Name of the feedback coordinator	Manjunatha K

Sl no	Course on which feedback obtained	Critical Observation from feedback	Action taken with target date	Signature of the Course leader & HOD
1	Nursing Foundation	<ul style="list-style-type: none"> Everything is good Need to have proper communication with students Teaching should be more creative by giving examples Use AV aids while teaching like LCD (8 students) Need to improve foundation lab 	We will take corrective actions as per the feedback given by the students	Ramesh For
2	Nutrition & Dietetics	<ul style="list-style-type: none"> Everything is good Conduct practical classes Provide notes Need to explain concept in detail (2 students) Use AV aids while teaching like LCD. No comments (4 students) 	class notes will be uploaded to the ERP portal for easy access upcoming batches.	Priyanka Course leader For
3	Biophysics	<ul style="list-style-type: none"> Everything is good Nursing applied teaching was not done. (3 students) 	-	-

		<ul style="list-style-type: none"> The punctuality of the subject in charge was very bad regarding teaching. Use LCD projector while taking classes (2 students) No comments (4 students) 	<p>Corrective actions will be taken as per students feedback.</p>	<p>At.</p>
4	Psychology	<ul style="list-style-type: none"> Everything is good Use more Creativity in imparting knowledge Use LCD projector while taking classes (3 students) Need elaborate explanation. The management in distributing assignment, seminar and group project are too worse, deadline are given of all subject within one month before finals exam. No comments (5 students) 	<p>→ considered & will implement in the 2024-25 academic.</p> <p>→ Due to technical issues, continuous usage of LCD cannot be used.</p> <p>→ Assignment & Seminars will be implemented from the beginning of the year.</p>	<p>gangwade 9/10/2024</p> <p>For seminar 9/10/24.</p>
5	Maternal Nursing	<ul style="list-style-type: none"> Everything is good Use more Creativity in explanation Lab demonstration is required. Include more simulation training (3) While taking classes, PPT can be used (3 students) Teacher are rude and not understanding The OBG lab need to be modified by replacing articles that are broken. All teachers are too busy in their work to meet students and some teacher require appointment for meeting students that is inappropriate. 	<p>1) Lab demonstration → Lab teaching or demonstration was done as teacher taught according to unit.</p> <p>2) with regards to assignment -</p> <p>- In month of March 2024 assignment was given.</p> <p>- In month of May 2024 submitted two assignment</p> <p>→ In month of June & July 2024 completed other assignment</p>	<p>Boag 11/10/24</p> <p>for 7/10/24</p>

		<ul style="list-style-type: none"> The distribution of assignment, seminar, group project need to be distributed on whole year and not only last one month. No comments (2) 	<p>→ ppt used as per unit + topic</p> <p>4) suggestions can be considered & rectified in the following upcoming year.</p>	
6	Child Health Nursing	<ul style="list-style-type: none"> Everything is good More clinical demonstration is required (6 students) Include simulation training in the lab. No procedure demonstration was done by the faculty in the lab. We didn't have any chance of seminar and workshop. Improvement in managing the distribution of assignment seminar group project for whole year. No comments (4 students) 	<p>→ Clinical demonstration topics will be divided for all faculty of CHN dept.</p> <p>→ Assignment & Seminar project will be implemented from the beginning of academic year.</p>	<p>Gangavarapu</p> <p>3/10/2024</p> <p>R. S. J.</p>
7	Medical & Surgical Nursing	<ul style="list-style-type: none"> Everything is good Need more practical demonstration in the laboratory (6 students) Precise explanation with use of PPT (2 students) Need more detail explanation with PPT (2 students) Teachers are not helping in responding to questions (2 students) Clinical posting was only on general ward and ICU and A&E should be included. Deadline for the assignment seminar group project should be managed and satisfactory time duration should be given. Include students in simulation training and workshops. Improve the lab Nothing (2 students) 	<p>→ we will include some lab hrs.</p> <p>→ we will use PPT to take classes.</p> <p>→ we will shift Post the slides in video & A&E also.</p> <p>→ we will plan to give assignments, seminars, & at beginning itself.</p> <p>→ we will involve them in workshop & simulation.</p>	<p>R. S. J.</p> <p>Salome</p> <p>09/10/24</p> <p>Head of the Department Medical Surgical Nursing Ramaiiah Institute of Nursing Education and Research M.S.R.I.T.P.O. Bangalore</p>

Course	Critical Observation from feedback	Action taken with target date	Signature of the Course leader & HOD
Biochemistry	<ul style="list-style-type: none"> Everything is good (2 students) Orientation to syllabus was not there but overall teaching was appropriate and faculty was approachable and well guided Faculty are sometimes too busy with their work to meet students and requires appointment. Breaking down of topic into more simple and creative way Please give proper book for reference. No improvement needed (4 students) 	<ul style="list-style-type: none"> Biochemistry syllabus will be detailed to the students in 1st class by HOD. The point is noted. Points are simplified, but will continue to do so. Reference book are suggested every year. 	<p>Biochem Course leader</p> <p>Prof. and Head Department of Biochemistry Ramaiah Medical Coll Bangalore-560054</p>
Microbiology	<ul style="list-style-type: none"> Teachers should provide some study material and teachers deny book answer that is written to prefer their knowledge answer (6 students) Teaching should be to the level of nursing (2 students) Conduct practical demonstration for better retention of the topic Should explain more precisely Teachers doesn't give good marks. The book recommended by them is not effective in exam time. (3 students). Class test after each chapter can be helpful for students to assess themselves. 	<p>Students are advised to follow the text book recommended by department.</p> <p>Teaching is done according to curriculum.</p> <p>Students advised to study regularly.</p> <p>NOT APPLICABLE</p> <p>Can be done.</p>	<p>Banashankar Prof. & Head Dept. of Microbiology S. Ramaiah Medical Coll. Bangalore-54</p>
