Dean's Message

Dear Faculty, Students,
and Esteemed Readers,

As we step into the final quarter of the year, I extend my heartfelt greetings to all members of the Faculty of Dental Sciences, Ramaiah University of Applied Sciences. This year has been a testament to our collective resilience, innovation, and unwavering commitment to excellence in dental education, research, and patient care.

The past months have been filled with remarkable achievements—our students and faculty have excelled in academic pursuits, research endeavours, and community outreach programs. We take immense pride in our students' participation in national and international conferences, their innovative research contributions, and their dedication to serving society through various dental health camps and awareness initiatives.

Dean's Message

As we move forward, our focus remains on enhancing learning experiences through advanced technology, fostering interdisciplinary collaborations, and nurturing a culture of continuous improvement. I encourage each of you to embrace the spirit of teamwork and service, which are the hallmarks of our institution.

I extend my sincere gratitude to our faculty, staff, and students for their relentless efforts and contributions.

Wishing you all continued success and a prosperous 2025!

Dr Silju Mathew
Dean, FDS, RUAS

WORLD ENDODONTIC DAY 2024

The department of Conservative Dentistry and Endodontics celebrated World Endodontic Day on 18th & 19th November 2024. 'Root Canal Treatment and Awareness Camp' was conducted to promote awareness of the importance of Endodontics and highlight the significance of timely dental check-ups. Through this camp, free treatment was delivered to in-house non-teaching faculty, maintenance staff and security members. Treatment including direct restorations and root canal treatment was successfully completed for over 35 staff members. Also, the department collaborated with Department of Physiotherapy, MS Ramaiah University to deliver a seminar of 'Ergonomics in Dentistry'. Dr. Betty Thomas, lecturer, MS Ramaiah College of Physiotherapy, was invited as guest speaker for the seminar. Various exercises to relieve stress and strain of muscles, improve posture while working and muscle strengthening techniques were discussed.
