1.	Applied Anatomy	- Teaching was good (5 students) - Provide notes (11 students) - Teach with more examples to understand the topic (6 students) - Teach slowly and cover small portion per day (3 students) - Need more teacher student's interaction in the class (5 students) - Conduct practice exams so that students feel easy for final exam (2 students)	Feedback noted - Every class time will be given to copy notes. - Relevant examples to be given during all the teaching sessions → Since number of hours allotted is less, teaching cannot be done slowly, but we are going in normal pace.	Jyoti #1/3/2025

* Will request the concerned teachers to have more students interaction

At the end of each unit, tests will be planned.

+ Additional printed notes or ppt's cannot be given, since students will stop attending of concentrating in class.
