Advertisement for Post of Project Associate I

Ramaiah University of Applied Sciences, Bangalore invites application for eligible candidates for the position of Project Associate I to work under the ANRF sanctioned PM-ECRG project titled "**Rational Design of Ribosome-inhibiting Proline-Rich Antimicrobial Peptides (PrAMPs) For Improved Potency Against Multidrug-Resistant Gram-Negative Bacteria**" at Faculty of Life and Allied Health Sciences

Qualification	Four years Bachelor's degree or Master's degree in Biotechnology/ Microbiology/ Molecular Biology/ Biochemistry from a recognized University with CGPA of 8.5 and above (85% and above). Experience in microbiological techniques, including safe handling of MDR clinical isolates and Antibiotic sensitivity assays, is essential. Basics of molecular biology and mammalian cell culture techniques is desirable.
Duration	One year
Remuneration	As per ANRF norms
Job Description	Candidate will be involved in testing of antimicrobial peptides against Gram negative bacterial isolates, running biochemical assays for elucidating mode of action and testing for toxicity against mammalian cell cultures.

1. Shortlisted candidates will be called for in-person interviews and will be notified for selection by email.
2. No TA/DA will be provided for attending the interview
3. The above position is purely contractual and for a period of one year. The continuation of the fellowship is subjected to satisfactory performance upon review at the end of the year.

How to apply

Candidate should apply with their CV, attested copies of relevant certificates/ mark sheets, any other relevant documents via email to chetanabaliga.bt.ls@msruas.ac.in on or before 8th of July 2026.
