## About M S Ramaiah University of Applied Sciences

**NAAC  
GRADE**

M S Ramaiah University of Applied Sciences (RUAS) is a top private University in Bangalore, Karnataka was founded in December 2013, under the Karnataka University Act. The creation of RUAS brought together several well-established educational institutions of the Ramaiah Group, reorienting them to a changing present and an unpredictable future. Over the years, RUAS has created a name for itself as a university that is centered around academia, industry, and society; one that works tirelessly to mould the thinkers of tomorrow. Today, RUAS is proud to offer more than 90+ programs across 13 faculties.

### **Vision Statement:**

RUAS aspires to be the premier university of choice in Asia for student-centric professional education and service with a strong focus on applied research whilst maintaining the highest academic and ethical standards in a creative and innovative environment

### **Mission Statement:**

Our purpose is the creation and dissemination of knowledge.

We are committed to creativity, innovation, and excellence in our teaching and research.

We value integrity, quality, and teamwork in all our endeavours.

We inspire critical thinking, personal development and a passion for lifelong learning.

We serve the technical, scientific, and economic needs of our society

## About the Faculty of Hospitality Management Catering and Technology (FHMCT)

Faculty of Hospitality Management and Catering Technology (FHMCT) is one of the leading Hotel Management institution of India. It's Bachelor of Hotel Management (BHM) program is the only program accredited by National Board of Accreditation (NBA) in South-India. It provides state-of-the-art infrastructure and adopts a thorough approach to hospitality, supporting a strong theoretical foundation with an immersive, practical education. The learning is dynamic, with a curriculum that reflects changes in the industry. Students are taught by seasoned professionals who are able to deftly guide them as they embark on their professional careers.

The programs at FHMCT help students master the tenets of their field and view their work through the perspective of service because, at its core, hospitality is about improving lives by ensuring comfort and enhancing convenience. In addition to technical expertise and leadership skills, our students learn to approach their work with warmth and compassion.

## **About the 3 Day Faculty Development Program (FDP) on Financial Literacy and Planning for Happy Retirement**

This workshop is tailored to meet the needs of every working professional, specifically teaching faculty of higher educational institutes and final year students (UG and PG) to enhance their knowledge on investments, taxes, and prepare them for retirement.

### **You should consider this workshop if:**

- You want to know about the taxation system of India
- You want to do Smart and Intelligent investments
- You want to know short term and long-term investments
- You want to understand ITR filing process
- You want to understand the low risk and high-risk level investments
- You want to know the employee benefits, employee compensation and compliances.
- You want to secure your retirement
