## Chancellor's Message

*Dear beloved graduating Students and medal Awardees*

It is with profound pride and deep satisfaction as Chancellor of this University, I extend my heartiest wishes to the newly graduating students on this momentous 10th Convocation of our university. Your graduation marks not merely the culmination of an academic pursuit but the commencement of an enlightened journey filled with purpose, goal, and boundless career growth ahead.

As you embark upon your respective paths, I urge you to remain steadfast in your pursuit of excellence and to uphold the virtues that form the cornerstone of true leadership—integrity, humility, innovation, and compassion that you have learned and inculcated during your learning at RUAS. The future belongs to those who dare to think differently, act wisely, and contribute meaningfully to the greater good of the society.

As you step into the world beyond campus, I strongly insist each one of you embrace the spirit of lifelong learning. The world is ever-changing, and your ability to adapt and learn continuously will be a key to your success. Remember that your education and connect with the university does not end with today's graduation, it is the beginning of a lifelong journey of discovery and growth in your respective domains.

I have full confidence that you, the graduating class of 2025 will make a successful impact on world stage in transforming the lives of people and society at large. I believe that your passion, Knowledge, and leadership will contribute to a brighter and more sustainable future.

Dear students, your achievements illuminate new frontiers, and may your endeavors bring distinction to yourselves, your beloved parents, and your alma mater. You are now joining a distinguished fraternity of alumni who continue to make impactful contributions across the globe.

On behalf of the University, I convey my warmest wishes for your continued success, fulfillment, and prosperity. May your journey be filled with continued accomplishments and fulfilment with enduring significance and boundless opportunities.

I wish you the very best in all your future endeavors.

*With sincere blessings and regards,*

**Dr. M. R. Jayaram**

# Namaste!

Professor Navakanta Bhat ji, Distinguished Dean- Division of Interdisciplinary Science and Professor in the Centre for Nano Science and Engineering at the Indian Institute of Sciences and Chief Guest at the 10th Annual Convocation of our University, most revered Dr. M.R. Jayaram, Chairman, Gokula Education Foundation (M) and Hon'ble Chancellor, M S Ramaiah University of Applied Sciences (MSRUAS), Hon'ble Trustees of the Gokula Education Foundation (GEF-M), esteemed members of the Board of Governors, the Board of Management and the Academic Council of the RUAS, distinguished guests from the Industry and Academia, beloved degree recipients and their proud parents; representatives from media; members of the faculty, staff, ladies and gentlemen.

It is my privilege, on behalf of the Board of Governors, the Board of Management, the Academic Council, and the RUAS fraternity to extend a heartiest welcome to Prof. Navakanta Bhat ji as Chief Guest to the 10th Convocation of our University. We express our sincere gratitude to you sir for sparing your valuable time and being part of this remarkable academic event of our university. I cordially welcome Dr. M.R. Jayaram ji, Hon'ble Chancellor RUAS, Trustees of Gokula Education Foundation (M), members of the BOG, BOM and ACM for their gracious presence on this event. Sir your presence today will certainly inspire and motivate our young students who are graduating from this esteemed institution of higher learning. We have assembled here to celebrate and see the new fortunes of spark in eyes of the graduating students.

The University was established in 2013 through Government of Karnataka act and approved by UGC U/S 2(f). From a humble beginning with seven faculties in 2014-15, today we have grown to encompass 13 faculties offering 135 academic programs, fostering multidisciplinary collaboration and holistic learning. All our Academic programs are recognized by the

respective apex bodies and accredited by reputed organizations, reflecting our unwavering commitment to quality of education, values and ethic. The reflection of achievements is carried out by periodical accreditation by prestigious bodies from time to time by national and state government education bodies.

We take pride in announcing that during our first convocation 254 students received their graduation certificate. And over the years with our determined dedication towards academics and research, we have produced 10,255 graduates from our university. During this 10th Convocation about 2,081 students will be graduating.

A decade of our presence as university, has truly made us to believe in our efforts and endeavour of creating best professionals who have made mark and presence felt in corporate sector, services, and in higher education by making their Alm-mater proud.

"Great institutions are built on the foundations of visionary leadership and unwavering commitment to education."

It is a moment of immense pride for the entire Ramaiah University fraternity that our Hon'ble Chancellor, Dr. M.R. Jayaram, has been conferred with the prestigious "Karnataka Rajyotsava Award - 2025" by the Government of Karnataka, in recognition of his outstanding and unparalleled contributions to the field of education.

"Ladies and gentlemen, let us applaud to acknowledge and honour the visionary leadership that has shaped our journey and enabled us to be where we are today."

This milestone underscores the University's dedication to academic excellence and its relentless pursuit of knowledge, inspiring us all to strive for even greater achievements.

## 2.0 ACADEMICS

The Programmes offered by MSRUAS are officially approved by all relevant Statutory and Regulatory Authorities, including UGC, GoK, AICTE, NMC, KSHEC, PCI, BCI, INC, and DCI. Admissions to every programme are merit-based and determined through recognized competitive examinations such as NEET, KCET, COMED-K, JEE (Main), and the RUAS Entrance Test, as applicable. For the academic year 2025-26, the total number of programmes offered at RUAS are 135 with 44 UG and 91 PG programmes spread over 13 Faculties.

Based on an extensive market survey, stakeholder feedback, and a thorough analysis of industry and placement opportunities, the University started nine new, carefully curated programmes for the Academic year 2025-26 as follows -

### Under Graduation

1. Bachelor of Computer Applications
2. B. Sc. LL.B. (Hons.) in Cyber Security
3. LL.B. 3 Years

### Post Graduation

1. Master of Computer Applications
2. M.Sc. In Medical Imaging Technology
3. M.Sc. In Anaesthesia and Operation Theatre Technology
4. M.Sc. In Medical Laboratory Technology
5. LL.M. in Alternative Dispute Resolution
6. LL.M. in Artificial Intelligence, Cyber Crime and Law

These multidisciplinary programmes have been thoughtfully developed by our academic think-tank to align with emerging academic and industry trends, equipping students with the skills needed for higher education and professional success. This expansion highlights the University's growing focus on these fields and its commitment to offering greater opportunities for learners in a rapidly evolving era. RUAS organised an Open House at both campuses. This event gave an opportunity for the aspiring students to explore the facilities and possibilities available in the University.

RUAS has constantly worked towards academic quality adopting innovative pedagogical methods for instilling critical thinking skills amongst students which has indeed resulted about 230 students scoring CGPA of 9 and above at 10 point scale.

### 3.0 ADMISSIONS

MSRUAS continues to be a preferred destination for students and scholars across the nation due to its conducive academic environment. The university's admissions process encourages inclusivity, attracting students from 28 states, 5 union territories, and overseas. The demand ratio for UG and PG programs remains highly favourable, reflecting strong interest from prospective students and reaffirming RUAS's growing reputation for academic excellence.

### 4.0 FACULTY ACCOMPLISHMENTS

Ramaiah University of Applied Sciences (RUAS) proudly acknowledges its strong faculty fraternity, who form the intellectual backbone of the University's pursuit of academic excellence. A well-structured support system empowers faculty to excel in teaching, research, consultancy, and societal engagement.

This report highlights their notable accomplishments, showcasing academic innovation, impactful research, and contributions to societal progress. Their collective efforts reflect the University's multidisciplinary ethos, fostering collaboration and driving advancement across diverse fields.

## 5.0 STIMULATING RESEARCH AND DEVELOPMENT

The Office of Research and Innovation (ORI) at Ramaiah University of Applied Sciences (RUAS) continues to champion excellence in Research, Innovation, and Doctoral Education. In the academic year 2024-2025, ORI significantly strengthened research output, external funding, and faculty development across all the faculties and 80 departments. A notable 61 Ph.D. scholars were admitted, including 27 RUAS Fellows and 3 recipients of external fellowships. The University supported 46 seed grant projects, contributing to a cumulative total of 151 projects, while sponsored research secured ₹6.36 crores in funding. During this year RUAS faculty published 676 papers. RUAS has 40,132 citations and an h-index of 68 for 2025 about 9,000 publications. In the domain of innovation, 19 patents were filed and 12 were granted this year—taking the overall count to 259 filed and 121 granted. With 162 active MoUs—43 international and 119 national—RUAS continues to expand its collaborative network with leading academic institutions and industries. Further, streamlined research governance, digital compendiums, and newsletters such as ORCHID and Research Insights are reinforcing a dynamic research culture aligned with societal needs and industry priorities.

To strength the research eco system RUAS in collaboration with Association of Indian Universities (AIU), hosted the South Zone Student Research Convention, ANVESHAN-2024. The event witnessed the participation of numerous students and research scholars from various universities across the southern region of India. This convention aimed to provide a platform for students to showcase their innovative research projects and foster a spirit of inquiry and scientific temper. Over 500+ students from 40+ university across the country attended the event.

University Organised Nobel Lecture week during October/ November 2025. Eminent Scientist and outstanding academic professional were invited to give lectures and create a platform for RUAS students to gain knowledge in the frontier areas. It was very well appreciated through active participations from faculty and students.

AICTE-funded IDEA Lab has been set up at RTC campus, Peenya — For supporting design thinking, prototyping, and interdisciplinary projects. A Drone Lab has been set-up in collaboration with AICTE & AVPL International specialized for UAV training, design, operations, repair, and innovation.

## 6.0 CAREER GUIDANCE, TRAINING & PLACEMENTS

The Directorate of Training and Placements plays a key role in shaping students' overall professional development by enhancing critical thinking, problem-solving, technical skills, and communication abilities. With a structured guidance framework, training is aligned to both student aspirations and industry expectations, ensuring strong employability outcomes.

In 2024-25, 350 companies visited the campus and over 75% of students were placed. And 34% pursued higher education in premier institutions across India and abroad, including NUS Singapore, Heidelberg University, University of Helsinki, KTH Stockholm, and LMU Munich. Key recruiters included HCL, L&T Technology Services, TCS, Dell, Cargill, TVS, EY, ANZ, ABB, Target, Labcorp, FNDR, Aurigene, Centre for Brain Research (IISc), and TIGS.

To enhance employability, the University conducted 20+ pre-placement training programs, 20+ expert webinars, and 3 HR conclaves, bringing global industry leaders from countries such as the USA and Japan under the flagship initiative VIDYADHUNIK 4.0. A 12-week innovative internship program with Employability. life provided hands-on workplace exposure.

One of the initiative this year was the introduction of Aptitude, Analytical & Reasoning Skills as a credit-based course, fully integrated into the academic curriculum. Technical upskilling was driven through collaborations with the training part very prominent. Students were also supported in coding, data structures, and digital skills enhancement.

Global language and cultural competencies were promoted through Japanese and German language programs, enrolling around 100 students. The first-ever N5 Japanese certification course was launched, along with active engagements with JASSO, JETRO, and leading Japanese universities. A new international collaboration with Chuo University, Tokyo was established for student exchange and joint programs.

It reflects the growing interest in global learning this as enabled students to build foundational proficiency and explore international academic and career pathways.

Through these initiatives, RUAS continues to bridge academia with industry partnership, foster global readiness, and ensure holistic career development for its students.

## 7.0 DIRECTORATE OF INTERNATIONAL AFFAIRS

RUAS continues to foster global partnerships and academic excellence through impactful collaborations, international programs, and expert engagements.

Directorate of International Affairs (DIA) is an unit of RUAS, initiating internationalization collaborations and strengthening the university's global presence. DIA advances strategic partnerships, cross-border research, student and faculty mobility, and digital learning initiatives. Its integrated functions ensure a cohesive institutional approach that enhances academic excellence, global visibility, and long-term international growth.

A major responsibility of the Directorate is developing and managing academic and research partnerships with leading international universities, research centers, and innovation ecosystems. Each MoU is supported by a one-year action plan outlining activities and deliverables, ensuring alignment with UGC/AICTE frameworks and measurable progress. These partnerships support joint and dual degree pathways, micro-credentials, certificate programs, and collaborative research initiatives.

The DIA oversees inbound and outbound mobility, including semester exchanges, study abroad, internships, visiting scholar programs, and short-term immersion experiences. It manages credit transfer, visa formalities, accommodation, and cultural integration to ensure high-quality international experiences for students and faculty.

The Directorate also leads operational governance through grant tracking, proposal submission management, regulatory compliance, and institutional reporting. Data dashboards are developed to monitor KPIs across partnerships, mobility, and research impact, supporting informed decision-making.

In addition, the DIA provides executive-level coordination to align internationalization initiatives across academic, research, and administrative units. It supports digital learning and hybrid program delivery, promoting the use of AI, AR/VR, and other learning technologies to enhance global teaching and collaboration.

Through these combined efforts, the DIA positions RUAS as a globally engaged, future-ready institution, enabling high-impact research collaborations and expanding international opportunities that contribute to producing globally competent graduates”.

These initiatives reflect RUAS’ commitment to academic excellence, global collaboration, and multidisciplinary innovation, strengthening its reputation as a leader in higher education and research.

## **8.0 STUDENT ACTIVITIES**

### **A. CULTURAL & STUDENT ENGAGEMENT**

RUAS hosted a vibrant calendar of cultural activities, competitions, and club events throughout the year, providing students with platforms to explore and display their talents. The annual cultural fest “Akaira” was awarded Best Cultural Fest of the Year (University) at the Bengaluru Cultural Awards 2025, recognising the creativity and organisational excellence of our student community.

State and National celebrations such as Karnataka Rajyotsava, Independence Day, and Republic Day, National Science and Engineering day, national Doctors and National Nurses were conducted across both campuses with enthusiastic student participation. RUAS students also excelled in multiple inter-college and inter-university events, winning numerous recognitions.

Among our students’ notable accomplishments, Amita S was recognized as the Best Instrumentalist of the Year for her outstanding musical performance, while Haram Qureshi earned the title of Best Video Editor of the Year for his exceptional skills in video production and storytelling. Demonstrating remarkable talent in photography, Jyotismita Das secured multiple top positions across prestigious cultural festivals, including APOGEE-DSU, Esperanza-DSATM, Akaira-RUAS, Samskruthi, and Rhapsody-IISc, reflecting the creativity and excellence fostered at RUAS.

### **B. RUAS STUDENT COUNCIL INSTALLATION 2024-25**

The Student Council at RUAS, successfully installed for its second year of operation in the 2024-25 academic session. It serves as the primary representative voice of the student body and played a pivotal role in fostering open communication, the dialogue between students and university authorities for the students well being.

### **C. EXCELLENCE IN SPORTS AND ATHLETICS**

RUAS students continued to demonstrate remarkable talent and determination in sports, showcasing their competitive spirit at national and international levels. The annual athletic meet, “SPHOORTHY”, held from 28th February to 1st March 2025, provided a vibrant platform for students to excel in various disciplines.

Ms. Dedeepya, BHM student, distinguished herself at the National Aquatics Championships, while Ms. Hasani P. Gowda from the School of Social Sciences won multiple medals and the prestigious “Best Fighter Female Junior” title at the 39th Nationals (27–29 December 2024, Goa). She further added to her accolades by winning four gold medals at the Hwarang International Taekwon-Do Championship in Malaysia (4–6 May 2025).

Mr. Visweshhwara P. J., FET student, won the gold medal in Karate at the International Martial Arts Championship held on 18–19 May 2024 in Goa.

The women’s badminton team—comprising Ms. Ria Roy, Ms. Shehjer Kaul Chowdhary, and Ms. Shreelakshmi Bharadwaj—clinched the gold medal at SPARDHA 2024 (State Level, 4–7 December 2024, CMR Institute of Technology, Bangalore) and triumphed again at the LISC Badminton Tournament in February 2025, demonstrating exceptional teamwork and determination.

## **D. STUDENT-CENTRIC ACTIVITIES AS MANDATED BY UGC**

RUAS undertook several student-centric initiatives in line with UGC guidelines. The DEEKSHARAMBH program provided an induction and orientation for newly admitted students, helping them integrate smoothly into university life.

The 10th International Day of Yoga was observed with the theme “Yoga for Women Empowerment”, in collaboration with NSS RUAS, Ramaiah Indic Specialty Ayurveda Restoration Hospital, Women’s Cell RUAS, IIC RUAS, and Rotaract RUAS.

To promote a safe campus environment, an Anti-Ragging Mahotsav was conducted during the anti-ragging week with engaging activities. Awareness programs on drug abuse and its ill effects were organized in partnership with the Karnataka State Police, while the Electoral Literacy Club hosted the event “Our Walk Towards the Polling Station” in collaboration with the Election Commission of India and BBMP to foster election awareness among students.

## **9.0 COMMUNITY ENGAGEMENT & SOCIAL RESPONSIBILITY (NSS, ROTARACT, SERVICE TO SOCIETY AND NCC)**

RUAS students actively contribute to society through a range of structured initiatives that foster leadership, empathy, and civic responsibility. The National Service Scheme (NSS), guided by the motto “Not Me, But You”, bridges academia and the community, completing over 75 projects in areas such as health, education, environment, and social welfare, benefiting more than 25,000 individuals. Programs include mental health support, anti-drug campaigns, tree plantations, and skill-building workshops.

The Rotaract Club – Lakshyaa, sponsored by Rotary Bengaluru Manyata, complements these efforts by executing over 250 projects reaching more than 20,000 people. Initiatives include traffic awareness, diabetes screening, stem cell donation drives, voluntary blood donation, gender equality campaigns, menstrual hygiene, cyber safety, tree plantations, and e-waste upcycling. The club was recognized as Best Rotaract Club (Institution-Based) 2024–25 by Rotaract District 3192.

Its flagship project, “CHANDANA VANA”, converting e-waste into valuable products, earned the Ugram Award – Southeast Asia’s Most Inspiring Rotaract Initiative and 2nd Prize at the International Symposium “Beyond the Books: Innovate, Lead & Thrive in a Culture of Care”.

The Service to Society (STS) 2024-25 initiative further engaged 2,000 students across 52 teams in meaningful outreach across seven locations, including old age homes, orphanages, care facilities for the underprivileged and disabled, and government schools. Faculty-led teams contributed through murals and painting projects, companionship and donations, educational support, vocational training, and career guidance, leaving a tangible impact on communities.

Together, these programs cultivate social consciousness, leadership, and empathy among students, reflecting RUAS's commitment to holistic education and positive societal transformation to the society.

## WELFARE MEASURES

RUAS prioritizes the physical and mental well-being of students. The 2024-25 batch completed their medical check-ups, and all students are covered under a comprehensive group insurance scheme. Mental health support is provided through the Happiness Project, an online wellness initiative, and the Student Wellness Center through various yoga campus etc.

RUAS, in collaboration with Association of Indian Universities (AIU), hosted the nationwide youth pledge event, "Yuva Shakti, Bharat Ki Shakti - One Youth, One Nation, One Resolve" (28 May 2025), reflecting youth empowerment, unity, and the vision of a Viksit Bharat by 2047. This event held across five regions of India and RUAS was identified the main centre in the southern part. The National Youth Pledge reflected the spirit of Atmanirbhar Bharat, Ek Bharat Shreshtha Bharat, and the inclusive vision of Hon'ble Prime Minister Shri Narendra Modi ji.

The Anti-Ragging Week (12-18 August 2025) reinforced campus safety, awareness, and responsibility, completing a comprehensive framework of student welfare initiatives.

## RUAS - 40 KAR ARMED SQUADRON NCC UNIT

I am happy to report that RUAS has new 40 KAR Armed Squadron NCC Unit. It was established at the University during 2025-26 with a sanctioned strength of 160 cadets, marking a significant achievement in promoting discipline and leadership among students.

## 10.0 ALUMNI ASSOCIATION

The MSRUAS Alumni Association comprises more than 10,000 members reflecting the university's commitment to academic excellence and create ownership with our beloved Alumni. The dedicated Alumni Portal enables meaningful engagement among alumni, students, and faculty, while also connecting academia with industry by supporting career opportunities.

Our alumni hold key positions worldwide across sectors such as healthcare, engineering, business, and IT. They also contribute in several ways, including serving on QAC and BOS, judging various events, delivering guest lectures, conducting MDPs, mentoring theses and projects, and referring juniors for placements.

Events like Samparka, the alumni meet at faculty foster strong networking between alumni and ongoing students. By nurturing these ties, MSRUAS ensures that its alumni remain an integral part of the university's legacy and continued growth.

## 11.0 ACCREDITATION AND RANKINGS

MSRUAS, was accredited with NAAC A+ Grade with (3.33 CGPA on 4-point scale) in the first cycle and it continues to uphold strong quality standards through its Internal Quality Assurance Cell (IQAC).

In the NIRF 2025, the University ranked within the 101-150 band at the national level among 4045 Higher Education Institutions. Similarly the ranks of

- Faculty of Dental Sciences – 22nd out of 223 institutions
- Ramaiah Medical College – 50th out of 223 institutions
- Faculty of Pharmacy – 56th out of 594 institutions

The University secured a 4-Star Rating from the Institution Innovation Council (IIC out of 6.0). A total of 5,455 institutions were evaluated under the IIC 6.0 rankings. In the South-West (SW) region, out of 839 institutions that were awarded an IIC rating, only 24 institutions achieved the prestigious 4-Star rating. We are proud to state that M. S. Ramaiah University of Applied Sciences (RUAS) is one among these elite institutions, this rating is carried out by Ministry of Education, Government of India.

RUAS is placed in the 351-400 institutions band in Times Higher Education Interdisciplinary Science Rankings 2025. It has also been consistently recognized in national surveys by leading agencies such as Outlook I-Care, The Week – Hansa Research, India Today, Careers360 and others.

QS-I Gauge awarded "Gold Category" Rating for 2025-28.

The Bachelor of Pharmacy programme received NBA accreditation (2025-28).

## 12.0 INFRASTRUCTURE DEVELOPMENT

### A. NEW HOSTELS

RUAS expanded student accommodation with the commissioning of new facilities:

- Boys' hostel (2023-24) with 220 capacity in double-occupancy rooms, equipped with reliable power, water, comfortable furnishings, and quality dining services.
- In 2025, two modern hostels (boys and girls) were added at the Gnanagangothri Campus with attached washrooms, Wi-Fi, laundry facilities, access-controlled entry, RO water, 24/7 power and hot water.
- A 900-seating capacity hostel for boys' occupancy enhanced safety through CCTV surveillance, security personnel, and full-time wardens.

### B. STUDENT ACTIVITY CENTRE

A 5,900 sq. ft. multi-purpose space supporting student wellness and recreation:

- Indoor games: table tennis, carrom, chess
- Separate gyms for boys and girls
- Common rooms with TVs and Wi-Fi

### C. ENHANCED RECREATIONAL FACILITIES

- 1,400 sq. ft. playground for cricket, football, throwball, and volleyball
- Lighting system enables safe evening sports with auto-timer LED pathways.

Our investment has also been to enhance patient care, community service with upgradation of Advanced learning Centre with Robotic Lab, Digital dentistry Section, Cancer detection van and Mobile Dental Clinic with state-of-the-art technology.

## 13.0 CENTRES AND DIRECTORATES

### 13.1 CENTRE FOR ENTREPRENEURSHIP

The Center for Entrepreneurship (CFE), a Centre of Excellence at RUAS, drives entrepreneurial education, research, and start-up initiatives across disciplines in collaboration with Babson College, USA—a global leader in entrepreneurship education. Its objective is to deliver best entrepreneurship education and skills among young budding entrepreneurs.

CFE's flagship course "Entrepreneurial Mindset and Action" (with Babson) is offered across multiple disciplines and has already trained 2,500+ students, making RUAS one of the first universities in India to mainstream entrepreneurship beyond business programs. CFE, in partnership with AICTE & MoE's Innovation Cell, hosted a national-level Faculty Development Program—benefiting 60+ educators from 25+ institutions. Through live case studies, workshops and mentoring, 200+ entrepreneurs engaged with RUAS students. The student-led Startup Society (TSS) has expanded to 750+ members.

Major student entrepreneurship achievements include:

- Hosting the first Hult Prize Campus Finale at RUAS as part of the Festival of Social Entrepreneurship
- Conducting the fifth Startup Fusion competition
- Student ventures advancing to national stages at IISc, IIM Bangalore and IIT Bombay
- A notable success is HealAI (GVA Health) – a student start-up from RMC, RUAS & MSRIT, which Won National Bio Entrepreneurship Competition (NBEC 2025) with ₹2,00,000 award Secured incubation at NSRCEL-IIM Bangalore.

The continues to catalyze innovation, foster real-world problem solving, and build a thriving entrepreneurial ecosystem at RUAS.

### 13.2 CENTRE FOR NATIONAL SECURITY STUDIES

The Centre for National Security Studies (CNSS) serves as a strategic hub connecting academia, government, and industry through applied research, capacity building, and technology innovation in national security. In 2025, CNSS strengthened its position as a credible national think tank by hosting high-profile policy engagements.

### 13.3 CENTRE FOR PROFESSIONAL DEVELOPMENT

The Centre for Professional Development (CPD) at MSRUAS is a transformative initiative dedicated to enhancing the capabilities of the university's academic and institutional community—including faculty, administrators, technical staff, and non-teaching personnel. The centre fosters a culture of continuous learning, innovation, and leadership aligned with national priorities and global standards.

Association of Indian Universities sanctioned Academic and Administrative Development Centre (AADC) under an exclusive MoU with Ramaiah University of Applied Sciences. This academic partnership enables:

- Five short-term programs annually.
- Capacity building for Faculty, Non-Teaching staffs and research scholars And ₹1 lakh was received as seed funding support from AIU. A seed money financial support was provided by AIU.

CPD carried out of FDPs, MDPs and other workshops for faculty, non-teaching staffs and students. It includes Universal Human Values (UHV), AI in Higher Education – with NVIDIA, Life Skills Training, FDP-MOOC, Training on Communication Skills and professionalism, and presentation skills, and Pre-placements training and soft skills training for students also.

CPD carried out several activities outside RUAS such as National Skill Training Institute (NSTI) for ISRO employees, NSRY employees, Hepatica Technology.

#### **Atal - FDPs**

- Faculty of Pharmacy received "AICTE (ATAL Academy) Grant for the year 2024-25" for conducting ATAL - Faculty Development Programme. This proposal stood one amongst 500 proposals out of 4,200+ applications that were received by the funding agency across the nation. On the Topic: "Materiovigilance: Amalgamating Global Regulatory Frameworks, Quality Assurance, and Safety Practices for Medical Devices."
- Faculty of Management and Commerce hosted the ATAL FDP on "Risk Management: An Integrated Approach to Tools, Techniques and Best Practices" on 8th September, 2025.
- Department of Computer Sciences, Faculty of Engineering and Technology hosted ATAL ONLINE FDP on Quantum Computing & Generative AI on 18th August, 2025.

The wide outreach of CPD activities - covering faculty, non-teaching staff, students and external professionals - reflects effective leadership, inter-departmental coordination and commitment to capacity building.

### **13.4 RAMAIAH TECHNOLOGY BUSINESS INCUBATOR (RTBI)**

RTBI is a non-profit incubation center under the Karnataka Start-up Policy. It offers end-to-end support-including infrastructure, mentoring, financial, legal, and IP services-to accelerate technology commercialization. After successfully completing Phase I (2018-2023) and achieving all Karnataka Innovation Technology and Society (KITS) milestones, RTBI secured a grant of ₹5.21 Crores for Phase II spread over 5 years.

RTBI currently supports 43 start-ups (13 added in Phase II) in IoT, ESDM, Robotics, and Intelligent Systems, with several patented technologies showcasing its innovation strength. The incubator is now expanding into emerging sectors such as FoodTech, Biotech, and SpaceTech to drive broader entrepreneurial growth.

### **13.5 TECHNO CENTRE ENGINEERING (TCE)**

Techno Centre Engineering provides advanced engineering solutions with a strong focus on the Indian defence sector. Its key capabilities include indigenization for the Armed Forces, industrial R&D, reverse engineering, benchmarking, and new product development. TCE supports major organizations with mechanical and electrical/ electronics engineering expertise.

During the reporting period, TCE delivered several consultancy projects while progressing on multiple strategic assignments. Ongoing projects include design and performance enhancements for naval systems, aerospace components, hybrid composites, and thermal-structural evaluations for defence applications. Successfully completed projects cover thermal, structural, and FEA-based solutions for DPSUs, Space & Defence technology providers, and industry partners. These contributions highlight TCE's growing role in strengthening national defence and innovation capabilities.

### **13.6 ADVANCE LEARNING CENTRE**

Ramaiah Advanced Learning Centre, established in 2012 under the Gokula Education Foundation (Medical), is a pioneering state-of-the-art cadaveric research and surgical skills training facility. Designed to simulate an actual operating theatre environment, the centre provides hands-on training using near-life specimens, enabling learners to translate knowledge into practice effectively. RALC offers comprehensive training in cadaver surgery, trauma life-support, and basic to advanced surgical skills across multiple specialities including Orthopaedics, Neurosurgery, OB-GYN, ENT, and Ophthalmology. The facility spans 50,000 sq. ft. with 16 surgical stations, and a new wing with 10 additional stations inaugurated in October 2024, enabling simultaneous internal and external training programs. In addition to robotic and laparoscopic skills training, simulation-based learning is supported through advanced systems such as SimMan 3G, Lap Mentor, and Broncho Mentor. RALC collaborates with industry partners on R&D, implant validation, and innovation

projects. Proudly, the centre has trained over 25,000 delegates from India and abroad. It also houses a State Government-recognized Tissue Bank offering certified training in tissue banking in collaboration with DTI Barcelona.

### 13.7 CENTRE FOR INFORMATION & TECHNOLOGY MANAGEMENT (CITM)

The Centre for Information Technology and Management (CITM) continues to strengthen RUAS' digital ecosystem by driving innovation, technology adoption, and enhanced ICT-enabled processes. With evolving technological demands, CITM has remained proactive and agile, implementing strategic digital upgrades and ensuring seamless collaboration, knowledge sharing, and operational efficiency across the University.

Highlights and Achievements:

CITM has significantly accelerated ICT integration to enhance teaching, learning, and administrative efficiencies. Key achievements include:

- a. Digitization of classrooms, boardrooms, and meeting spaces with state-of-the-art ICT infrastructure
- b. 24/7 access to ICT facilities for students
- c. Deployment of 103 interactive smart panels across campuses
- d. Installation of 18 Lecture Capture Systems to improve teaching quality and learning experience
- e. Implementation of 5G in-building boosters (FOC) at RTC and selected GGC blocks; expansion in progress
- f. Rollout of Digital Signage systems in strategic locations
- g. Networking projects executed across FDS, Kaiwara Dental Clinic, RMC Principal Office, FMC & FLAHS.

### 13.8 INSTITUTION INNOVATION COUNCIL (IIC)

Established in 2018, the Institution Innovation Council (IIC) at MSRUAS promotes innovation, creativity, and entrepreneurship among students and faculty. To date, the University has organized 1,471 innovation-centric events, significantly strengthening the innovation ecosystem on campus.

With active events at RUAS, AICTE-funded IDEA Lab has been set up at RTC campus, Peenya-For supporting design thinking, prototyping, and interdisciplinary projects. And a Drone Lab (Sponsorship worth ₹50 lakhs was received) from AICTE & AVPL International specialized for UAV training, design, operations, repair, and innovation.

MSRUAS achieved notable success in the Smart India Hackathon (SIH):

- In SIH 2023, two teams reached the finals with impactful technological solutions for healthcare and rural development.
- MSRUAS hosted the SIH 2024 and SIH 2025 Software Edition Finals in partnership with the Ministry of Education and AICTE, featuring 36-hour coding challenges with teams from 20 premier institutes across 14 states, of our country.
- RUAS Team MACH-6 emerged joint first-prize winner at SIH 2024 (NIE Mysuru) under the theme Space Technology, securing prize award of ₹50,000.
- National Level Tech Fest "Pravrutti 2025" -the first-ever National Level Tech Fest of M. S. Ramaiah University of Applied Sciences (RUAS). was organised on 15th October, 2025. The fest features 26 exciting events spanning Technology and Health Sciences, open to UG, PG, and Ph.D. students. We are proud to share that "Pravrutti 2025" has received an overwhelming response with 704 registrations and 2,000 participants representing over 75 institutions, including IISc, IITs, and NITs from more than five states across India.

Student innovations showcased cutting-edge applications including underwater ROVs, digital public health platforms, nanofluid-enabled anti-vibration mounts, and naval-grade composite structures.

IIC also strengthens the startup landscape by supporting ventures such as Indo Kaihatsu Technology Pvt. Ltd. and XIBOTIX Pvt. Ltd., addressing indigenous biomedical technology needs. A standout achievement this year was by Mr. Mohammed Saad (B.Pharm, 2nd year), who won first place in the TiE Global Summit IDEATHON 2024, Bengaluru, competing against 340 teams nationally, earning a ₹50,000 cash prize for his sustainable innovation — Waterless Single-Use Zero-Waste Solid Shampoo Cubes.

## 14.0 INDIAN SOCIETY FOR TECHNICAL EDUCATION (ISTE)

RUAS has setup ISTE Student Chapter as part of strengthen our engineering and aboard programs. It at RUAS is a vibrant platform that promotes excellence in engineering and technology education through national-level exposure, innovation, and leadership. Inaugurated on 4th March 2025, the chapter engages students and faculty through seminars, hackathons, industrial visits, and conventions in collaboration with ISTE Karnataka Section and industry experts.

### Key Activities (July 2024 – Aug 2025)

During July 2024 – April 2025, the ISTE-RUAS Student Chapter organized a series of impactful technical and professional development activities. The academic year began with a Technical Talk in July 2024 on AI and Robotics, attended by 75 students and 5 faculty members. In September 2024, a Design & Innovation Challenge Workshop was conducted with active participation from 60 students, fostering creativity and problem-solving skills.

A major highlight was the 48-hour Hackathon held in November 2024, which attracted 120 enthusiastic student innovators. To provide real-world industry exposure, an Industrial Visit to a Semiconductor facility was arranged in February 2025 for 40 students. The chapter also facilitated participation in a State-level Student Convention in April 2025, enabling 20 students to present papers and showcase their technical proficiency.

The ISTE-RUAS Student Chapter demonstrated outstanding performance during the year, securing top honors at State-level ISTE Conventions, including 1st Place in Encrypted Lockdown, 1st Place in Project Expo, and 2nd Place in Tech Debate. Faculty and students were also recognized with ISTE Awards for leadership and innovation, reflecting the chapter's growing prominence. The chapter fostered strong interdepartmental collaboration and continuous knowledge exchange.

A major milestone was RUAS hosting the 26th ISTE State Level Faculty Convention along with the 33rd Dr. L. S. Chandrakant Memorial Lecture Series, themed "AI in Your Classroom: Tools, Tactics & Ethical Integration." The event brought together expert speakers, interactive workshops, and enthusiastic participation from faculty across Karnataka, strengthening RUAS' role as a leader in advancing technical education.

## 15.0 CENTRE FOR AI FOR SOCIAL GOOD

Established in June 2024 as a joint initiative of the School of Social Sciences and the School of Law, the Centre for AI for Social Good aims to integrate AI with social sciences and legal studies to drive meaningful societal impact. The Centre actively engages students and faculty in outreach programs, hands-on learning, and research promoting responsible and inclusive AI adoption.

During 2024–25, the Centre conducted a series of impactful initiatives. The inaugural Winter School Program introduced over 100 high school students to topics such as Responsible AI, Stress Management, Applied Economics, and Constitutional values. The Centre also hosted a National Constitution Day Campus Visit, featuring a student-led mock trial to build civic and legal awareness. A Hands-on AI Workshop, in collaboration with industry partners, trained participants in practical speech and image data annotation.

The Centre mentored students participating in the Government-organized “Innovate with GoStats” Hackathon, promoting data-driven insights for public policy. An expert session on AI-powered Deepfake Detection further strengthened interdisciplinary learning. Additionally, two student teams excelled at the Urban Vision Hackathon 2025, ranking in the Top 30 nationally and winning recognition for their innovative AI solutions in urban mobility.

## 16.0 RAMAIAH SKILL ACADEMY (RSA)

Launched in October 2024, RSA equips students and professionals with future-ready skills in Advanced VLSI, Embedded Systems, and Software Engineering. Guided by industry-aligned curriculum, expert mentorship, and hands-on learning, RSA empowers learners to “Transform, Thrive, and Transcend.”

**Some of the achievements are -**

- a. 250+ aspirants trained across specialized programs
- b. Industry-focused curriculum co-designed with experts
- c. Webinars & workshops at leading Science & Engineering institutions
- d. Knowledge-sharing sessions in emerging technologies
- e. Successful placements in core domains, enabling career growth

## 17.0 STATUS REPORT ON RUAS'S ENGAGEMENT WITH NAD AND ABC

Ramaiah University of Applied Sciences (RUAS) is a proactive member of both the National Academic Depository (NAD) and the Academic Bank of Credits (ABC). Our commitment to these initiatives underscores our dedication to enhancing academic transparency and student mobility.

RUAS has been very active in its participation with NAD. About 59,000+ mark sheets, 10,500+ degree certificates, and 4,300+ provisional degree certificates are uploaded in NAD portal, supporting digitization for scholarships and government schemes like Yuva Nidhi.

Contributions to the Academic Bank of Credits 24,000+ credits deposited into student ABC accounts and more than 10,000+ RUAS students have registered with ABC, aligning with the National Credit Framework under NEP. These milestones position RUAS at the forefront of digital academic transformation, enabling seamless access, credit transfer, and compliance with national standards.

## 18.0 DISTINGUISHED VISITORS

During 2024-25, RUAS hosted a series of distinguished sessions and guest lectures to inspire students, faculty, and researchers. Padma Shri Dr. A. S. Kiran Kumar, former Chairman of ISRO, delivered a session on National Technology Day 2025. Dr. Niranjan Yeole (CSIR-NCL) conducted a webinar on “Understanding IP” during the National Intellectual Property Festival. Dr. Seshadri Ramkumar (Texas Tech University) addressed staff and research scholars on sustainable non-woven materials and academic publishing strategies.

Dr. Lisa Singh, CEO of the Australia India Institute, spoke to law and policy students on Women in Foreign Policy, while Dr. Aridni Shah, Co-Founder & CEO of immunitoAI, shared insights on deep-tech entrepreneurship, AI-driven healthcare innovations, and investor engagement on World Entrepreneurship Day. Additionally, the Nobel Lecture Series was launched on protein science inspired by the 2024 Chemistry laureates, and Dr. Shannon Olson delivered a talk on knowledge-based societies and sustainability.

## 19.0 ACKNOWLEDGEMENT

I would like to take this opportunity to sincerely thank Prof. Navakanta Bhat ji for joining us today as the Chief Guest. Sir, your valuable message and guidance will surely inspire our graduating students to understand the true purpose of education and to contribute positively to our nation.

Our heartfelt thanks to Hon'ble Chancellor, Dr. M. R. Jayaram, for his strong support, commitment to the vision and progress of MSRUAS. We are equally grateful to the Trustees, the Board of Governors, the Board of Management, the Academic Council members and corporate members for their continuous support in the growth and development of the University.

A special thanks, to the parents and guardians who trusted us with the responsibility of educating your children in RUAS. Your trust in us is a major source of strength reason for our successes.

I offer my warmest congratulations, Wishing a very good luck to all our award winners, medal recipients, and graduating students. We believe your time at MSRUAS has prepared you with the knowledge, skills, and mindset needed for lifelong learning and leadership roles.

Finally, I wish to express my deep appreciation to our collaborators, faculty members, administrators, support staff, students, and the members of the media. Your hard work, cooperation, and dedication have played an important role in helping the University to achieve its goals and move towards excellence.

Wishing you all, along with your families, continued success and happiness in the years ahead.

Jai Hind,  
Jai Karnataka  
Prof. Kuldeep Kumar Raina

# Pledge

"I pledge my knowledge and intellectual attainment to humanity. I shall use it in a manner befitting the honour and dignity of my country and of my alma mater. I shall make every effort, in all circumstances, to uphold the dignity of my profession and integrity of character. I shall endeavour, in every way, through thought, word and action, to bring about the well being of people. I shall live a well-disciplined life and shall never forget the commandment of the sacred scriptures and University Motto:

"Thou shalt perform deeds that are commendable and no others."

"Truth Triumphs; Falsehood Never"

# National Anthem

Jana-gana-mana-adhinayaka, jaya he  
Bharata-bhagya-vidhata  
Punjab-Sindhu-Gujarata-Maratha-  
Dravida-Utkala-Banga  
Vindhya-Himachala-Yamuna-Ganga  
Uchchala-Jaladhi-taranga  
Tava shubha name jage  
Tava shubha ashish maange  
Gahe tava jaya-gatha  
Jana-gana-mangala-dayaka jaya he  
Bharata-bhagya-vidhata  
Jaya he, jaya he, jaya he  
Jaya jaya jaya, jaya he !

## The following is Tagore's English rendering of this stanza:

Thou art the rulers of the minds of all people,  
dispenser of India's destiny.  
Thy name rouses the hearts of Punjab, Sind,  
Gujarat and Maratha, of the Dravida and Orissa  
and Bengal;  
It echoes in the hills of the Vindhyas and  
Himalayas, mingles in the music of Yamuna and  
Ganga and is chanted by the waves of the  
Indian Sea. They pray for thy blessings and sing  
thy praise. The saving of all people waits in thy  
hand, thou dispenser of India's destiny,  
Victory, victory, victory to thee.

---

After the national anthem, the dignitaries on the dais leave the auditorium in ceremonial procession. The audience are requested to stand till the ceremonial procession is completed.
