## EVENTS

### INFANT ORAL HEALTH CARE – 15<sup>TH</sup> NOVEMBER 2022

• Oral health risk assessment should be received by an infant by 6 months of age by a qualified health-care provider. Such an assessment should provide education on infant oral health, evaluate and optimize fluoride exposure, and assess the patient's risk of developing oral diseases of soft and hard tissues. The Department of Pedodontics and Preventive Dentistry conducted a workshop on “Infant Oral Health Care” & “Pre-surgical naso-alveolar moulding”, held on the 15th November 2022.

#### Resource Persons :

• Infant Oral Health Care - Dr Indira M D, Assistant Professor, Department of Paediatrics & Preventive Dentistry, JSS Dental College and Hospital, Mysuru.

• Pre-surgical naso-alveolar moulding- Dr Seema Deshmukh, Reader, Department of Paediatrics & Preventive Dentistry, JSS Dental College and Hospital, Mysuru.

## EVENTS

### WORLD AIDS DAY – 1<sup>ST</sup> DECEMBER 2022

On the occasion of international AIDS day, The Department of Oral and Maxillofacial Surgery conducted a rally to create awareness. This year's theme was "End inequalities end AIDS". A rally was conducted to spread the message- The inequalities which perpetuate the AIDS pandemic are not inevitable, but together, it can be overcome with awareness and support.

Poster presentation was conducted for the UG and PG students, following which there was a quiz conducted for the final year students. The slogan for "Equalize" and it called for action to address inequalities and help end AIDS.

## EVENTS

### DIGITAL ORTHODONTICS- 2<sup>ND</sup> DECEMBER 2022

A CDE programme was conducted by the Department of Orthodontics on **Digital Technology in Orthodontics** at the Ramaiah Memorial Hospital Auditorium on 2<sup>nd</sup> December 2022 at 10.00am. The guest speakers were **Dr. Divakar Karanth**, who highlighted the digital technology applications in clinical Orthodontics and Orthodontic research. **Dr. O.P. Kharbanda**, Hon Pro VC (Health Sciences) RUAS, shared knowledge on the automation on 3D, landmark identification, analysis in the volumetric imaging of airway and sinuses in Obstructive sleep apnea patients.

## EVENTS

### COMMUNITY BASED LEARNING PROGRAM - 7<sup>TH</sup>-14<sup>TH</sup> DECEMBER 2022

Community based learning program was conducted by the Department of Public Health Dentistry for the Final Year BDS students from 7/12/2022 to 14/12/2022 at Kaiwara.

This program was conceptualised to enhance the communication skills, understand the differing social determinants at the urban and rural areas, develop sense of compassion and empathy towards patients. To facilitate learning in the community, students were oriented to various simulation games like Monsoon, Chikkanahalli and also workshops on self awareness by Dr.Sushi.

Various activities included, building rapport with the villagers, conceptualising the village structure through Social mapping, understanding the social factors at the family level through family studies, interacting with Medical Officers, ASHA workers, Anganwadi workers to recognise the health in action by the Government.

## EVENTS

### COMMUNITY BASED LEARNING PROGRAM -7<sup>TH</sup>-14<sup>TH</sup> DECEMBER 2022

Students were also provided the opportunity to translate the classroom learning into the field through planning and delivering health education relevant to the need and also to collect data for the survey.

Door to door survey: As a part of shramadaan that is giving back to society for having given them rich learning experience the students contributed through below mentioned services: Cleaning of school garden and improving sanitation services, Improving the aesthetics of the anganawadi center, Planting of the saplings (fruits and vegetables), provision of CFL bulbs in the classroom and cleaning of the premises

## “Effective use of PPT”

•An interactive session by Dr. Girish Karandikar on the effective use of powerpoint presentations was organized for the 1st year PGs and interns of FDS on 20th October 2022. An effective structure, consistency in background and fonts, use of audiovisual aids were highlighted. Other salient points from the talk included use of powerpoint to personalize and diversify information, and the benefits of communication skills.

## “E space maintainer”

•A workshop on “e-space maintainer – Preformed Space Maintainer in Pediatric Dentistry” was conducted by department of Pedodontics on 31<sup>st</sup> October, 2022.

• **Resource person:** Dr Nisha Gupta, Assistant Professor, Department of Pedodontics, BIDS, Bangalore

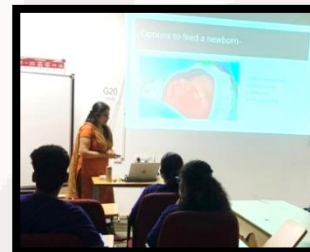

•Dr Sibikar Sai, Consultant Pediatric Dentist, Bangalore.

## “Untying the Tie”

• A Guest Lecture on “Untying the Tie” was conducted at Faculty of Dental Sciences, Ramaiah University of Applied Sciences, Bangalore on 17th November, 2022.

**Resource Person:** Dr. Shruti Jayasurya, Consultant Pediatric Dentist, Bangalore.

## “Systematic Review and Meta Analysis”

•A workshop on “Systematic Review and Meta Analysis” was conducted by the Department of Pedodontics on 20<sup>th</sup> and 21<sup>st</sup> December, 2022.

**Resource Person:** Mr Denny John, Principal, Evidence Synthesis, PharmaQuant.

## POSTER/ PAPER PRESENTATIONS:

- ❖ Dr Kranti presented a paper titled ‘ Effect of Adjunctive Supplementation of Melatonin in Periodontal Therapy in Patients with Periodontitis’ at the 46th ISP National Conference held in Bhubhaneshwar on 11<sup>th</sup> -13th November, 2022.
- ❖ Dr Dhananjaya G, Professor and Head, Pediatrics and Preventive Dentistry attended and presented a scientific paper on “ Evaluation of anti inflammatory property of novel formulated mouthwash containing DNJ and Quercetin “at the 43rd ISPPD conference held at The People’s University, Bhopal from Nov 22-25th, 2022.
- ❖ Dr Pushpalatha C presented a paper titled “Application of Theobromine in the Prevention of Early Dental Caries” in the International Conference on Nanotechnology: Opportunities & Challenges (ICNOC-2022) in online mode, organized by Department of Applied Sciences & Humanities, Faculty of Engineering & Technology, Jamia Millia Islamia, New Delhi, India on November 28-30, 2022.
- ❖ Dr Lalitha S Jairam presented a scientific paper on “The end is as important as the beginning: a case series” at the 1st Asian Regional Congress of Dental Traumatology in Agra from 16th to 18th December, 2022.

## INVITED GUEST SPEAKERS

- ❖ Dr. N Rakesh was Guest speaker on a webinar titled “ Salivary gland disorders: maxillofacial radiologist perspective” at Sri Siddhartha Dental College & Hospital Tumakuru on 10<sup>th</sup> November 2022 on the occasion of world radiology day.
- ❖ Dr Vibha Shetty chaired a scientific session at the 50<sup>th</sup> IPS conference from 10th to 13th November 2022 .
- ❖ A guest lecture was given by Dr Saraswathy on “Pharmacokinetics” at Faculty of Dental Sciences, Ramaiah University of Applied Sciences, Bangalore on 18<sup>th</sup> November, 2022.
- ❖ Dr Vibha Shetty gave a talk on the topic “Clinical Impact of Implant Macro and Micro Design” at the WIN INDIA Summit 2022.
- ❖ Dr Mahantesha S presented a guest lecture on the topic ‘ Is your toothbrush safe enough?’ at the 48th Indian Dental Association Karnataka State and 7th Interstate Dental Conference held in Kalburgi on the 2nd, 3rd and 4th of December 2022.
- ❖ Dr Pushpanjali presented a guest lecture on “IP and Youth Health Care Innovation for a better Future” at the 3rd National Conference of Health and Intellectual Property Rights Academy held in Sri Balaji Vidyapeeth Vidyapeeth, Puducherry on 17th December 2022.

## POSTER/PAPER PRESENTATIONS (PG STUDENTS):

❖ **1st year PGs of the Dept. of Oral and maxillofacial surgery presented papers and posters in the Karnataka State conference held in Mysore on October 13<sup>th</sup>- 15<sup>th</sup> 2022.**

• **Paper Presentation**

- Dr. Amruta T Achar – “Allogenic bone ; A boon in graft materials”
- Dr. Abhilasha A - Facial Soft tissue abrasions - A unique treatment Strategy
- Dr. A Nityasri – Major Orbital injuries in Maxillofacial Trauma

• **Poster Presentation**

- Dr. Avinash – Airway Management in Maxillofacial Surgery- Ways to ventilate
- Dr. Saumya Kapoor – Unicystic Ameloblastoma

❖ **The following Post Graduate students from Dept. of Periodontology presented group projects in the The RUAS Innovation Day held on 18th November, 2022.**

- Dr Pooja, Dr Aditi Rao - Portable ion reduced Water Generating Device - A Prototype.
- Dr Aishwarya Shetty, Dr Khadijathul Irfana, Dr Moulyashree – Combined effect of electric toothbrush and oral irrigator, Aquabrush – A prototype.

❖ **The following Post Graduate students from Dept. of Oral Surgery presented group projects in the The RUAS Innovation Day held on 18th November, 2022.**

- Dr. Aakriti Chowdary ,Dr. Shraddha Krishna, Dr. Sushant Belsare ,Dr. Harini P ,Dr. Hithyshi GK, Dr. S Naksha - Design and development of unified irrigation and suctioning model

❖ **The following Post Graduate students from Dept. of Periodontics presented posters and papers at the 46th ISP National Conference held in Bhubhaneshwar on 11<sup>th</sup> -13<sup>th</sup> November, 2022.**

- Dr Ruthvik – Management of soft tissues complication in dental implants
- Dr Shankhadeep – Management of soft tissues complication in dental implants
- Dr Cristal – Nanotechnology in periodontics
- Dr Shahaziya – Oral mesotherapy – an alternative to surgical procedures
- Dr. Ritu Sen presented scientific paper on topic “ Characterization of Extracellular vesicles : Key to emerging diagnosis “ at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneshwar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- Dr. Sruthy S presented scientific paper on topic “ Unveiling the obscure“ at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneshwar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- Dr. Ummu Salma Z presented scientific paper on topic “ A Glimpse into Radiotherapy“ at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneshwar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- Dr.Saraswathi.D presented paper titled “ Basic Life support of the pulp (vital pulp therapy)
- Dr.Mianti Jain presented paper titled “ Cytotoxicity of Tricalcium Silicate Based cements impregnated with iPRF-an in-vitro study.
- Dr.Sagarika presented paper titled “ Donot throw:Reattach”

## POSTER/PAPER PRESENTATIONS ( PG STUDENTS):

❖ The following Post Graduate students from Dept. of Prosthodontics presented posters and papers at the 50<sup>th</sup> IPS conference from 10th to 13th November 2022.

- Dr. S. Prasanna Vadhani, Dr. Rachapudi Venkata Roshini presented a paper titled “Comparative Evaluation Of A Conventional And Novel Technique Of Application Of Polyvinyl Siloxane Putty For Single Step Border Moulding-A Randomized Clinical Crossover Trial”.
- Dr Chinmaya, Dr Romil Jain, Dr Rajthilak B presented a poster- Graphene the wonder material.
- Dr Shivangini , Dr Sinchana presented a poster- Re-inviting gold standards in ocular prosthesis.
- Dr Sthithika, Dr Pooja, Dr Ritika presented a table clinic- A novel tip for the gold standard auto-mixing technique.

❖ The following Post Graduate students from Dept. of Pediatrics and Preventive Dentistry presented posters in the The RUAS Innovation Day held on 18th November, 2022

- Dr Charu Kalra, Dr Gangeyee Soneja, Dr Tanya Saxena- “Designing and development of a modified toothbrush with light emitting diode Technology”
- Dr Prem Kumar R, Dr Serene Joy, Dr Vismaya Vinod Dhareshwar- “Detection of dental caries in primary dentition using algorithm analysis - a pilot study”

❖ The following Post Graduate students from Dept. of Pediatrics and Preventive Dentistry presented scientific posters at the "43rd ISPPD conference" held at The People's University, Bhopal from Nov 22-25th, 2022.

• **Poster presentation by 1st year postgraduates-**

- Dr Arya- “Teledentistry - Future in the making”
- Dr Yshanna de Souza – “ Iron deficiency anemia and early childhood caries - a two way traffic”
- Dr Dhanyashree- “Chew the New”
- Dr P Jayashri Sivani – “White crowns vs Stainless steel crowns”
- Dr Surabhi Sharma -“ Oral health promotion in children: A narrative review”
- Dr Suraksha Shetty – “ Cell viability and proliferative effect of novel gold nanoparticle conjugated drug on human dental pulp stem cells - in vitro study”

• **Paper presentation by 3rd year postgraduates-**

- Dr Charu Kalra- “Silver Nanoparticles a Boon to Pit and fissure sealants?!!- An in-vitro study”
- Dr Gangeyee Soneja- “Development of Oral Health Education Programme for Primigravida for the Prevention of Early Childhood Caries”
- Dr Prem Kumar R- “Evaluation of mechanical properties and remineralization potential of glass ionomer cement incorporated with moringa olifera leaf extract-an in vitro study
- Dr Serene Joy- “Lyophilized Human Umbilical Cord Platelet Rich Plasma as a novel allogenic Biomaterial for Dentin formation in wistar rat molars”
- Dr Tanya Saxena- Prevalence of dental caries in higher primary school children in Bengaluru city
- Dr Vismaya Vinod Dhareshwar- Development of modified mineral trioxide aggregate as a bio inductive pulp capping material

## INTER UNIVERSITY VISITS

DATE	DEPARTMENT	VENUE
17th – 22nd October 2022	Final year PGs of Orthodontics	SDM, Dharwad
3 <sup>rd</sup> – 5 <sup>th</sup> December 2022	Final year PGs of Periodontics	Manipal College of Dental Sciences, Manipal

## INTER DEPARTMENTAL MEET

12-10-22	Unmasking The Hidden Texture in Radiomics	Oral Medicine	Dr. Pooja Rathore and Dr. Ritu Sen
19-10-22	Immediate implants: A paradigm shift in implant dentistry	Prosthodontics	Dr Rajthilak B and Dr Romil N Jain
02-11-22	A Blitzkrieg Against the Incurable	Oral Medicine	DR. Haripriya P
24-11-22	Fibro-Osseous Lesions Of Jaws	OMFS	Dr. Hithyshi G K Dr. Shraddha Krishna
16-12-22	Pristine oxide- Redefining the chemical plaque control agents	Periodontology	Dr Aditi Rao Dr Pooja

## CDE PROGRAMMES ATTENDED

- ❖ Dr. Sujatha S, Dr. N Rakesh, Dr. Shwetha V, Dr. Pavan Kumar T participated in online session on “Systematic review and meta analysis Interactive masterclass –V” conducted by Trident clinical research forum held from 10<sup>th</sup> - 17<sup>th</sup> October 2022.
- ❖ Dr Lalitha S Jairam, attended a conference on “Special Care Dentistry in the undergraduate dental curriculum” organized by South East Asian Association for Dental Education at Siem Reap, Cambodia from 24<sup>th</sup> - 26<sup>th</sup> November, 2022.
- ❖ Dr. N Rakesh participated in 33<sup>rd</sup> IAOMR National conference and was judge for scientific paper presentation session conducted at Bhubaneshwar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- ❖ Dr Dhananjaya G, attended the 3<sup>rd</sup> national conference of COMHAD INDIA chapter organized on 17<sup>th</sup>- 18<sup>th</sup> December 2022 at IISc, Bengaluru.
- ❖ Dr Pushpalatha C attended the 3<sup>rd</sup> national conference of COMHAD INDIA chapter organized on 17<sup>th</sup>- 18<sup>th</sup> December 2022 at IISc, Bengaluru.

## HEALTH CHECK UP CAMPS

### Dept. of Public Health Dentistry

Month	No. Of camps	Patients screened	No. Of patients treated	No. Of patients referred
October	08	488	40	275
November	06	364	32	273
December	12	475	23	230

## ACHIEVEMENTS

- ❖ Dr Rajanikanth B R, Associate Professor, Dept of OMFS successfully completed his PhD thesis titled “Development of novel bio resorbable scaffold for bone tissue engineering”, under the supervision of Dr. Kavitha Prasad, Professor, Dept of OMFS.
- ❖ Dr Dhananjaya, Professor and HOD of Pediatrics and Preventive dentistry successfully completed his PhD for the thesis titled “Evaluation of mulberry plant extract for its anticariogenic efficacy”.
- ❖ Dr. Ashwini S., Professor, Dept. of Periodontics successfully completed her PhD thesis titled “Microbiological and immunological analysis to determine the effectiveness of non- surgical periodontal therapy on pregnancy outcomes in gestational diabetes mellitus subjects with periodontitis”, under the supervision of Dr. Kavitha Prasad, Professor, Dept of OMFS.
- ❖ Dr Sivaranjani secured 3rd place in SERB conclave.
- ❖ Dr Pushpanjali delivered a talk on “Masters of Health Professions Education” and was conferred with Distinction, Accreditation and Assessment at the Keele University, UK on 7th December 2022.
- ❖ Best Doctor Award was conferred by Kannada Sahithya Sammenellena Programme, held at Shidlaghatta Taluk, Chikballapur on 11th December 2022 to Dr Karthik, Dental Surgeon, Ramaiah Outreach Centre, Kaiwara.

## ACHIEVEMENTS BY POST GRADUATES

- ❖ Dr. Ayesha Najam won the first prize for Best paper of the session for the paper entitled “formulation and characterization of a novel Pulp capping agent” at the 37<sup>th</sup> IACDE national conference held in Bhopal from 17<sup>th</sup> to 20<sup>th</sup> November 2022.
- ❖ Dr. Harshini.P won the first prize in scientific paper presentation for the paper titled “Deep challenges -Newer borders for the hidden orders” at the 37<sup>th</sup> IACDE national conference held in Bhopal from 17<sup>th</sup> to 20<sup>th</sup> November 2022.
- ❖ Dr. Sophia Saud won the second prize for Best paper of the session for the paper titled: “Histological assessment and proliferative effect of PRF – Gold nanoparticles on Dental pulp stem cells” at the 37<sup>th</sup> IACDE national conference held in Bhopal from 17<sup>th</sup> to 20<sup>th</sup> November 2022.
- ❖ Dr. Charu Kalra, Dr. Serene Joy, and Dr. Vismaya Vinod Dhareshwar won “THE BEST PAPER AWARD” at the “43<sup>rd</sup> ISPPD conference” held at The People’s University, Bhopal from Nov 22-25<sup>th</sup>, 2022.
- ❖ Dr. Dhanyashree won “THE BEST POSTER AWARD” at the “43<sup>rd</sup> ISPPD conference” held at The People’s University, Bhopal from Nov 22-25<sup>th</sup>, 2022.
- ❖ Dr. Ritu Sen won best scientific paper Presentation award of the session on topic “Characterization of Extracellular vesicles : Key to emerging diagnosis ” at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneswar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- ❖ Dr. Ritu Sen won Dr. Balaji Rao award for best Post Graduate paper presentation at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneswar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- ❖ Dr. Ummu Salma Z and Dr. Sruthy S won 3<sup>rd</sup> prize for quiz competition conducted at 33<sup>rd</sup> IAOMR National conference conducted at Bhubaneswar from 8<sup>th</sup> – 10<sup>th</sup> December 2022.
- ❖ Dr. Gangeyee Soneja won the 2<sup>nd</sup> place in Caricature Competition on the topic “Stalwarts of Pediatric Dentistry”
- ❖ **On the 18<sup>th</sup> of November 2022, the Innovation day was held in the FET (Peenya) campus of RUAS.**
  - Dr. Manoghna, Dr. Sindhu and Dr. Mohit from Dept. of Orthodontics, guided by Dr. Prashantha G.S. won 1<sup>st</sup> prize for “Novel idea to convert ligating brackets to self ligating”.
  - Dr. Ishita, Dr. Kruti, Dr. Sama and Dr. Sonia guided by Dr. Roshan M. Sagarkar won 1<sup>st</sup> place for their innovation “ Extraction and assessment of tannins as styptic agents for intraoral bleeding via delivery systems.”
  - Under the guidance of Dr. Rajanikanth B R, Dr. Vanitha from Dept. of OMFS won 2<sup>nd</sup> place for their innovation “Novel porous tissue expanders in Maxillofacial regions”.
  - Dr. Preeti Adin, Dr. Megha Patwardhan and Dr. Daadeepya Adapa from dept. of Periodontology guided by Dr. Kranti and Dr. Mahantesha. Won the 3<sup>rd</sup> prize for “FLEXION: Sensor based flexible dental suction- A prototype.”

## EXTRACURRICULAR ACTIVITIES

### Karnataka Rajyotsava- 1<sup>st</sup> November 2022

**Karnataka Rajyotsava** was celebrated in RUAS on 1<sup>st</sup> November 2022 which was attended by both the staff and students. Flag hoisting and cultural programs were conducted to demonstrate the cultural heritage and richness of the state. There was a spectacular display of the varied folk art forms and a presentation of the culture, traditions and food of the state.

### Children's Day - 14<sup>th</sup> November 2022

**Children's Day** was celebrated in the Department of Pedodontics on 14<sup>th</sup> November 2022 which was attended by both the staff and students. Children from Gandhi Vidyalaya, RMV 2nd stage were invited to be a part of the celebration. The programmes held were passing the balloon, hand painting, coloring and drawing competition followed by a dance competition.

## CHRISTMAS 2022

The interns of the Faculty of Dental Sciences, RUAS organized a Christmas celebration in the Auditorium, FDS on 23rd December 2022. It was attended by the students and staff of FDS, RUAS, and included exciting games and prizes. The various departments were decked up in Christmas trees, tinsels and shiny baubles. Various games were arranged and enjoyed by one and all. The games were interspersed with gift exchange, cutting of cake and singing of carols.
