ABOUT THE SYMPOSIUM

Welcome to the Symposium on Multi-Disciplinary Trends in Food Technology & Nutrition Safety 2.0- a dynamic platform uniting experts, researchers, and stakeholders to address critical challenges in food technology and nutrition safety. Through interdisciplinary collaboration, innovative research, and impactful discussions, we aim to advance science and practices that ensure safe, nutritious food for all and build a healthier, more secure future.

ABOUT THE UNIVERSITY

M. S. Ramaiah University of Applied Sciences (MSRUAS) is a NAAC-accredited (A+) university, established in 2013 under the Karnataka State Private University Act (recognized by UGC). MSRUAS is one of the leading private Higher Educational Institutions in the country, with an interdisciplinary approach at the UG, PG, PhD, and Postdoctoral levels. The university is anchored in the belief that education, industry, and society are deeply interconnected. MSRUAS structures its programs to develop thinkers, creators, and doers of a better world.

ABOUT THE DEPARTMENT

Within this academic framework, the Department of Food Technology, Faculty of Life and Allied Health Sciences, places equal emphasis on high-quality research and industry-relevant education. The department delivers outcome-based, application-oriented teaching by highly experienced faculty trained in premier national and international research institutions. The department offers four-year undergraduate programmes with research in Food Processing and Technology, aligned with the NEP, along with postgraduate programmes (M.Sc. Food Science and Technology, M.Sc. Food Nutrition and Dietetics) and Ph.D. Programmes. Our graduates have been selected for higher studies in reputed national and international institutions. Our students are also placed in leading food processing, nutraceutical, quality assurance, and allied industries.
