Department of Data Sciences and Analytics

THE DISTINGUISHED SPEAKER SESSION
ON
Artificial Intelligence in User Centric Design: Concepts and Applications

Speaker:

Dr. Abhishek Mukhopadhyay
Assistant Professor,
Amity University, Kolkata

HOST:

Dr. Sharmistha Rakshit,
Assistant Professor,
Faculty Co-ordinator
Contact No.: +91-9474518811

About the Department:

The Department of Data Sciences and Analytics at RUAS empowers students with cutting-edge skills in Data Science, AI, and Machine Learning. With a focus on healthcare, supply chain, education, agriculture, and social sciences, students learn modern tools and techniques—ranging from statistical modeling and big data analytics to NLP and predictive modeling—through research-driven, interdisciplinary, and hands-on learning.

Speaker's Biography:

Dr. Abhishek Mukhopadhyay is currently serving as an Assistant Professor at Amity University, Kolkata. Prior to this, he held the position of Manager – Product Development at Ashok Leyland and worked as a Post-Doctoral Researcher at the Indian Institute of Science, Bangalore. He obtained his Ph.D from IIIT Kalyani, West Bengal. His work spans ADAS, human–machine interaction, and safety-critical AI, with strong industry collaboration.
