SCIENCES**

**LECTURE  
ON  
THE PANDEMIC, GLOBAL GROWTH AND GLOBAL EQUITY MARKET:  
IS THERE A DISCONNECT?  
BY  
DR. PARTHA RAY**

## About the Speaker

Dr. Partha Ray obtained his Ph.D. from Mumbai University. He was earlier Director, Department of Economic Policy and Research, Reserve Bank of India. He was the Adviser to the Executive Director for India, Bangladesh, Sri Lanka, and Bhutan at the International Monetary Fund during 2007-2011. In December 2011, he joined IIM Calcutta as a Professor of Economics. Currently, he is Director, National Institute of Bank Management, Pune.

Dr. Ray is a prolific researcher and has many papers to his credit. He regularly contributes to newspaper articles on macro policy, monetary policy, and banking-related issues.

## School of Social Sciences

The School of Social Sciences offers B.Sc in Economics, Psychology, Data Sciences Analytics and B.A. in Sociology and M.A. Public Policy. The curriculum is proactively aligned to society, governance, and industry changes to ensure that students are prepared for higher studies and the labour market at the end of the respective course.

The school envisages offering application-oriented programmes with innovative curriculum and pedagogy.
