Department of Data Sciences and Analytics

THE DISTINGUISHED SPEAKER SESSION
ON
Statistics & Machine Learning
The Engines Behind AI and ChatGPT

Speaker:

Dr. Tanujit Chakraborty

Assistant Professor, Department of Mathematics at Sorbonne University, Abu Dhabi and Sorbonne Center for Artificial Intelligence, Paris, France.

HOST:

Dr. Vinay Kumar Yadav,
Assistant Professor,
Faculty Co-ordinator
Contact No.: +91-9455221560

Dr. Tapasi Ghosh
HOD(i/c) & Associate Professor

Sri Gurucharan Gollerkeri, I.A.S (Retd)

Director, School of Social Sciences

About the Department:

The Department of Data Sciences and Analytics at RUAS empowers students with cutting-edge skills in Data Science, AI, and Machine Learning. With a focus on healthcare, supply chain, education, agriculture, and social sciences, students learn modern tools and techniques—ranging from statistical modeling and big data analytics to NLP and predictive modeling—through research-driven, interdisciplinary, and hands-on learning.

Speaker's Biography:

Dr Tanujit Chakraborty is an Assistant Professor of statistics in the Department of Mathematics at Sorbonne University Abu Dhabi and Sorbonne Center for Artificial Intelligence, Paris, France. He obtained his Ph.D. in 2020 from ISI, Kolkata, India. His research interests include Machine Learning, Time Series Forecasting, and Statistical Analysis of Networks.

Date:
22nd August 2025, Friday
Time:
10.30 AM - 12:20 PM
Venue:
Heritage Building, 3rd Floor, TLH7, GG Campus
