The Competent Authority in NBA has approved the following accreditation status to the program as given in the table below:

S. No.	Name of the Program(s) (UG)	Mode of Evaluation	Accreditation Status	Period of validity	Remarks

Subject: Accreditation status of UG Pharmacy program applied by M.S. Ramaiah University of Applied Sciences,
Gnanaganolli Campus, New Bel Road, M.S.R Nagar, Bangalore-560054, Karnataka.

Sir,
Ist has reference to your application id No. 10036 13/01/2025 seeking accreditation by National Board of
Accreditation (NBA) in the UG Pharmacy program applied by M.S. Ramaiah University of Applied Sciences,
Gnanaganolli Campus, New Bel Road, M.S.R Nagar, Bangalore-560054, Karnataka

2. An Expert Team conducted on-site evaluation of the program from 16th to 18th May, 2025. The report
submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The
Competent Authority in NBA has approved the following accreditation status in the program as given in the table
below:

Sl. No.	Name of the Program(s)	Base of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
	Pharmacy	Internal, 2016 Document	Accredited	Academic Years 2023-2026 to 2027-2028 i.e. upto 30.06.2028	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to M.S. Ramaiah University of Applied Sciences, Gnanaganolli Campus, New Bel Road, M.S.R Nagar, Bangalore-560054, Karnataka as a whole. As such the institute should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of your institution.

6. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication on eNBA portal alongwith Report of the Expert Team, giving reasons for the same and by paying the requisite fee.

Yours faithfully,
Chaitanya
