st June 2023.
- Mr. Sibankur Chakraborty student of FET, 2nd year ECE department has bagged silver medal in MMA (amateur) and Gaurav Kumar Rai of ME Branch FET has bagged bronze medal in MMA pro in International Kickboxing/MMA championship held on 16th and 17th of September 2023 at Nagpur.
- Mr. Krishna Rao Shinde from FMC secured first place and bagged gold medal in 10 MTR AIR RIFLE MEN shooting during the DASARA GAMES CHIEF MINISTER'S CUP organized by Karnataka State Rifle Association from 16th to 18th October 2023. At Sports Authority of India (SAI) Bangalore.
- RUAS Handball women team bagged 3rd place in SPORTSTAKES-2023 Inter University Sports Fest organized by St. Joseph's University, Lalbagh Road, Bengaluru from 10th April to 11th April 2023.

11.0 CORPORATE SOCIAL RESPONSIBILITIES & CELEBRATION OF NATIONAL EVENTS

The NSS Units & Rotaract MSRUAS club have been very active in conducting programs and events of societal relevance.

- A workshop on ill effects of Drugs usage was held on 17th July 2023 in RT campus.
- Blood donation camp was held on 27th July 2023 in RT campus.
- A financial awareness talk was held on 12th Aug 2023 titled **“Her Money Talks”** in GG campus.
- A Walkathon was organized on Independence Day in and around the GG campus.
- Rotaract Club of MSRUAS co-hosted Rotary District 3192 Youth Service Inter City General Forum (ICGF) – “Synergycon” Empowering the Youth-Building the Nation event on September 17, 2023.
- Rotaract MSRUAS was associated with World Peace Day Celebration “Vishwa Shanti – India’s Contribution to World Peace” event on September 23, 2023.
- On 2nd Oct 2023, Menstrual Hygiene Awareness Drive was organized at multiple Girls’ Home in and around Bangalore.
- NSS & Rotaract MSRUAS student volunteers joined hands with E Teach India to celebrate Wildlife Week Celebration organized between 2nd to 4th Oct 2023, at Bannerghatta Biological Park.
- On 8th Oct 2023, along with an NGO, BHUMI, organized Collaring the Streeties (Street Dogs).
- Blood donation camp was held on 21st Nov 2023 in RT campus.

12.0 ALUMNI ASSOCIATION

The alumni are the most important stakeholders of our university. We have a registered Alumni Association which brings all our students on one platform. Several activities have been carried out at the Faculty and University level. We value the various contributions towards their alma-mater as brand ambassadors.

- Alumni Association held three General Body meetings to discuss the action points for the upcoming year.
- Alumni meets were conducted by FDS, FLAHS, FHMCT, FET (MME, EEE, CE, ASE, CSE). We had a very good participation from our beloved Alumni.
- Alumni talks were conducted in various faculties and also during the Orientation cum induction program.
- Alumni were invited by FMC as Speakers for a Management Development Program

13.0 RECOGNITIONS AND ACCREDITATIONS

The contribution of MSRUAS towards maintaining excellence across the professional domains and services is always paramount. The IQAC provided active support system to ensure that we sustain the best Quality as an institution of higher learning and responsibilities. During 2022-23, MSRUAS received following accolades:

1. In the NIRF 2023 rankings, Faculty of Dental Sciences secured 14th rank, Ramaiah Medical College secured 43rd rank and Faculty of Pharmacy secured 65th rank.
2. MSRUAS was ranked in the band of 151 to 200 under the INNOVATION category in the recent NIRF INNOVATION 2023 Ranking (ARIIA).
3. Faculty of Management and Commerce was rated as “3rd Top Emerging BBA Institute” in the Times of India B-School Survey - 2023.
4. Faculty of Management and Commerce was listed in “The Week - Hansa Research Best B- School survey-2023” and secured 200th rank among All INDIA B-School Survey.
5. QS I-GAUGE awarded MSRUAS with a GOLD university rating and valid till 04-05-2023.
6. India Today Best Colleges for Hotel Management Survey has ranked Faculty of Hospitality Management and Catering Technology as 26th in All INDIA Ranking Category.
7. Faculty of Dental Sciences secured 11th rank in India Today MDRA Survey in All India Rank among Government institutes and 3rd rank among Private Colleges

8. Faculty of Hotel Management and Catering Technology was accredited by National Board of Accreditation (NBA) for the academic year 2022-2023 to 2024-2025.
9. A series of orientation and seminar programmes related to Quality was initiated by IQAC.
10. MSRUAS submitted NAAC Self-Study-Report (SSR) on 21st Nov' 2023 for the first cycle of NAAC accreditation

14.0 ACKNOWLEDGEMENT

I take this opportunity to express our gratitude to Dr J N Reddy ji, Chief Guest for his gracious presence at this important occasion. His message and advice to the graduating students will go a long way in making them realize the goals of education and nation building. Our wholehearted gratitude to our Hon'ble Chancellor Dr. M. R. Jayaram, for his deep personal commitment to goals and constant support in our efforts to pursue excellence at RUAS. Our Sincere thanks to Chief Executive Shri M. R. Srinivasa Murthy for his valuable advice from time to time. We thank all members of the Trust, the Board of Governors, the Board of Management, Academic Council, and other statutory bodies of the University and regulators for their interest and valuable guidance in the development of the University. We also express thanks to the parents who in the first place showed faith trusted us by admitting their ward in our university. I am certain that it must have been a rewarding experience for you, very esteemed parents and guardians.

I am conveying my heartiest congratulations and best wishes to each one of award/medal winners and degree recipients for their special achievements. We are confident that your stay with the University has enabled you to imbibe the process of lifelong learning and to take up challenging careers ahead. We will always be keen to hear about your successes in future as proud alumni. We wish you and your families all the best.

Last, but not the least, I express my deep sense of gratitude to our collaborators, our faculty, administrative and supporting staff, students and the press and media for their cooperation in furthering the progress of the University to achieve its goals of pursuit for Excellence.

JAI HIND

Prof. Kuldeep Kumar Raina

List of Graduating Students in PhD and Master of Science by Research

Research Division

Doctor of Philosophy Ph.D.

Prof. Krishnamurthy Jayanna, Dean-Research will present the list of graduating students in Doctor of Philosophy Ph.D and Master of Science by Research.

| Faculty | Department | Reg.No | Student Name |
|---|--|--------------|-----------------------|
| Faculty of Dental Sciences | Department of Oral Medicine and Radiology | 14DSDS083005 | Dr. B N RAJARATHNAM |

| 21SSPP103005 | RANJINI S NADIG | | |

The background of the entire page is a close-up photograph of several hands of different skin tones. Some hands are holding a large, unrolled red scroll that serves as a frame for the text. One hand in the upper left is wearing a silver bracelet. The lighting is warm, and the focus is on the hands and the scroll.

Pledge

"I pledge my knowledge and intellectual attainment to humanity. I shall use it in a manner befitting the honour and dignity of my country and of my alma mater. I shall make every effort, in all circumstances, to uphold the dignity of my profession and integrity of character. I shall endeavour, in every way, through thought, word and action, to bring about the well being of people. I shall live a well-disciplined life and shall never forget the commandment of the sacred scriptures and University Motto:

"Thou shalt perform deeds that are commendable and no others."

"Truth Triumphs; Falsehood Never"

National Anthem

Jana-gana-mana-adhinayaka, jaya he
Bharata-bhagya-vidhata
Punjab-Sindhu-Gujarata-Maratha-
Dravida-Utkala-Banga
Vindhya-Himachala-Yamuna-Ganga
Uchchala-Jaladhi-taranga
Tava shubha name jage
Tava shubha ashish maange
Gahe tava jaya-gatha
Jana-gana-mangala-dayaka jaya he
Bharata-bhagya-vidhata
Jaya he, jaya he, jaya he
Jaya jaya jaya, jaya he !

The following is Tagore's English rendering of this stanza:

Thou art the rulers of the minds of all people,
dispenser of India's destiny.
Thy name rouses the hearts of Punjab, Sind,
Gujarat and Maratha, of the Dravida and Orissa
and Bengal;
It echoes in the hills of the Vindhyas and
Himalayas, mingles in the music of Yamuna and
Ganga and is chanted by the waves of the
Indian Sea. They pray for thy blessings and sing
thy praise. The saving of all people waits in thy
hand, thou dispenser of India's destiny,
Victory, victory, victory to thee.

After the national anthem, the dignitaries on the dais leave the auditorium in ceremonial procession. The audience are requested to stand till the ceremonial procession is completed.
