

IPR Cell, RUAS

Cordially invite you to attend IP week celebrations

“Women and IP: Accelerating Innovation and Creativity”

25th April 2023, 2-5 PM at Techno Campus, Peenya
26th April 2023, 2-5 PM at Gnanagangothri Campus

World Intellectual Property (IP) Day is a yearly celebration of IP's role in stimulating innovation and creativity. In 2023, we celebrate the “can do” attitude of women inventors, creators and entrepreneurs around the world and their ground-breaking work. Women in all regions are shaping the world through their imagination, ingenuity and hard work, but often face significant challenges in accessing the knowledge, skills resources and support they need to thrive. To commemorate with this, Ramaiah University of Applied Sciences wishes to honor and support all the young women entrepreneurs and raise awareness about why it is so important to encourage more women to participate in the IP system.
