## Department of Aesthetic Dentistry

Faculty of Dental Sciences  
Ramaiah University of Applied Sciences

YOUR ORAL HEALTH  
OUR PRIORITY

The Department of Aesthetic Dentistry is dedicated to the preservation, restoration, and enhancement of dental esthetics through minimally invasive and evidence-based treatment approaches. The department focuses on improving smile harmony, function, and overall dental appearance while preserving the integrity of natural tooth structure. Areas of expertise include tooth-colored restorations, smile designing, veneers, bleaching and whitening procedures, management of discoloration and enamel defects, adhesive rehabilitation, minimally invasive restorative techniques, and digital esthetic dentistry. The department integrates advanced biomaterials, contemporary technologies, and patient-centered care to achieve predictable and natural-looking outcomes. The department is committed to excellence in clinical practice, education, research, and innovation in the field of esthetic dentistry.

**Dr. Anu Elsa  
Swaroop**
