ABOUT XENIA

In Greek mythology, Xenia represents the sacred relationship between a host and guest, built on hospitality, generosity, mutual respect, and trust. The tradition reflects the essence of meaningful hospitality—welcoming guests with warmth and ensuring they feel valued and cared for.

At the Faculty of Hospitality Management and Catering Technology (FHMCT), Ramaiah University of Applied Sciences, XENIA is an intercollegiate festival that celebrates excellence in hospitality through academic, professional and creative events.

FHMCT Hospitality Club organizes and conducts this event with full vigor and this year the event is scheduled on **17th and 18th September**.

XENIA 2026 embraces the theme “QUINTARA – The Five Elements”, inspired by Fire (Pyro), Water (Nereus), Air (Aero), Earth (Gaia), and Space (Cosmos). These elements represent the passion, adaptability, communication, sustainability, and visionary spirit that shape the hospitality industry.

XENIA brings together universities and colleges from across India to celebrate creativity, innovation, teamwork, talent, and the spirit of hospitality through engaging competitions and memorable experiences.

XENIA has previously welcomed participants from reputed institutions including **WGSHA, Christ University, PES University, IHM Bengaluru, IHM Hyderabad**, and many other esteemed colleges across India.

The festival has also been supported by esteemed sponsors and partners including the **Ministry of Tourism, Government of India, Flairology, Ather, Third Wave Coffee, SNN Foods, Swizzle, World of Mysore Pak, UNIBIC, Radisson Blu, Chai Theory, Paris Panini**, and many more.

A glimpse of our previous XENIA winners — celebrating talent, excellence and the spirit of hospitality.
