

MSRUAS Examination Regulations- 2023

**M S Ramaiah University of Applied Sciences
Bangalore**

NOTE:

Various aspects of conducting the University Examination are addressed in this version of the '**RUAS Examination Regulations**'. Anything not covered or specifically not addressed in these Regulations or any issues arising out of the present Regulations but may be necessary to be addressed for the smooth conduct of the University Examinations will be notified separately on approval by the Board of Examinations and after due process.

The Chairperson of the Board Of Examinations (BOE) constituted a task force committee to revise and amend the existing '**RUAS Examination Regulations,2020**' and amend the regulations in view of the merger of three Health Sciences namely Ramaiah Medical College, Ramaiah Institute of Nursing Education and Research and Ramaiah College of Physiotherapy to cover all the aspects of the various guidelines of the regulatory bodies like NMC and INC in the 7th meeting of the BOE held on 27th December 2022. The amended regulations by the task force committee were accepted and approved in the 28th Academic Council Meeting held on 3rd April 2023. The Board Of Management (BOM) in its 25th meeting held on 23rd June 2023, approved the amended '**RUAS Examination Regulations,2023**'.

Introduction

M S Ramaiah University of Applied Sciences (MSRUAS) is a Private University established by an Act of the State of Karnataka, India. Gokula Education Foundation – a public charitable trust owned by the Ramaiah family, sponsors the University. The Gokula Education Foundation has promoted more than 20 institutions, since 1962, providing higher education and quality healthcare.

Ramaiah University of Applied Sciences (RUAS) (Registered as M S Ramaiah University of Applied Sciences) is established with a vision to be known as a modern, innovation-intensive University, where the University continuously interacts with the industry, business communities, and government organizations. The University aims at having graduates who are competent, confident, think creatively, and apply their academic learning and practical skills to find innovative solutions to problems faced by society.

The University presently has the Faculties as shown in Table-1.

Table-1 Faculties of MSRUAS

Sl. No.	Name of the Faculty
1	Faculty of Engineering and Technology (FET)
2	Faculty of Art and Design (FAD)
3	Faculty of Mathematical and Physical Sciences (FMPS)

There are separate Directorates such as – Admissions, Student Affairs, Training, and Life-Long Learning, Transferable Skills and Leadership Development, International Collaboration and Partnership Management to support the academic activities and interactions with industry, business communities, in India and abroad.

RUAS has implemented the Outcome-Based Education System, which focuses on equipping the students with knowledge & understanding, cognitive abilities, practical skills relevant to industrial and societal needs. The University has adopted global best practices in teaching, learning, and assessment to ensure the all-round development of students for a successful career. Being a comprehensive University, the programmes are inter-and multidisciplinary which is an essential characteristic of present-day education. All programmes are designed to train students to be creative, innovative, and imaginative, which are the fundamental requirements of the graduates of the 21st Century.

It is envisioned that RUAS will become a top University for Innovation and Research in Asia in the coming decade by adopting best practices followed in the premier institutions across the globe.

2 Chapter

Examination at MSRUAS

The University follows a fair and transparent examination system involving various examination methods. The University conducts its Programmes following the Semester and/or Annual pattern of University examinations as per Academic Regulations of the respective Programmes.

Wherever applicable, the guidelines of the statutory, regulatory bodies such as DCI, PCI, NMC, INC, Bar Council, etc. will be followed.

The Office of the Controller of Examinations of the University is responsible for the conduct of all University examinations, valuation, and the announcement of results and maintenance of student examination records for all programmes offered by the University.

In general, the University examination includes:

- Theory papers (objective type of questions, short answers/essays and long essays);
- Clinical/practical Examinations; and
- Group Discussions, Personal Interviews, Presentations, or Viva-voce as per the specified regulations.

This 'RUAS Examination Regulations' document aims at guiding the effective, efficient and lawful conduct of University examinations comprising of Certificate, Diploma, UG, PG, and Doctor of Philosophy programme offered by the MSRUAS.

The document is structured around four broad perspectives as shown in Figure-1

Figure-1 The Structure of the RUAS Examination Regulations

Further, this document also highlights some of the key features of the different regulatory body guidelines in conducting the examinations as below:

1. Chapters 1 through 6 – Examination Regulations-2023 explain the processes generally applicable to all the programmes of the University offered by different Faculties.
2. Chapter 7

The following sections in this chapter outline the regulations specific to the programme offered by the Faculty/Colleges as per their respective regulatory bodies.

Section	Faculty / College	Regulatory Body
A	Faculty of Dental Sciences (FDS)	Dental Council of India
B	Faculty of Pharmacy (FPH)	Pharmacy Council of India
C	Ramaiah Medical College (RMC)	National Medical Commission
D	Ramaiah College of Physiotherapy (RCPT)	Unlike the other four (A,B,C & E) in this list, there is no regulatory body for RCP either at the National or at the State level.
E	Ramaiah Institute of Nursing and Research (RINER)	Indian Nursing Council
<p>Note:</p> <ol style="list-style-type: none"> All generic provisions shall be common to all the Faculties under the ambit of the University. The provisions of the regulators will prevail over the generic provisions. The interpretation provided by the University shall be final. 		

2.1 Comprehensive Framework

The Board of Examinations provides the comprehensive framework for carrying out all examination related activities by the office of the Controller of Examinations.

2.1.1 Constitution of Board of Examinations (BOE)

9. All acts of the BOE, the decisions at every meeting, questions coming/arising before it, shall be decided by the majority of the votes of members present and voting at the meeting.
10. Each member of the BOE, including the Chairperson, shall have one vote. In case of an equality of votes, the Chairperson shall have a casting vote. The COE, though he/she is the Member-Secretary of the BOE, shall not have the right to vote.
11. Any business that is the responsibility of the BOE may be carried out by circulating an appropriate resolution, "Resolution by Circulation" along with an explanatory note among its members. Any resolution so circulated and approved by a simple majority shall be effective and binding. All Resolutions passed by Circulation shall be placed in the next Meeting of the BOE and ratified at such meeting.
12. The decisions on various matters at the meetings of the BOE shall be regulated by the Chairperson following the rules laid down. The Chairperson may make such changes as he/she considers essential, and changes made by him/her shall be final for that meeting. However, the changes so made shall not be inconsistent with the approved Rules and Regulations of the University.
13. Two-thirds of the total members of the BOE shall constitute a quorum and if there is no quorum, the meeting shall be adjourned by the Chairperson to a specific time on the same day or a later date and no quorum shall be necessary for such adjourned meeting.

14. Any member not attending three consecutive meetings, without prior permission by the Chairperson, shall cease to be a member. The Chairperson shall fill the vacancy, so caused, before the next meeting of the BOE.
15. The minutes of the proceedings of every meeting shall be drawn up by the Member-Secretary and approved by the Chairperson. A copy of the minutes of the proceedings shall be circulated amongst all the members for their comments. A copy of the minutes of proceedings along with the comments of the members shall be placed before the BOE at its next meeting for confirmation.

2.1.4 Notifications Related to Examinations

All University Examination related notifications shall be issued by the Office of the COE.

2.1.5 Pre-Examination Process

The Office of the COE shall be responsible for the preparatory work necessary for the conduct of University examinations, in each Academic Year.

The activities shall include, but are not limited to:

1. Receive the list of courses being offered in the semester/year from the Dean- Academics.
2. Prepare the financial estimate of all examination activities for incorporation in the budget of the University.
3. Appointment of question paper setters, examiners, moderators for the setting of question papers and examiners for the practical/ clinical examinations.
4. Preparation of Schedule of Examinations for each Faculty and all the Programmes offered by the University during the Academic Year.
5. Arrange for BOE's approval of the Panel of Examiners containing question paper setters, examiners, moderators, practical/clinical examiners submitted by the Examination Sub-Committees
6. Appointment of Chief Superintendent and Deputy Chief Superintendent, Members of the Vigilance Squad, and other ad-hoc appointments of officials as necessary to conduct the examinations.
7. Preparation of examination timetables of all examinations in consultation with the Dean of the Faculty.
8. Make arrangements to designate specific facilities in the University as Examination Centers and the Central Valuation Center (CVC).
9. Make arrangements for the procurement, storage, distribution and control of inventory of all "controlled" examination stationery.

10. Arrange for the generation of Admission Tickets for the academically eligible students and other examination related documents such as Seating Plans, List of students, attendance sheets, etc.
11. Release of Admission Tickets to all those who are eligible to receive them after submitting the required NOCs from the different departments.

2.1.6 Examinations Process

This phase is related to the process of conducting the examinations in the University, finalization, and the announcement of results.

The activities shall include, but not limited to:

1. Printing of question papers
2. Arrangements for the collection of question papers on the date of examination from COE's Office
3. Arrange for Vigilance Squads
4. Arrange to collect answer scripts from the examination centers.
5. Arranging to evaluate answer scripts and enter the marks into the RUAS Portal by the course leaders.
6. Process the examination results on the RUAS Portal.
7. Arrange for SAB and PAB meetings at the faculty level for review and finalization of results.
8. Announcing the results of all examinations on the RUAS Portal with the due approval by the authorities.
9. Confidentiality, wherever required, shall be strictly observed by all concerned and any violation in this aspect by anyone is to be dealt with very seriously by the COE and may take appropriate action to rectify the damage caused.

2.1.7 Post Examination Process

This phase is related to the activities after the announcement of the results of the University examinations.

The activities shall include, but not limited to:

1. Arrange for receiving grievance applications from the students for the re-totaling of marks.
2. Taking action with respect to reported cases of unfair-means and lapses on the part of the students or the faculty and staff members respectively.
3. Arrange for receiving the requests for Provisional Degree Certificate (PDC) and issuance of the same.

4. Arrange for the issue of duplicate grade card/degree certificate and other documents against the request from the student.
5. Support the process of convocation by providing transcripts (i.e marksheets of the semesters), degree certificates, etc. as necessary.
6. Arrange to collect the corresponding fees for all services rendered with respect to the examinations processes.
7. Preservation of the examination documents and records in accordance with the University's Retention and Disposal Guidelines (Ref: Section 6.2).
8. Arrange to provide data for uploading graduated students' academic details to the National Academic Depository (NAD) or other such designated agency.
9. Provide statistical data and other examination information to the designated University authorities from time to time.

3 Chapter

The Pre-Examination Process

3.1 Examination Calendar and Schedule

1. An Academic/Examination Calendar indicating the tentative date of commencement of University Examination (Semester/Annual) for all programmes is prepared before the commencement of each academic year by the Office of the Controller of Examinations in consultation with the Dean- Academics and approved by the BOE.
2. The University Examination Timetable shall be prepared by the Office of the COE in consultation with the Dean of Faculty and the same shall be issued by way of a Notification for the information of all concerned.
3. Adequate arrangements shall be made for the conduct of all University examinations in accordance with the announced schedule. Where a particular examination is required to be re-scheduled due to unforeseen circumstances the Office of the COE shall make suitable announcements to all concerned regarding the alternative date(s) and alternative arrangements made by the University. All such announcements shall be made in due consultation with the Dean of the Faculty.

3.2 Registration of Candidates for Examinations

3.2.1 Odd and Even Semester Examinations:

1. The regular candidates who have registered for the odd or even semesters will be registered for the respective Semester End Examinations.
2. The candidates who wish to take a **Re-sit (RS) examination** in certain courses during the odd and even semesters will have to register for the examination on the RUAS Portal, by making the payment of the prescribed fee, as per the schedule notified before the examination.

3.2.2 Annual Scheme Examination

1. The regular candidates who have registered for the year-wise/annual Programme will be registered for the respective Year End Examinations.

3.2.3 Supplementary Examinations

1. The candidates who wish to register for the Supplementary/Summer Semester Examinations under the Re-Registration (RR) or Re-Sit (RS) category shall do so, on the RUAS Portal, as per the notification in this regard, by making the payment of the prescribed fee.

2. The limit on the maximum credits a student can register for shall be applicable as per the corresponding Programme Academic Regulations.

3.3 Eligibility of the Candidate to Write the University Examination

The Course Leaders/HODs and Dean of the respective Faculty shall finalize the Continuous Evaluation (CE) marks and attendance, at least Seven (7) working days, before the commencement of the examinations.

A candidate must fulfill all the criteria defined for eligibility purposes, i.e. attain the minimum attendance percentage and possess the minimum CE marks in the course and have paid the fees as stipulated in the applicable Programme Academic Regulations, to become eligible to appear in the University Examination in that course.

3.4 Admission Ticket

All candidates who have registered for a Semester End Examination and have fulfilled all the requirements stipulated in the Academic Regulations of the corresponding Programme will be issued an Admission Ticket for the University Examination.

1. The Admission Ticket will show the list of courses for which the student is eligible to appear in the examination.
2. The course(s) in which the student has not attained eligibility to write the examination will not appear in the Admission Ticket.
3. All Candidates will be allowed, by logging into the University's ERP System, to download their Admission Tickets.
4. The candidates must produce the ID card and Admission Ticket at the examination room whenever demanded.

3.5 Examination Duties

The duties assigned concerning the conduct of various activities in the examination process are mandatory for all the University faculty/staff members, except with prior approval from the VC for a valid reason. Non-performance or refusal to undertake examination duties assigned may entail disciplinary action as per the University norms.

Any person whose family members or close relatives are taking the University Examinations shall not be assigned the Paper Setting, Valuation, or role of Superintendents/Supervisors in the University Examinations. Every person assigned any of these duties is required to submit an undertaking to the Office of the COE specifically stating the absence of any conflict of interest or any other disqualification to take up the assignments connected to the current Examination.

3.5.1 Faculty Academic Coordinators

Faculty Academic Coordinators at the Faculties shall closely work with the Office of the COE in all University Examination related activities. The Examination & Assessment Section of every Department shall assist the Office of the COE in all Examination, Results processing and Convocation activities.

3.6 Appointment of Examiners

The University will conduct all examinations as per the Examination Schedule approved by the COE. To facilitate the appointment of examiners for the various Programmes offered by the University, the recommendations are received from the Examination Sub-Committees of the respective faculties and the Controller of Examinations shall approve the same.

The members of the panel may be drawn from both faculty members of the University as well as faculty members from other universities/academic institutions. Information such as name, qualification, designation, academic and research experience with courses handled, and experience as an examiner, moderator, and paper setter, etc. shall be maintained by the Office of the COE and of the respective Deans.

3.6.1 Panels of Examiners and Moderators:

A Panel of Examiners (“**POE**”) for Paper Setting shall be prepared and maintained for each of the programmes/departments of the University, following a periodic update of the names of the panel members.

A Panel of Moderators (“**POM**”) for Paper Setting and Valuation shall be prepared and maintained for each of the programmes/departments of the University, following a periodic update of the names of the panel members.

The names for the POE and POM shall be nominated by the BOS, Dean of the Faculty, and recommended by the Examination Sub-Committee and finally approved by the BOE.

After the approval by the BOE, a letter of appointment to the concerned along with a copy of instructions/guidelines and other relevant information for which they are appointed shall be sent by the Office of the COE through the Faculty Academic Coordinator.

3.6.2 Criteria for the Nomination of Panel of Examiners:

While proposing the names of faculty members for the POE, the following guidelines shall be adhered to.

Internal Examiner-

1. He/she should have taught the course in the department/University or should be knowledgeable in that course.
2. A maximum of four consecutive terms of examiner-ship is permitted. The services may be continued with a one-term break.

External Examiner –

1. He/she should have taught the course for a minimum of 3 years or should be knowledgeable in that course.
2. A maximum of two consecutive terms of examiner-ship is permitted. The services may be continued with a one-term break.

Depending upon the availability of the senior faculties, the respective Sub-Committees will take care of the criteria for the appointment of the examiners for UG/PG programmes.

3.6.3 The Setting of Question Papers

The University is following the 'Outcome Based Education System' (OBES) in all programmes. As part of this system, the examination and valuation system should assess the attainment of the outcomes, as prescribed in the Programme Specifications / Course Specifications, by the students in corresponding examinations.

The norms for setting up question papers will be in accordance with the pertinent regulations of MSRUAS or the stipulations of the Regulatory bodies. For all applicable cases, the norms of the regulatory bodies supersede the University regulation(s) with no exception.

3.6.4 Theory Examinations

For all theory examinations, the question papers shall be set by the examiners selected out of POE, as per the recommendations of the Examination Sub-Committee.

The Course Leader or the Internal Examiner (IE) shall set two sets of question papers.

1. Internal Examiner (IE) – Normally the faculty member of the department/Faculty who has taught the course during that semester/year.

Question Paper Moderator (QPM) – Normally the HOD or the nominee of the HOD who has experience as a teacher and examiner.

In such of the Programmes where the above mentioned University norms are not applicable and are guided by the norms of the regulatory bodies, the Office of the COE should be notified by the respective Dean of the Faculty about the mandated structure for the setting up of the question paper much well in advance of the schedule of the examinations to facilitate adequate time and logistics to

conduct examinations in conformity to the stipulated regulations of the regulatory bodies. A detailed Programme wise documentation about the question paper setting, including the number of question papers to be set per course, should be part of the proceedings of the BOE.

The process under University Regulations:

1. The IE prepares two (2) question papers as per the Course Specifications, covering all aspects of CO and PO, prepares the corresponding scheme of valuation, and submits the same to the COE office.
2. QPM will independently review the Question Papers set by IE and can suggest modifications to the two question papers to ensure the logical flow and difficulty levels in the interest of the student comprehension and to achieve intended academic rigor. The QPM shall certify that the suggested modifications are incorporated by the IE in the two question papers. The QPM shall then arrange two separate sealed covers with each cover containing “a” question paper and the pertinent marking scheme. QPM shall submit the two sealed covers to the COE office.
3. The COE or an authorized representative will select one (1) question paper of the two (2) papers for the examination. The other will be kept as a reserve.
4. A suitable method of printing the question papers while maintaining confidentiality and a delivery system to the Examination Offices at the Faculties shall be adopted.

3.6.5 Practical/Clinical/Viva-voce Examinations

1. A team of two examiners, one IE, and one EE shall be appointed for conducting the laboratory examinations in a course as per the recommendations of the Examination Sub-Committee.
2. Wherever, EE is not available for certain specialized course/programme, a faculty member of the department/faculty of the University can be appointed.
3. Although IE will be Chairperson for laboratory examination, however, IE and EE are jointly responsible for setting up the laboratory examination question papers, conducting the laboratory examination, conducting viva-voce, also keeping in view the various guidelines of the Regulatory bodies, if any, and finalizing the marks as per the course documents.

The process outlined above applies to all other practical examinations of all Faculties of the University. Wherever specific requirements are stipulated by a Regulatory Body (e.g. DCI, PCI, etc.) shall be complied with by the person concerned.

3.6.6 Valuators

For Programmes covered under the University norms, the IE/Course Leader shall evaluate the answer scripts assigned to him/her as per the valuation scheme provided and any other applicable guidelines provided, as necessary. In such cases where the number of answer scripts to be evaluated is exorbitantly high for a single evaluator, the sub-committee shall appoint additional evaluators who would have taught or are knowledgeable about the course.

However, for such of the Programmes where the above mentioned University norms are not applicable and are guided by the norms of the regulatory bodies, the Office of the COE should be notified by the respective Dean of the Faculty about the roles and responsibilities of the valuators much well in advance of the schedule of the examinations to facilitate adequate time and logistics to organize the valuation process in conformity to the stipulated regulations of the regulatory bodies. This must also be recommended by the BOE and ratified by the Academic Council. A detailed Programme wise documentation about such norms of the valuation, including the number of valuators needed per course, should be part of the proceedings of the BOE.

The valuator is responsible for evaluating all the answer scripts digitally. Post valuation, the allotted marks will automatically be transferred to the examination management system through the Application programming Interface (API).

3.6.7 UG and PG Dissertations

A 'Valuation Panel' shall be constituted at the department level for valuation of the UG and PG dissertations. The Valuation Panel shall have the structure as in Table-4.

Table-4 Valuation Panel for UG and PG Dissertations

S.No.	Member	Designation
1	Dean/HOD	Chairperson
2	A maximum of two External Examiners for each department	Members
3	Two faculty members from the concerned department nominated by the HOD	Members
4	One faculty member from a department/Faculty external to the concerned department	Member
5	Supervisor guiding the student(s)	Member-Secretary

The panel shall evaluate the dissertation of the students as per the evaluation scheme indicated in the Course Specifications. The final marks are entered by the Supervisor/Guide into the University's ERP system.

3.6.8 Online Examination

The University encourages the online examination processes as part of its E-Learning Initiatives, wherever necessary. Appropriate online examinations method(s) can be adopted for both theory and Laboratory/Practical/ Clinical courses at the University Examinations. All such online examinations shall be duly notified with adequate information and pattern of the examination in compliance with the guidelines of various regulatory bodies as well as the SOPs established by the University. Though the examination may be online for E-Learning initiatives, the credits earned through such courses shall be valid and be counted for the academic award.

3.7 Appointment of Chief Superintendents and Deputy Chief Superintendents

Chief Superintendents (CS) and Deputy Chief Superintendents (DCS) shall be appointed by the COE, based on the recommendation of the Dean of the Faculty and after approval by the Vice-Chancellor. The CS and DCS shall confirm their acceptance of the appointment within 2 working days.

Room Supervisors and Relieving Room Supervisors shall be appointed by the CS and DCS in consultation with the respective HODs and Dean of the Faculty and approved by the Office of the COE.

3.7.1 Duties and Responsibilities of Chief Superintendent

Following are the main duties and responsibilities of the CS:

1. To collect the information from the Examination and Assessment Section of the Faculty regarding the examination schedule and seating plans and make suitable arrangements to conduct the University Examination(s) smoothly.
2. To prepare the session wise requirement of the number of RS and send the request to the Dean and HODs. The HODs, in turn, shall send the names of RS as per the requirement to CS. Get the consolidated list approved by the Office of the COE.
3. To allot the day-wise RS/ Relieving Room Supervisor duties and communicate to all the concerned.
4. The Course Leaders shall communicate the requirements for each examination, such as handbooks, data tables, graph sheets, etc., to the CS at least two working days before the examinations. The same shall be arranged in consultation with the E&A section and the library staff.

5. To instruct the custodians of the examination rooms to facilitate smooth conduct of the examination by providing required facilities including making provision for the Examination Office.
6. To receive all the stationery required for conduction of the University Examination like attendance sheets, answer booklets, drawing sheets, graph sheets, formats for registering the malpractice cases, etc., from the E&A section on the day of examination.
7. The CS and DCS shall report for duties at least 60 minutes before the start of examination on all the days of examination.
8. To remain at the premises during the entire period of examination and shall not leave without informing the DCS.
9. To facilitate the recording of the session wise attendance of the staff reported for examination duties on each day.
10. To facilitate the RS with answer booklets and other required documents and dispatch them to the allotted rooms 10 minutes before the commencement of the examination.
11. To coordinate the timely distribution of question papers.
12. During the examination, the CS shall monitor and liaison with the RS and record the cases of malpractices reported by the RS, if any.
13. The CS shall be responsible for physical verification and safe delivery of answer scripts to the COE office on the same day.
14. At the end of an examination session, the RS shall handover the Report of Utilization of the stationery and the unused stationery to E&A staff.
15. To report any instances of insubordination or negligence of duties by the RS and Relieving Room Supervisor to the Dean.

3.7.2 Duties and Responsibilities of the Deputy Chief Superintendent (DCS)

1. To assist the CS in the smooth conduct of the examination.
2. To report to the CS at the Examination Office 60 minutes before the commencement of the examination and record his/her reporting to duties by affixing the signature in the attendance sheet provided for the said purpose.
3. To assist the CS in arranging the question papers room-wise (branch-wise/course-wise, etc.) as per the seating plan.
4. To oversee the distribution of blank answer booklets, additional materials such as data handbooks, tables, charts, graph sheets, drawing sheets, etc. The DCS shall deliver the covers of question papers to the examination rooms concerned. The DCS shall ensure that

the RS is provided with all necessary stationery and documents for the smooth and fair conduct of the examination.

5. To remain at the premises allotted to him/her during the entire period of examination and shall not leave without prior permission of the CS.
6. To ascertain that the RS has made the mandatory announcements in the respective examination rooms.
7. To see that the candidates with valid admission tickets and identity cards only are allowed to take the examination.
8. To be responsible for reporting the cases of malpractices in the standard format and handing over the case to the CS.
9. It is the sole responsibility of the DCS that the RS strictly comply with the duties and responsibilities assigned to them and the examination is conducted fairly in all the examination rooms.
10. The CS and DCS shall be present for physical verification and safe delivery of answer scripts to the COE office on the same day.
11. In the event of any discrepancy, like misplacement of the booklet, absence of the candidate's signature, invigilator's signature, errors in records, etc., the CS and DCS shall be held responsible and shall be available for clarifications.

3.7.3 Duties and Responsibilities of the Room Supervisor

1. To report to the CS/DCS at the Examination Office at least 30 minutes before the commencement of the examination and record his/her reporting to duties by affixing his/her signature in the attendance sheet placed for the said purpose.
2. To ascertain the examination room assigned to him/her and the number of candidates in the room.
3. To collect the answer booklets/drawing sheets, seating plan corresponding to the allotted examination room from the CS/DCS under acknowledgment, and verify the stationery received for distribution to the students.
4. To reach the allotted examination room 10 minutes before the commencement of the examination and permit the entry of students to the examination room after the first bell. The RS shall ensure that the students occupy only the seats allotted to them.
5. To ensure that candidates take their seats before the commencement of examination, even though the candidate shall be allowed to enter the examination hall up to 30 minutes from the commencement of the examination.
6. To receive the question papers in the covers from the CS/DCS.

7. Five minutes before the commencement of the examination, the answer booklets shall be distributed to those candidates only who are seated in the examination room and are not to be placed on the vacant seat.
8. Before issuing the question papers to the students, the RS shall make the mandatory announcement (Ref.: Section 4.3.2) to the students.
9. To distribute the question papers to the candidates seated in the examination room, only when the commencement bell of the examination rings.
10. Report the discrepancies/errors in the questions noticed by the students to CS/DCS. CS/DCS will immediately contact the concerned HOD for any further action deemed fit to be taken in consultation with the COE, for on-the-spot implementation.
11. Candidates shall not be allowed into the examination hall after 30 minutes from the commencement of the examination. In addition, candidates who have already reported on time shall be allowed to leave the examination hall only after 30 minutes have elapsed after the commencement of the examination.
12. To affix signature on the answer booklets of the students, at the place marked as 'Room Supervisor signature', only after verifying the identity of the candidate with photo on admission ticket and University ID Card, entered the correct Registration number and other particulars required on the facing sheet of the answer booklet and obtain the signature of the candidates on the attendance sheet.
13. To remain alert in the examination room and shall attend to the requests of the candidates for the supply of any other permissible stationery and materials.
14. If any student has not brought his/her admission ticket, the matter shall be brought to the notice of the CS/DCS.
15. If any candidate is absent, the word 'ABSENT' shall be written in capital letters in the appropriate column of the attendance sheet, preferably in the RED ink, after the expiry of 30 minutes from the time of commencement of the examination.
16. After 30 minutes of the commencement of the examination, the spare answer booklets, unused question papers shall be returned to the Relieving Room Supervisor when he/she visits the examination room.
17. After the fourth bell, Room Supervisor shall announce that all the supplementary sheets be tagged together with the main answer booklets and mark all blank sheets with cross lines running across the pages without fail.
18. Shall not accept the answer books of any candidate without ensuring that it bears his/her correct registration number, other information required on the facing pages of the answer booklet, and the supplementary sheets and crossing of the blank pages. In case the sheets

are blank without cross lines, the Room Supervisor shall put cross lines in the presence of the student.

19. The candidates are advised not to use the restroom during the examination. However, in extreme situations, the same may be reported to the CS/DCS.
20. The Room Supervisor shall be vigilant and is expected to take rounds in the examination room and shall not engage themselves in conversation with other Room Supervisor while the examination is in progress, also shall not read magazines, books, newspapers, or use mobile phones by sitting at a place.
21. While taking rounds of the examination room, if the Room Supervisor notices any candidate indulging in copying or in possession of answer booklets/sheets other than that of the candidate, any written material on calculator/geometry box/scale/parts of the body, he/she shall immediately take in his/her possession the candidate's answer book, question paper, mobile phones or any electronic gadgets and the materials which he/she has used for copying and immediately report the matter to the CS/DCS. The Room Supervisor should not allow the candidate to leave the examination room until the CS/DCS comes to the examination room and takes over charge of the case.
22. Should ensure that there is no communication among candidates in the examination room.
23. The violations of instructions by any candidate shall be brought to the notice of the DCS/CS immediately and a written report is to be made regarding such cases.
24. Smoking and consuming any form of refreshment inside the examination room where the examination is in progress is strictly prohibited.
25. Whenever the candidate wishes to change the pen/ink, the room supervisor shall affix the signature on the top of the facing sheet of the answer booklet to this effect.
26. After the expiry of the time of the examination, when the final bell rings, the Room Supervisor shall collect the answer papers, shall arrange them in sequence as per the seat numbers, and hand them over to the CS/DCS along with other reports.
27. Shall be personally held responsible for loss, misplacement of any answer booklet, or the examination records handed over to him/her during the examination.
28. Any dereliction of duties on the part of the Room Supervisor as observed by the CS/DCS will be recorded by the CS and reported to the Dean, based on which the necessary disciplinary actions can be initiated.
29. Shall not leave the examination premises until he/she personally hands over the answer booklets to the CS/DCS and returns all documents and other stationery materials to the E&A staff at the Examination Office.

30. Shall, on-demand, attend the meeting of Examination Lapses and Malpractice Enquiry Committee meeting, in the event a case of malpractice is found in the respective examination rooms by any of the authorities assisting in conduction of the examination.

4 Chapter

The Examination Process

4.1 Conduct of Theory Examinations

In a year, there shall be:

- Semester End Examination in each of the regular semesters (i.e., odd, and even)
- Summer Semester/Supplementary examination; and
- One Year End Examination for each Annual Scheme Programme and Supplementary examination.

Theory examinations shall be conducted by the CS in coordination with Dean /Faculty Academic Coordinator and E&A Section at the Faculty.

The date wise theory examination timetable with information on the title of the courses, number of candidates, duration of the examination, etc., and answer booklet particulars are provided by Faculty Academic Coordinator and E&A Section at the Faculty.

Based on the information received, the CS must plan for the rooms to conduct the examinations with adequate facilities for the smooth conduct of the examination.

The CS and DCS are fully responsible for the smooth and fair conduct of the examination at the faculty.

The duties and responsibilities of the staff members appointed for examination-related roles have been outlined separately.

4.1.1 Assistance for Differently abled Candidates during the Theory Examination

The assistance of a Scribe (Ref. Sec 6.2.2) shall be allowed in the case of a differently abled candidate with an impairment/disability/ handicap, which prevents him/her from writing in the examination.

The concerned Dean of Faculty need to recommend such cases to the COE for appropriate decision. A section in the Miscellaneous Chapter of this document outlines the complete procedure.

4.2 Conduct of Practical Examinations/Clinical Examinations/Viva-Voce

For conducting the Practical/Clinical/Viva-Voce Examinations, regulations of either the University or of the Statutory bodies shall be complied with. The norms of the regulatory bodies for a Programme, if any, shall supersede the University regulations. The Office of the COE should be notified by the respective Dean of the Faculty about the list of examiners and such norms for conducting Practical/Clinical/Viva-Voce Examinations well in advance of the schedule of the examinations to facilitate adequate time and logistics to organize the examinations in conformity to the stipulated regulations of the regulatory bodies.

Following are the generic guidelines for conducting the Practical examinations:

1. Practical examinations/clinical examinations/viva-voce will be conducted in the laboratories/clinics /departments with the concurrence of the office of the COE.
2. The concerned departments shall be responsible for scheduling and conducting the laboratory/clinical examinations and viva-voce with the approval of the COE. The E&A section assists in planning and provides necessary information and stationery for the smooth conduct of the examinations.
3. No special examination shall be arranged for any candidate except under extenuating circumstances with the prior approval by the VC and the same to be reported in the next BOE meeting.

4.2.1 Standard Procedure for conducting the Practical/Clinical Exams and Viva-Voce

1. Strict discipline shall be maintained in and around the examination room/lab/workshop during the conduct of the examinations.
2. The examination shall commence and close at specified times. Adequate time shall be allotted for both clinical/practical and viva examination for each candidate.
3. All the candidates shall be examined by all the examiners during clinical/practical/viva examinations.
4. The examiners shall maintain strict confidentiality about the performance of the candidates as well as the marks/grade awarded.
5. The examiners are prohibited from discussing the performance of any particular candidate, with other candidates or anyone else in the examination room/lab/workshop or anywhere.
6. The examiners shall maintain professionalism and refrain from making personal or rude comments/using abusive language to the candidate during examinations.
7. While clinical/practical and viva examination is in progress, the examiner(s) shall not leave the examination room/lab/workshop for any unauthorized purpose.
8. No visitors to the examiners shall be allowed inside the examination room/lab/workshop.
9. Except for the examiners, no other persons (faculty members/PG/UG students) shall be present when a candidate is examined during the examination. There can be exceptions following the Regulatory body guidelines (e.g., DCI, PCI, etc.)
10. If the examiner notices any candidate indulging in copying or in possession of answer booklets/sheets other than that of the candidate, any written material on calculator/geometry box/scale/parts of the body, he/she shall immediately take in to his/her

possession the candidate's answer book, question paper, mobile phones or any electronic gadgets and the materials which he/she has used for copying and immediately report the matter to the CS/DCS. The examiners should not allow the candidate to leave the examination room until the CS/DCS comes to the examination room and take charge of the case.

11. Should ensure that there is no communication among candidates in the examination room.
12. The violations of instructions by any candidate shall be brought to the notice of the DCS/CS immediately and a written report is to be made regarding such cases.

4.3 Examination Office

An Examination Office is one or more premises, identified as such, at the Examination Center for the period of the University Examination. All examination related activities of the examination, on the days of the examinations, are conducted from this office. The office should have restricted access. Only the faculty and staff members involved in the examination process are permitted to enter the office. There should be proper signage indicating the 'Examination Office – Restricted Entry' near the entrance. All amenities, such as seating arrangements for CS and team, a computer with network connection, printer, storage space for the documents, and examination related stationery, as necessary shall be provided.

4.3.1 Examination Timing and Bell Schedule

The examinations shall be scheduled as below:

1. Unless otherwise notified, the forenoon session of theory examination shall be between 10:00 AM to 1:00 PM for all on-campus examinations.
2. Unless otherwise notified, the afternoon session of theory examination shall be between 2:00 PM to 5:00 PM for all on-campus examinations.
3. However, for all on-campus examinations the duration of each of the courses shall be as per the Programme Specification/Course Specification. For all on-line examinations, the concerned SOP needs to be followed.
4. The schedules for practical examinations to be conducted in the specified laboratories of the departments shall be notified on the notice boards of the respective departments in advance.

In a theory examination session, there will be five bell alerts. The Examination Bell Schedule and the activities linked with it are shown in Table-5.

Table-5 Examination Bell Schedule

S.No.	Bell	Description
1	1 st Bell	10 minutes before the commencement of the examination <ul style="list-style-type: none"> • Candidates enter the examination room and take their respective seats. • Answer-booklets are distributed.

The CS/DCS shall make necessary arrangements for ringing the bell as per the schedule. The ringing of the bell will be according to the time indicated by the watch/clock in the Examination Office and is treated as authentic.

4.3.2 Mandatory Announcement in the Examination Room:

The following announcement shall be made by the Room Supervisor in the examination room before the commencement of the examination:

- a. "All the students shall check their pockets, in and around their seats, and see that no sheets/chits of paper are found. (In case if they find such material, they shall remove the same and hand it over to the room supervisor.)

- b. The students shall leave their bags, books, notes, mobile phones, and other electronic gadgets outside the examination room before the commencement of the examination.
- c. The students shall note that they are not permitted to use the programmable calculators and other electronic gadgets including mobile phones, tabs, smart watches, ear buds or Bluetooth devices, etc., in the examination room and any violation of the same will be considered as a case of malpractice and leads to necessary disciplinary action”.

4.3.3 Library Support during the Examinations

This is one of the important support systems required for the smooth conduct of the examinations. Library resources such as the Data Handbooks, Code Books, and any such resources required during the examination shall be provided by the library staff to Examination Office against a request by the CS/DCS under acknowledgment, in advance. After the examination, the same is collected back with acknowledgment.

Also, the library staff collects the question papers of the completed examinations regularly from the CS/DCS and updates the Question Paper Bank at the library for students’ reference.

4.4 Vigilance Squads

4.4.1 Purpose

The purpose of the Vigilance Squad is to:

1. Ensure that the examinations are conducted as per norms laid down by the University faculties.
2. Observe whether the Room Supervisors are following the instructions carefully for the conduct of the University examination.
3. Check the students who try to resort to malpractices at the time of examinations and report such cases to the University.

4.4.2 Composition

The Vigilance Squad (VS)/s of not less than three and not more than four members, of whom one shall be a woman faculty member, shall be appointed by the VC for the duration of an Academic Year, to visit the Examination Centers at both the campuses of the University.

There shall be-

1. One VS for the Peenya Campus – for which the squad members are drawn from the faculties at Gnanagangothri Campus.
2. One VS for the Gnanagangothri Campus – for which the squad members are drawn from the Peenya Campus.

The VC shall appoint VS, which may include –

1. One senior faculty member, one woman faculty member and 1 or 2 faculty members drawn from various Faculties of the University.
2. The senior member in the VS shall be nominated as the Chairperson.
3. The Chairperson of VS shall submit the report on surprise visits conducted directly to the Office of the COE. The VS may make suggestions in the matter of proper conduct of examination, if necessary.

4.4.3 Authorities vested in VS

The VS shall be authorized:

1. To visit any Examination Centre without prior intimation and enter the Examination Office to check the records and other material relating to the conduct of the examination.
2. Can enter any examination room to check the candidates' identity card, admission tickets etc. to ascertain the authenticity of the candidate.
3. To detect any malpractices and use of unfair means in the examination, by physical check, if necessary. In the case of female candidates, the physical check shall be made by a woman member of the squad.

The Dean/Associate Dean of the Faculty/Faculty Academic Coordinators, where the examinations are being conducted, shall be responsible for the smooth conduct of the examination. They shall ensure strict vigilance against any malpractices and use of any unfair means by the students and shall be responsible for reporting such cases to the University.

The Dean/Associate Dean of the Faculty/ Faculty Academic Coordinators shall extend all cooperation to the VS during the visits.

4.5 Central Valuation Center(s)

The office of the COE, in consultation with the Dean of the Faculty, will identify and designate a venue at the University/Faculty as the Central Valuation Center (CVC) for the University examinations. Normally, the valuation of the theory answer scripts will be held in the CVC. The Dean nominates person(s) as Custodian(s) for the CVC and Office of the COE approves the same. The entry to the CVC shall be restricted and entry to it will be for the faculty/ staff members, who are involved in the examination related activities.

4.6 Valuation Method

For a fair and transparent valuation of the answer scripts of all theory examinations, the following valuation method shall be followed.

4.6.1 Blind Valuation System (Coding and Decoding)

A suitable system to facilitate anonymous valuation system shall be employed. The identity of the student on all the answer scripts shall be masked and not made known to the valuator, thus leading to unbiased valuation. Towards this:

1. All the answer scripts shall be coded such that the identity of the student is not disclosed to the valuator.
2. The answer scripts shall be decoded after the valuation is completed.

4.6.2 Double or Multiple Valuation

In such Programmes where the weightage for SEE/YEE is more than 70%, double valuation is made mandatory. The average of two valuations shall be taken for the computation of the results. If the difference in the marks allotted between the two valuations is equal to or more than 15% of the maximum marks allotted for that paper, such answer scripts be subjected to third valuation and the average of the higher two marks shall be taken for computation of the results. The deviation valuation shall be carried out by a senior professor of the department nominated by the Controller of Examinations.

4.7 Results Review Boards

Valuation is a very crucial element in the academic processes of the University system. The Dean of the Faculty shall ensure that the valuation process has been fair, transparent, and reliable, including various related actions that are to be taken. An integral part of this process or the activities of the following TWO Review Boards constituted by the University, in each Faculty, to oversee the Examinations Processes for the Programme it offers-

1. Subject Assessment Board (SAB)
2. Programme Assessment Board (PAB)

4.7.1 The Subject Assessment Board (SAB)

The Composition of the SAB, its duties, and responsibilities are as follows:

1. The Subject Assessment Board shall comprise of the following Members:
 - Dean of the Faculty.
 - The HODs of the Faculty.
 - COE
 - The PVC In-charge of the Faculty concerned; and
 - The VC or his/her authorized/nominee representative.
2. The SAB shall meet at the end of every examination (UG and PG) and review the performance of the class in each of the Courses that have been examined.
3. It will also review the attainment of CO of each course.
4. After due deliberations, the SAB may suggest moderation of results, if necessary.
5. Recommend the award of grace marks as per the Grace Marks Policy (Ref.: Section 4.9) of the University/in line with the Guidelines issued by the respective Regulatory Authorities.
6. Based on the assessment of the class/students' performance in a course, provide feedback/suggestions to the course leader/department/Faculty for improvement of the course delivery and class performance.

4.7.2 The Programme Assessment Board (PAB)

The Composition of the PAB, its duties and responsibilities are as follows:

1. The PAB shall be constituted with the following Membership:
 - Dean of the Faculty.
 - The HODs of the Faculty.
 - COE
 - the PVC In-charge of the Faculty concerned; and
 - The VC or his/her authorized/nominee representative.
2. The PAB shall meet at the end of every examination (after the corresponding SAB meeting) and review the performance of all students in a Programme.
3. Recommends the students for the award of a degree or a promotion to a higher class, as applicable.
4. Recommend award of grace marks as per the Grace Marks Policy of the University/in line with the Guidelines issued by the respective Regulatory Authorities.

5. Based on the assessment of the class/students' performance in a Programme, provide feedback/suggestions to the course leader/department/Faculty for improvement of the Programme delivery and students' performance.
6. Recommend the names of the students for the University awards as per the selection procedure.

The Dean of the Faculty and HODs shall incorporate the recommendations of the SAB and PAB appropriately and finalize the results. The same is further presented in the meeting of the Board of Examinations. Thereafter the Office of the COE will announce the results.

The Provisional Degree Certificate shall be issued to the eligible students after the announcement of the results following the due process as follows:

- a. After obtaining the Application by the student in the prescribed format for issue of provisional degree certificate.
- b. After obtaining No Due certificates issued by the respective sections in the prescribed formats.

4.7.3 Documents Presentation to the SAB / PAB:

Following documents shall be presented to the SAB/PAB during the meeting:

1. The Grade Sheets containing all the component marks in a course, the grade, and the statistical analysis of the results for each of the courses shall be prepared in a standard format and presented along with a summary of the results in the SAB meeting.
2. The PAB sheet containing all course data for each of the students in a Programme is prepared in a standard format and presented in the PAB meeting.
3. A detailed Results Analysis Report for each of the Programme is prepared by the Dean/HOD to be presented in the PAB meeting and later sent to the Office of the COE and presented in the meeting of the BOE.
4. The Merit List from the List of Graduating students shall be prepared by the Dean/Associate Dean/Faculty Academic Coordinator/ HODs and presented to PAB for deciding the University awards, as required.

4.8 Results Processing and Publication

The results shall be declared as early as possible within 20 days from the last day of the conduct of examination of the Programme concerned after completing the SAB / PAB at the faculty level.

1. All the examination data shall be processed through the Examination module of the ERP System.

2. The results are published on the ERP System where the students can access the details through their logins.
3. A notification of the announcement of results shall be published on the University website E-notice board.

The results, the result analysis report, the time taken for result declaration from the last day of the examination, number of grievances redressed, and ELMEC data shall be placed for ratification in the subsequent meeting of the BOE.

4.8.1 Rounding-off Policy

The University follows a Rounding-off Policy for the numbers used to represent the marks scored by a student and used in computation of the SGPA and CGPA.

- a. The scores of a component, wherever a status is being determined such as 'Eligible'/'Not eligible' or 'Pass'/'Fail' are decimal numbers; such numbers shall be rounded-up (ceiling) to the next higher integer, before the determination of the status. Normally, it means to say that the CE and SEE/YEE marks and hence the final marks scored in a course, shall be in integers after appropriate rounding-off.
- b. The SGPA and CGPA values are rounded up to TWO decimal places.

4.8.2 Errors in the Results

In case, where it is found that the result of an examination has been affected by errors, the Office of the COE shall verify the error and ascertain the need for rectification of the error. The Vice-Chancellor shall have the power to rectify such a result in such a manner as shall be following the true position and to make such declaration as is necessary -

1. The Vice-Chancellor is empowered to make corrections of obvious errors, after confirming the true position of the marks, with respect to errors in data entry, printing or programming, and problems like totaling or entering marks on the ERP System.
2. The Vice-Chancellor is empowered to make corrections, after confirming the true position of marks in errors due to negligence or oversight of an examiner or any other person connected with valuation, moderation, and result preparation.

In any case, where the result of an examination has been ascertained and published and it is found that such result has been affected by any malpractices, fraud or any other improper conduct whereby an examiner has been benefited and that such examinee has, in the opinion of the Vice-Chancellor, been party or privy to or has connived in such malpractice, engaged in fraudulent or improper conduct, the Vice-Chancellor shall have power at any time, notwithstanding the issue of the certificate

or the award of a prize or scholarship, to amend the result of such examinee and to make such declaration, as the Vice-Chancellor considers necessary on his/her behalf.

Any overriding option exercised by the Vice-Chancellor shall be recorded and must be placed before the subsequent meeting of BOE and Academic Council.

If, because of such verifications, it is found that the result of the examinee needs to be changed at the examination, the Office of the COE shall publish a notification of a supplementary/amended list embodying the results of such verification.

4.9 Grace Marks Policy

The University shall follow a Grace Marks Policy to benefit the students with marginal performance and encourage them to perform better in their studies as well as make a provision for improving student's academic performance.

The grace marks shall be applied through the ERP system to all eligible students, based on the recommendations of the SAB/PAB, by an authorized person and a detailed report shall be generated for records.

4.9.1 The Grace Marks Rules

1. GM-1:

- a. This clause shall be applied to the SEE/YEE component marks of a course or to the total marks scored, as applicable (e.g. a course where the CE and SEE marks are individually/together are considered for a Pass), where the score is not meeting the Pass requirement.
- b. With the award of the permitted grace marks, the SEE component of a failed course of a student should meet the Pass criterion.
- c. A maximum of six (6) marks may be awarded as grace marks to SEE/YEE components of the courses in a semester to a student.
- d. These six (6) marks can be distributed among the failed course(s) such that the failed courses meet the pass criterion on application of the grace marks.

(For example, all 6 marks can be awarded to one (1) course where the scored marks is, say 34 or may be awarded to two (2) courses if the scores are, say 37 each or may be awarded to 6 courses, if the scores are, say 39 each and so on, for a pass marks of 40.)

2. GM-2

- a. This is for the performance improvement of a student in the overall pass grade of the course.

- b. Under this clause, only one (1) mark shall be awarded per passed course when the grace marks awarded will move the grade obtained in the course to the next higher grade.
 - c. Grace marks can be awarded in maximum of two (2) courses in a semester for a student under this Section.
- 3. No grace marks shall be awarded in case of failure in the practical/clinical/viva-voce examination(s).
- 4. The grace marks may be awarded only if the candidate appears in all the papers prescribed for the examination in case of regular candidates or all the failed papers in case of candidates writing supplementary examinations. The absence of a candidate in any paper(s) that he/she has registered for the examination will make him/her ineligible for grace marks.
- 5. In case of professional degree programmes, any award of grace marks shall be in conformity with the rules and guidelines, if any, of professional statutory bodies at the All-India level such as DCI, PCI, Bar Council, etc.

4.10 Grading System

A Grading System on a 10-pointer scale is adopted by the University for all Programmes offered by the University. The details of the Grading Systems followed by each of the Programmes as per the respective Academic Regulations/PS and CS/ guidelines of the Regulatory Bodies are provided in Annexure-07.

4.11 Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA)

The credits of all the credited courses of a Programme in accordance with the Academic Regulation/Programme Specification/Course Specification are considered in computing the SGPA.

4.11.1 The Computation of SGPA and CGPA

- a. The SGPA is the ratio of sum of the product of the number of credits with the grade points scored in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student.

$$SGPA(S_i) = \frac{\sum (C_i \times G_i)}{\sum C_i}$$

Where C_i is the number of credits of the i^{th} course and G_i is the Grade Point scored by the student in the i^{th} course.

- b. The CGPA is calculated considering all the courses undergone by a student over all the semesters of a programme.

$$CGPA = \frac{\sum (C_i \times S_i)}{\sum C_i}$$

Where S_i is the SGPA of the i^{th} semester and C_i is the total number of credits in that semester.

4.11.2 Sample Calculation

Typical SGPA and CGPA calculation (for two semesters) is shown in Table-06.

Table-6 SGPA and CGPA – Sample Calculations

SGPA and CGPA: Sem-1					
Course	Grade	Grade Point (GP)	Credit	GP × Credit	SGPA/CGPA
C1	A	8	4	32	SGPA = 129/18 = 7.166 = 7.17
C2	B+	7	4	28	
C3	C	5	3	15	
C4	B	6	4	24	
C5	O	10	3	30	
Total			18	129	
Cumulative Credits and Grade Point × Credits			18	129	CGPA = 129/18 = 7.17
SGPA and CGPA: Sem-2					
Course	Grade	Grade Point (GP)	Credit	GP × Credit	SGPA/CGPA
C10	O	10	3	30	SGPA = 97/14 = 6.928 = 6.93
C11	A+	9	3	27	
C12	C	5	4	20	
C13	C	5	4	20	
Total			14	97	
Cumulative Credits and Grade Point × Credits			18 + 14 = 32	129 + 97 = 226	CGPA = 226/32 = 7.0625 = 7.06

4.11.3 Conversion of CGPA into the Percentage of marks.

As per the decision of the Academic Council during the meeting held on 20th November 2018, the University has adopted the following conversion formula from CGPA to a percentage of marks as:

$$\text{Percentage of marks} = \text{CGPA} \times 10$$

This conversion method is effective from the 2014 batch onwards.

Note:

The exact conversion from CGPA to the percentage of marks may not be possible, but the same can be used as an indicator of performance for academic purposes.

4.12 Misconduct and Malpractices in Examination by Candidates

In the examination rooms, the candidate shall be under the disciplinary control of the Room Supervisor /CS/DCS, and he/ she shall obey the instructions of Room Supervisor. No candidate shall use unfair means or indulge in disorderly conduct or malpractice during, or in connection with the examination.

When a candidate is found indulging in malpractice in University examinations, the CS shall collect the unfair-means material and the following documents, in the prescribed format, duly filled, immediately:

1. Statement of the candidate who is alleged to have used unfair means at the examination.
2. Report of the CS.

CS shall report the matter to the Office of the COE and handover all the relevant material evidence and documents mentioned above on the same day in a sealed cover.

A candidate shall not be forced to state if the candidate refuses to do so, the fact of his/her having refused to make a statement shall be recorded and signed by the CS and the Room Supervisor concerned, on duty at the time of occurrence or detection of the incident or immediately thereafter. If possible, an eyewitness can be obtained from any other staff available in the examination room.

The CS shall record his/her remarks and sign at the end of the written page of the answer book and confiscate alleged 'unfair- means' material.

The Dean of the Faculty ensures that the results of the students booked under the malpractice are announced only after receiving the ELMEC report.

4.12.1 Malpractices

Indulging in or adoption of any unfair-means during the examinations by any candidate/examiner/faculty/staff will constitute malpractice and the corresponding Maximum Penalty are listed in Annexure-1A and Annexure-1B.

The University reserves its right to declare any other act/misdeed as malpractice by adding the same, from time to time, to the list of malpractice in the examinations.

4.13 Examination Lapses and Malpractice Enquiry Committee (ELMEC)

The Vice-Chancellor shall appoint the members of the **Examination Lapses and Malpractice Enquiry Committee (ELMEC)** to hear and decide the complaints received on any matter arising out of the conduct of examinations.

There shall be two teams of 3 members each from the respective campuses under the common chairperson. The ELMEC constituted shall function for an Academic Year.

The ELMEC shall consist of the structure as shown in Table-7.

Table-7 Examination Lapses and Malpractice Enquiry Committee

S.No.	Member	Designation
1	One senior Professor of the University with administrative experience such as Pro VC/Dean	Chairperson
2	1 Faculty member	Member-Secretary
3	2 Faculty members, one of them is a senior woman Professor from any other Faculty /Department of the University i.e any other faculty to which the member secretary belongs.	Members
The ELMEC Committee is empowered to include any other concerned faculty as an Invited Member		

4.13.1 ELMEC Meeting Procedure (When a student is involved):

The ELMEC shall follow the meeting procedure as below:

1. All decisions taken by the ELMEC shall be by a simple majority. All proceedings of the committee shall be treated as 'Strictly Confidential'.
2. The Office of the COE shall forward the MPC report along with relevant materials furnished by the CS to the ELMEC.
3. The ELMEC shall convene the meeting immediately after the examination and before the results are processed.
4. The Chairperson shall serve Show Cause Notice to the candidate and convene the meeting.
 - a. After serving a show-cause notice, if the implicated candidate fails to appear before the ELMEC on the day, time and place fixed for the meeting, the candidate may be given one more opportunity to appear before the Committee in his/her defense.
 - b. Even after providing two chances, if the candidate concerned fails to appear before the committee, the Committee shall decide in his/her absentia, based on the available evidence/documents which shall be binding on the candidate concerned.
5. The ELMEC, after due perusal of the materials placed before it, and after enquiring the accused candidate in person, shall pass orders regarding the penalty to be imposed or otherwise as per the relevant provisions.
6. The ELMEC will submit the report of the meeting and decisions to the Office of the COE.
7. The Office of the COE will communicate the decision to the respective Dean of the Faculty for further action, if any.
8. The Dean shall communicate the decision to the delinquent candidate with a copy marked to the parent/guardian of the delinquent candidate.

9. Any candidate punished for malpractice/using unfair means in the examination will not be eligible for University awards, scholarships, prizes, medals, etc.

In case of alleged use of unfair-means by female examinee during examinations, all the general guidelines mentioned above shall be followed and the delinquent candidate shall be subjected to disciplinary action. Also, the following protocol shall be strictly adhered to:

1. A senior female faculty should always accompany the candidate during the entire process.
2. Any frisking that needs to be carried out, to rule out or confirm, the presence of copying material on the person of a female candidate should be carried out in total privacy and the presence of senior female faculty, by a senior female employee and in a manner which in no way harms the dignity or sentiment of the examinee.
3. Parents/local guardians of the examinee should be called by the Dean and intimated in person.

4.13.2 ELMEC Meeting Procedure (When a Faculty/Staff member is involved):

The ELMEC shall follow the meeting procedure as below:

1. In case, where the unfair means in examinations by faculty/staff member is reported to the Office of the COE, the ELMEC shall, after perusal of the materials placed before it, issues a show-cause notice to the faculty/staff and convene the ELMEC meeting.
 - a. The implicated faculty/staff shall appear before the ELMEC on the day, time, and place fixed for the meeting.
 - b. If the faculty/staff fails to appear he/she may be given one more opportunity to appear before the Committee in his/her defense.
 - c. Even after providing two chances, if the faculty/staff concerned fails to appear before the committee, the Committee shall decide his/her case in his/ her absentia, based on the available evidence/documents which shall be binding on the faculty/staff concerned.
2. The ELMEC, after due perusal of the materials placed before it, and after enquiring about the accused faculty /staff in person shall pass orders regarding the penalty, be imposed or otherwise as per the relevant provisions.
3. A copy of the order shall be sent to the HR department for suitable entry into the Service Records of the employee.
4. If the faculty/staff is a female employee, the same protocol followed for the female student shall be strictly followed.

4.13.3 Appeal Process

1. If any candidate/examinee/faculty/staff is not satisfied with the order passed by the ELMEC, he/she may file an appeal in writing to the Vice-Chancellor through the HOD and Dean (in case of students)/respective HOD and Dean (in case of faculty/staff) within 7 days from the date of receipt of the order.
2. The Vice-Chancellor will consider the appeal and pass appropriate order thereon including remitting the matter to the ELMEC for re-examination/reconsideration of any issue.
3. Where the appeal is remitted to the ELMEC by the Vice-Chancellor, the committee shall re-examine the connected materials and submit its report to the Vice-Chancellor.
4. The Vice-Chancellor will, after careful consideration of all facts/evidence, pass an order on the merit of the case.
5. The decision of the Vice-Chancellor shall be final and binding to all concerned. The orders of Vice-Chancellor thereon will be communicated to the Office of the COE and the aggrieved appellant candidate/examinee concerned through the Dean.

Electronic devices that are confiscated during the malpractice shall be returned to the students after capturing the relevant information and taking a picture of the material used, as evidence. The Court matters in respect of the unfair means case should be dealt with by the respective competent authority.

5 Chapter

The Post-Examination Process

5.1 Examination Grievances and Redressal

The following grievances/complaints related to the examination may be represented to the Office of the COE with the duly filled form provided as Annexure-2.

The grievances may be related either to Question paper or to conduct of the examination.

The representation received from candidates at the Office of COE shall be forwarded to the corresponding Examination Sub-Committee.

Examination Sub-Committee shall analyze the grievance, and if found genuine, shall prepare a report with the corrective actions taken at the Faculty level, and recommendations, if any, to the Office of the COE which will further be presented for approval of the BOE.

5.1.1 Request for Photocopy of Answer Scripts

Rules to obtain a photocopy of evaluated theory answer script(s)

1. The candidates of all programmes of study, except Ph.D., are eligible to apply for the issue of a photocopy of evaluated theory answer script(s) of the University examinations held during the current session and for which results have been declared and grade card is issued.
2. The student can make a request online with payment of prescribed fee within seven days of the announcement of results/publishing the grade card on the portal.
3. The Controller of Examinations will arrange to provide the photocopy of the evaluated theory answer script(s) to the candidates, within five working days.

5.1.2 Request for Re-totaling/ Re-valuation of Answer Scripts

1. The Re-totaling/Re-valuation shall be carried out only for theory papers and not for practical/clinical/viva-voce examination papers.
2. Only the candidates who have appeared for the recently held examination(s) in undergraduate and postgraduate courses are eligible to apply for Re-totaling/Re-valuation.
3. The application for Re-totaling/Re-valuation should be submitted with payment of prescribed fee within the stipulated period indicated in the circular.
4. The COE shall arrange for Re-totaling/Re-valuation and announce results.
5. The fee once paid for Re-totaling/Re-valuation of theory answer script(s) will not be refunded on any account.
6. In case, an error in the totaling or omissions in the assigning of marks to a question/sub-question, appropriate corrections shall be made, and revised results are announced.

Rules applicable for Re-totaling:

1. The re-totaling shall be carried out by a senior faculty member eligible to be an examiner and who was not involved in the conduct of that examination.

Rules applicable for Re-valuation:

1. The Re-valuation shall be carried out by a senior faculty member eligible to be an examiner and who was not involved in the conduct of that examination.
2. The marks allocated by the examiner during the Re-valuation is deemed to be final.

5.1.3 The process to be followed for Re-totaling:

1. The re-totaling shall be carried out by a senior faculty member eligible to be an examiner and who was not involved in the conduct of that examination.

In case an error in the totaling or omissions in the assigning of marks to a question/sub-question, appropriate corrections shall be incorporated and revised results shall be announced.

5.2 Printing of Certificates and other Academic Documents

The Office of the COE shall prepare, print, and issue certificates to the candidates who have qualified successfully in the University examinations held and for those who have fulfilled the requirements as prescribed in the concerned Academic Regulations.

5.2.1 Printing Stationery

The stationery used for printing Certificates shall be designed with built-in robust security features to avoid any form of malpractice. The stationery shall be prepared by a confidential press with the approval of the Vice-Chancellor.

5.3 Certificates Issued by the Office of the COE

The Certificates/Documents issued by the Office of the COE are shown in Table-13.

Table-8 Certificates/Documents Issued by COE Office

S. No.	Certificate	Issuance of Certificate	Fee
1.	Marks/ Grade Card	After the announcement of Results	Nil
2.	Provisional Degree Certificate (PDC)	After the completion of the Degree	Nil
3.	Transcripts	On request	Applicable Fee
4.	Consolidated Statement of Grades (CGC)	During Convocation	Nil
5.	Degree Certificate (DC)	During Convocation	Nil
6.	Duplicates of any of the above certificates	On request	Applicable Fee

1. All Certificates shall be printed using approved formats. They may be re-designed/modified, if necessary, by the Office of the COE, in consultation with the Vice Chancellor and the Registrar.
2. The Transcripts, Consolidated Statement of Grades and Provisional Degree Certificates shall bear the seal of the Office of the COE and the signature/facsimile of the COE or any other authorized officer of the University.
3. The degree certificates shall be printed in the Office of the COE, checked, and verified by the concerned staff in-charge, signed by the Vice-Chancellor, Registrar, and the COE.
4. In the event of damage or loss of original certificates, the students shall request for the certificates, duplicate certificates shall be issued by the Office of the COE.

5.4 Correction of Certificates

In case a certificate issued by the University needs correction of the printed matter, the student can apply for issue of a corrected certificate. The procedure followed is as below:

1. Clerical and typographical errors which are obvious may be corrected by the University anytime soon after it is brought to its notice.
2. Request for any correction of printing/factual errors (other than a name change) in the certificates issued by the University should be submitted by the candidate within 10 working days from the receipt of the document. After the stipulated period, corrections authenticated of review, shall be made with payment of applicable fees.
3. If the error in a certificate/document issued to a candidate has occurred due to oversight by the office and if it is found out/pointed out subsequently, a fresh certificate/document shall be issued without charging a fee.
4. The defective certificate/document shall be surrendered to the Office of the COE while submitting the request, or as directed by the Office of the COE.
5. Any request for correction of the name shall be made with relevant evidence (e.g. gazette copy mentioning the change). The changes shall be made only in the certificates issued after the date of the gazette. The correction in Name of the candidate shall be endorsed by the Registrar and Vice Chancellor.
6. To obtain any corrected certificate/copy connected with the University examinations, a request shall be made by the student. The student may be asked to produce the original documents for verification at the time of issuance of the changed document.
7. At least seven (7) working days will be required for the office to process the requests.

5.5 Loss of Marks/Grade Card or Degree Certificate and Issuance of a Duplicate Certificate

In case of a marks/grade card or degree certificate is lost or damaged, the students can apply for issue of a duplicate marks/grade card or degree certificate. The procedure followed is as below:

1. The student must request a replacement for the degree certificate.
2. Pay the applicable fee.
3. Submit an affidavit explaining the circumstance in which the loss occurred.
4. Submit the copy of an FIR from the police station concerned and attestation by Notary to establish the claim- evidence of damage/loss.

The Office of the COE shall issue the duplicate certificate marked as 'DUPLICATE'.

5.5.1 Obtaining the Certificates through a Representative

The certificates are normally issued to the student in person. In case the student is not able to collect the certificates in person, he/she should send a representative to collect the documents. The student shall send an authorization letter by e-mail to the Office of the COE as well as send the original with the representative. The representative shall submit the authorization letter along with a copy of his/her ID proof, such as Aadhar Card, etc. On verifying the authenticity of the documents, the certificates may be handed over to the representative.

5.5.2 Obtaining the Certificates through Postal/Courier Services

The students may opt for getting the requested documents sent through Postal or Courier Services. The applicant must provide a complete address and pay the applicable fees and postal/courier charges.

5.6 Convocation

A convocation is an important event at the University. All graduating students at the University, in an Academic Year, will be conferred their degrees during the Convocation. Normally the Convocation is held during the periods of October-November, every year. An eminent personality will be invited as the Chief Guest. The graduating student is administered 'The Oath' and the Degree Certificate, along with the Transcripts are handed over in the Convocation.

Various meritorious awards are presented to the achievers among the graduating students every year.

5.7 National Academic Depository (NAD)

The University is participating in NAD. Periodically, the academic records of graduating students of the various programmes of the University shall be digitized and uploaded into the NAD database or any other platform as per the Government Guidelines.

National Academic Depository (NAD) is an electronic depository of academic awards such as degree certificates, mark-sheets, etc. duly digitized and uploaded by academic institutions, universities, boards, etc. NAD not only ensures easy access to and retrieval of an academic award but also validates and guarantees its authenticity and safe storage. (for more details, the students can visit: www.nad.gov.in)

5.7.1 The Users of NAD Services

1. Students and other academic award holders
2. Academic Institutions/Boards/Eligibility assessment bodies
3. Verifying Entities such as banks, recruiting organizations/companies (national and international), Government agencies, academic institutions/boards, etc.

Miscellaneous

6.1 Guidelines for using a Scribe in Written Examination

The guidelines in this document are in line with the guidelines issued by the Ministry of Social Justice and Empowerment, Government of India, vide their office memorandum F. No. 3402/2015-DD-III dated 29th August 2018.

6.1.1 Physical Disability

Physical Disability is a condition applicable to a candidate appearing for any examination conducted under supervision, due to which the candidate is unable to write on his/her own. The different types of physical disabilities are mentioned in Annexure-3.

6.1.2 Scribe

A scribe is a person who is identified to write the examination on behalf of the candidate appearing for any examination conducted under supervision. The scribe should be a bonafide citizen of India, should have an Aadhar Card or any other proof of identification issued by the Government of India.

6.1.3 Emergency

An unforeseen situation beyond the anticipation and control of the candidate or examination supervisor.

6.1.4 Expenses towards Scribe and /or Transcribe

Any expense towards travel, food, accommodation, compensation, honorarium, medical, and any other incidental expenses incurred for availing the services of a scribe shall be borne by the candidate who is availing the scribe facility.

No monetary compensation or reimbursement to the scribe will be paid by the University.

6.1.5 Guidelines

These guidelines apply to all University examinations.

1. The facility of a scribe will be provided to any person with a physical disability as described in Annexure-2 and has limitations in writing including that of speed. The facility will be provided upon written request to the Dean of the Faculty at least 24 hrs in advance, as per Annexure-3, by the candidate.
2. Disability in writing could be temporary or permanent. However, the situation of disability must have come up after joining the University.

3. The provision of a scribe will be given upon submission of a medical certificate from the Chief Medical Officer, M S Ramaiah Medical College Teaching Hospital or other approved Hospital/Medical Officer. The Medical Certificate format is provided in Annexure-4.
4. The qualification of the scribe should be one step below the qualification of the candidate taking an examination. The scribe can be from any academic discipline. However, the minimum qualification for the scribe should be matriculation. The scribe should not be a friend or a relative of the candidate and should have no physical disability to write.
5. The candidate will have the discretion of opting for his/her scribe or request the Dean of his/her faculty for providing the same. The candidate's scribe should be approved by the Dean of the faculty after the recommendation of the HOD concerned.
6. The Dean may also identify scribe as per the requirements of the examination. In such instances, the candidate will be allowed to meet the scribe two days before examination to verify the suitability of the scribe and give his/her approval. In case of an emergency, the candidate may be allowed to meet the scribe one day before the examination. The approval during emergencies may be at the discretion of the Dean of the faculty.
7. Both, the candidate as well as the scribe, must give an undertaking, in the format given in Annexure-5 with passport size photographs of both and a copy of the Aadhar Card or any other valid proof of identification, confirming that the scribe fulfills all the stipulated eligibility criteria as mentioned in above. Further, in case it later transpires that he/she does not fulfill any of the laid-down eligibility criteria or suppressed material facts, the candidature of the applicant will stand cancelled irrespective of the result of the examination.
8. In case the candidate is unable to sign due to his/her disability, the thumb impression of the candidate may be obtained.
9. In case, the thumb impression also is not available due to injury, then, an impression of other fingers, toes, etc., may be captured.
10. The candidate can opt to use the same scribe or use a different scribe for other courses of the same examination. However, there can be only one scribe per course.
11. The same scribe should not be used by another student with the disability for the same course within the same academic year.
12. The Dean of the faculty should sign Annexure-5 to approve the use of services of the scribe.

13. The Dean should send a written communication to the Chief Superintendent with all the details of the scribe and the attested copy of the declaration along with the candidate's details for making necessary facilitation.
14. In case of unforeseen situations leading to difficulties for the candidate (e.g., the scribe being non-cooperative, scribe falling sick, etc.), the candidate can seek to change the scribe. However, the process of identifying and appointing a new scribe should be done 24 hrs. before the examination date. Any change request received less than 24 hrs. for the examination will not be accepted.
15. The changed scribe should meet all the stipulated requirements, and has to furnish all the required documents and sign a declaration form as in Annexure-5
16. In case the scribe does not report to the examination due to any reason whatsoever, the candidate should use a Dictaphone issued by the Examination section of the faculty. The use of Dictaphone should be approved by the Chief Superintendent.
17. The mode of examination is only through writing. NO OTHER MODE like Braille, Computer-Aided Examination, online examination, etc., will be permitted through the scribe.
18. The compensatory time for the candidates who use scribe will be 20 minutes per hour of examination time. For example, for the 3 hrs. duration examination, the candidate with the scribe facility will be allowed an additional time of one hour. In case, the duration of the examination is less than one hour, then the additional time will be on a pro-rata basis. Additional time should not be less than 5 minutes and should be in multiples of 5.
19. The Scribe is authorized to sign on behalf of the candidate during the examination duration as needed. The signature should be validated by the Room Supervisor against the signature of the Scribe in the Undertaking submitted by the student using the Scribe.
20. The seating arrangement should be made in a separate room preferably on the ground floor. The timing of giving the question paper should be marked accurately on the answer script, and a timely supply of supplementary sheets should be ensured.

6.2 Guidelines for Retention and Disposal of Examination Process Documents and Records

6.2.1 Purpose

These guidelines are intended to ensure that Examination Process Documents and Records including the students' examination scripts and related records are retained for a sufficient period to address any examination related grievances by the students and appropriately dispose of the same after the end of such time.

6.2.2 Scope

These guidelines apply to the Examination & Assessment Sections of all Faculties of the University that conduct the examinations. It is the responsibility of the Dean of the Faculty and the associated Deputy Controller of Examinations to arrange for systematic storage and disposal of the documents and records, as listed in the Table-12, appropriately, at the end of such time as they have served a specifically defined purpose.

Further, for those Faculties of the University wherein the retention requirements are specified by their respective Regulatory Bodies, such Retention Schedules must be followed along with these guidelines as applicable.

From time to time, more documents and record types may be included in the approved list with the due approval of the competent authority of the University.

6.2.3 Policy

Storage of Documents and Records

A place must be identified for the storage of the documents and records with appropriate arrangements for safety and security. The Examination & Assessment Section of the Faculties shall arrange for storage of the documents and records in files/covers/racks or any other appropriate means with proper identification for easy traceability.

Softcopy versions of documents and records must be organized properly in the computer storage. A suitable backup procedure must be followed to prevent loss of data due to unforeseen/technical reasons.

6.2.4 Retention of Documents and Records

The schedule lists out the minimum preservation requirements for Examination Process Documents and Records including the students' answer scripts and related records at the Examination & Assessment Sections of the Faculties.

For the answer scripts and related records, the retention period commences from the date of announcement of the results of that examination. For the rest of the documents and records, the appropriate commencement date may be decided (e.g. end of an academic year).

6.2.5 Exceptions

Where results are disputed or due to other administrative requirements or pending legal action, answer scripts and other related documents shall be retained until the matter is decided or all available appeal avenues are exhausted.

When the matter is decided, the normal requirement of retention of answer scripts and other related documents for a minimum of a further period as per the schedule is applicable.

6.2.6 Disposal of Documents and Records

The disposal process shall be carried out as below:

1. The disposal process shall be initiated periodically by the Controller of Examinations.
2. A committee appointed/approved by the Vice-Chancellor shall be responsible for the carrying out of the disposal process on periodic intervals. The Dean of the Faculty and the associated Deputy Controller of Examinations shall be members of the committee.
3. The Dean of the Faculty and the associated Deputy Controller of Examinations, through the Examination & Assessment Section, arranges for identification of documents and records that are qualifying for disposal and storage in separate room/space.
4. The committee shall inspect the documents and records identified for disposal and recommend/approve for disposal.
5. The documents and records must be destroyed by shredding or any other appropriate manner.
6. The process of destroying must be handled securely and confidentially.
7. The shredded papers shall be sold to an approved paper recycling agency/dealer.
8. On completion of the process, a Destruction Certificate must be signed by the committee members, and the same shall be archived.
9. A notification indicating the list of documents and records that have been destroyed in a process has to be published on the website and notice boards.

Sections A - E

The following sections outline the regulations specific to the Programme offered by the Faculty/Colleges as per their respective regulatory bodies.

Section	Faculty / College	Regulatory Body
A	Faculty of Dental Sciences (FDS)	Dental Council of India
B	Faculty of Pharmacy (FPH)	Pharmacy Council of India
C	Ramaiah Medical College (RMC)	National Medical Commission
D	Ramaiah College of Physiotherapy (RCPT)	--
E	Ramaiah Institute of Nursing and Research (RINER)	Indian Nursing Council

Section - A [FDS]

Faculty: Faculty of Dental Sciences (FDS)

Introduction:

In addition to all the general guidelines outlined in the RUAS Examination Regulations, the specific guidelines listed in this section shall be followed in the Examination Process.

The following guidelines are prepared based on-

1. BDS Course Regulations 2007 – No.DE-22-2007
2. MDS Course Regulations 2017 - No.DE-87-2017

1. Programme: MDS

A.1. Criteria for Nomination of Examiners - MDS

Theory and Practical Examination:

The qualification and experience for appointment of an internal / external examiner shall be as under:

- a. Shall possess MDS degree and experience of a Professor in a post-graduate degree programme;
- OR
- b. Shall possess MDS degree and nine years of teaching experience in a post-graduate degree programme

A.2. Valuers - MDS

a. Part I:

There shall be one internal and one external examiner for three students appointed by the University for evaluating the answer scripts of the same specialty. However, the number of examiner/s may be increased with the corresponding increase in number of students.

b. Part II:

There shall be four examiners in each specialty. Out of them, two shall be external examiners and two shall be internal examiners. Both external examiners shall be from an external university and out of them, one external examiner shall be from a university from another state.

c. Dissertation - MDS

- Every student shall prepare a dissertation under the guidance of his/her supervisor and submit the same six months prior to Part II examination.
- Every student shall submit 4 typewritten copies of the dissertation.
- Each dissertation shall be referred to two external examiners for their review.
- Acceptance of the dissertation by the examiners is a mandatory requirement to permit the student to appear for Part II examination.
- A student whose dissertation is accepted by the examiners, but declared failed in Part II examination is permitted to re-appear for the subsequent Part II examination with the same dissertation.
- If a dissertation is rejected by the examiner/s, the student is required to resubmit his/her dissertation based on examiner comments/suggestions.

A.3. Grading System - MDS

Grading Definition and Grade Points for MDS Programme from Batch 2019 onwards:

Three sets from external examiner, normally from the outside the University /other University who has taught the course.

Eligibility Conditions for Paper Setting:

The University shall appoint the question paper setters for semester end examination from among the panel of examiners approved by the Board of Examiners through the Office of the COE, who fulfil the following conditions of eligibility:

- a. The paper setter shall have put in at least 5 years of teaching as a full-time teacher after M.Pharm course..
- b. The paper setter must have put in at least three years teaching experience after M.Pharm course with Ph.D

B.4. Guidelines for QP Setting:

The Paper Setter shall set the papers only on the texts and courses of study prescribed and ensure that no question on topics not included in the prescribed syllabus is set. The question paper shall be well drafted, grammatically correct, be defect-free and be properly unitized (or modularized) and covering the whole / complete syllabus, prescribed. Bloom's revised taxonomy model need to be reflected in setting questions ensuring different levels of cognitive thinking.

While setting the question papers, please follow the following guidelines strictly:

1. Every faculty appointed as paper setter shall be required to furnish a declaration in the form prescribed by the University, stating, inter alia, that: none of his / her near relatives is appearing in the examination concerned.
2. The question paper setter shall ensure the question paper set carries correct name of the program, course title and code, title, and division of the paper (if present), duration of the examination, and maximum marks.
3. No question or part thereof, should be outside the prescribed syllabus. Repetition of a question in any version of answers must be avoided.
4. The subject-specific symbols, words, phrases, and language must be clear and explicit without any ambiguity. Special care shall be taken in the delineation of mathematical signs of index figures. He/She should workout the numerical problems before including them in the question paper.
5. The question paper should be prepared as per the Course Specifications, covering all aspects of CO and PO with the corresponding Scheme of evaluation in the given prescribed format.
6. The question paper templates are sent to the Examiner through e-mail. This format needs to be used for setting / typing. Question Papers are required to (i) download / take printout (ii) send to COE (hard and soft copy).
7. The question paper setter shall sign at the end of each page with date on the hard copy.
8. The declaration form duly signed along with the remuneration bill shall be sent to the University.

9. Question paper setters are requested not to retain any copy of question paper in any form and are requested to affix full signature on sealed envelopes.

B.5. Scrutiny of Question Papers:

After all the question papers (theory) are received from all internal and external paper setters by the Office of the Controller of Examinations, the question papers will be scrutinized by the expert committee. For the said purpose a SCRUTINY Panel consisting of the following, shall be setup in the University:

Sl. No.	Status in FPH	Status in SCRUTINY Panel
1.	Dean	Chairperson
2.	HOD/Professor / Associate Professor in FPH of respective Department	Member
3.	Concerned Course Leaders	Member

The roles and responsibilities of the moderators are as follows:

1. The moderator will scrutinize the question paper of departmental courses.
2. To ensure the question paper(s) has/have been prepared as per the standard template indicated in RUAS regulations.
3. To check and ensure that the name of the examination, the course title, course code, and batch, are correct.
4. To check the correctness of the questions within the syllabus framework and with allotted duration to the paper.
5. To check and ensure that abbreviations other than usually given in the textbooks are not used & acronyms are expanded. Spelling mistakes, errors in punctuation, and grammar should be corrected.
6. To check whether the question paper contains questions from various Bloom's Taxonomy levels.
7. To ensure that the questions are serially numbered.
8. To check whether the question paper carries the same total marks as declared in the course sheet published by the faculty.
9. To check whether marks allotted are in accordance with the knowledge level expected out of the question.
10. To ensure whether all the COs are indicated in the question paper.
11. To check and ensure whether the scheme of evaluation is as per the standard template with CO, PO, PSO and BL.

Note:

- i. The scrutinizers are solely responsible for the omissions, mistakes, or errors left uncorrected in the question paper.
- ii. Their work is highly confidential and usage of mobile phones/ or other electronic gadgets during scrutiny is not permitted for any reason.

B. Practical Examinations for UG and PG:

1. A team of two examiners, one Internal Examiner (IE), and one External Examiner (EE) shall be appointed for conducting the laboratory examinations in a course as per the recommendations of the Examination Sub-Committee.

2. IE and EE are jointly responsible for setting up the laboratory examination question papers, conducting the laboratory examination, conducting viva-voce, and finalizing the marks as per the course regulations.

Note: Eligibility as External examiner for practical examination is same as theory question paper

C. Project work: For UG and PG

Project work shall be evaluated by internal and external examiners with the same eligibility as theory question paper setting.

B.6. Evaluation Process

Theory Papers

- Double independent valuation (one internal and one external).
- If the deviation is less than 15% of the scored marks, the average of the two shall be awarded.
- If the deviation is more than 15% of the scored marks, the script shall be subjected to a third valuation. The third valuator shall be a Professor/Associate Professor from the faculty. Out of three valuations, the nearest two shall be averaged as the final mark.

Section - C [RMC]

Faculty/College: Ramaiah Medical College (RMC)

Introduction:

In addition to the general guidelines outlined in the RUAS examination regulations, the specific guidelines listed in this section will be followed in all the examinations conducted by the university.

The guidelines outlined in this section are based on-

1. COMPETENCY BASED UNDERGRADUATE CURRICULUM FOR THE INDIAN MEDICAL GRADUATE 2018

Provided further that 50% of the examiners (Internal & External) are from the medical qualification stream.
- d. External examiners shall not be from the same university and preferably be from outside the state.
- e. The internal examiner in a subject shall not accept external examinership for a college from which external examiner is appointed in his subject.
- f. A university having more than one college shall have separate sets of examiners for each college, with internal examiners from the concerned college.
- g. External examiners shall rotate at an interval of 2 years.

- h. There shall be a Chairman of the Board of paper-setters who shall be an internal examiner and shall moderate the questions.
- i. Except Head of the department of subject concerned in a college/institution, all other with the rank of reader or equivalent and above with requisite qualifications and experience shall be appointed internal examiners by rotation in their subjects; provided that where there are no posts of readers, then an Assistant Professor of 4 years standing as Assistant Professor may be considered for appointment as examiner.
- j. The grace marks up to a maximum of five marks may be awarded at the discretion of the University to a student who has failed only in one subject but has passed in all other subjects.

C.2. Programme: MD/MS/DM/Mch:

- a. All the Post Graduate Examiners shall be recognised Post Graduate Teachers holding recognised Post Graduate qualifications in the subject concerned.
- b. No person shall be appointed as an internal examiner in any subject unless he/she has three years' experience as recognized PG teacher in the concerned subject. For external examiners, he/she should have minimum six years of experience as recognized PG teacher in the concerned subject.'
- c. For all Post Graduate Examinations, the minimum number of Examiners shall be four, out of which at least two (50%) shall be External Examiners, who shall be invited from other recognised universities from outside the State.
- d. The maximum number of candidates to be examined in Clinical / practical and Oral on any day shall not exceed eight for M.D./M.S. degree, and three for D.M./M/Ch examinations.

C.3. Setting of Question papers: MBBS/MD/MS/DM/Mch

- a. Internal and external examiners may be invited to set 3 sets each per course based on the blueprint prepared for the programme.
- b. The eligible examiners by rotation may be invited to moderate the question papers.
- c. One set chosen will be administered for the examination.

C.4. Evaluation of answer scripts:

- a. Double valuation of scripts for MBBS. Four valuations for MD/MS/DM/Mch.
- b. Average of evaluations done to be taken as the final score.
- c. If the deviation of scores is more than 15%, then the script is subjected to third evaluation for UG and fifth evaluation for PG.
- d. In such cases, the nearest two scores will be averaged as the final score.

C.5. Evaluation of Practical/Clinical and viva voce examinations:

The examination will be held in the designated practical laboratories or clinical areas.

- a. Four examiners -2 internals and 2 externals will conduct the examinations jointly as per regulations & Scheme for the said programme.

- b. The final marks will be tabulated after summing up the marks awarded by the individual examiners.

C.6. Declaration of Results:

MBBS/MD/MS/DM/Mch:

- a. Candidates will have to secure 50% marks in the theory and practical/clinical & viva voce sections separately to be declared as passed.
- b. Internal assessment marks obtained are to be mentioned in the marks sheet but will not be taken to calculate the percentage scored.
- c. More than or equal to 65%- first class
- d. More than or equal to 75%- Distinction.

Section - D [RCP]

Faculty/College: Ramaiah College of Physiotherapy

Introduction:

In addition to all the general guidelines outlined in the RUAS Examination Regulations, the specific guidelines listed in this section shall be followed in the Examination Process.

A. Programme: Bachelor of Physiotherapy (BPT)

D.1. Panel of Examiners

A list of examiners will be obtained from the various universities and the same would be ratified in the sub-committee meeting and submitted to the joint controller of examination RUAS.

To be eligible as an examiner one must complete 3 years of full-time undergraduate teaching post-MPT/M. Sc.

D.2. Blueprinting

The course-coordinator in conjunction with the subject team will develop a blueprint of every topic in each subject for paper setting. This will be utilized both at formative and summative examination for Physiotherapy under RUAS.

D.3. Question Paper Setting

The examination paper will be set by an external examiner identified from the Panel of Examiners by the BOE. A copy of the Blueprint along with the syllabus and the pattern of Question Paper will be provided to the examiner for paper setting. The examiner will be required to set a total of three question papers with the scheme of marks.

D.4. Moderation/Scrutiny

The question papers received from the external examiner will undergo moderation/scrutiny by an internal reviewer to ensure adherence to blueprint and syllabus.

D.5. Examination Process

The conduct of annual/supplementary examination will be as per the guidelines laid down by the Board of Examinations, Ramaiah University of Applied Sciences.

Theory Examination will be held at a central venue as per the guidelines of examination committee of RUAS.

In case of Practical/Clinical Examination the process will be as follows:

a. Examiners for Practical/Clinical Examination

There will be a total of two examiners evaluating the student. The university will appoint an external examiner from the panel of examiners from outside the university and one internal examiner within the University for the Conduct of Practical/Clinical Examination.

D.6. Post-Examination Process

The evaluation of the theory answer booklets will be done by the internal and external examiners independently. There will be a double evaluation for every script. The external examiner appointed for the practical examination will be required to evaluate the allotted answer booklets of the exam conducted.

D.7. Examination Valuation

a. Procedure for General Valuation:

All answer scripts of undergraduate courses in Physiotherapy shall be subjected to Double Valuation as prescribed by RUAS. The average of the total marks awarded by the two evaluators for the paper, which is rounded off to the nearest value, shall be considered for computation of the results. The marks awarded and the results declared after general valuation shall be the final and under no circumstances further valuation shall be entertained.

b. Procedure for Deviation Valuation:

- i. All the answer scripts where the difference in award of total marks between two evaluators in the general valuation is 15% or more of the maximum marks prescribed for the paper, shall be referred to a 3rd evaluator for evaluation. The 3rd evaluator will be an internal subject expert.
- ii. The average of the best two total marks, awarded by the three evaluators for the paper rounded off to the nearest value, shall be considered for final computation of the results.
- iii. The marks awarded and the results declared after deviation valuation shall be the final and under no circumstances further valuation shall be entertained.

D.8. Award of Class:

The final award for a degree will include a mention of class based on the average of the marks scored by the student at the programme end examination. The basis for awarding classes is shown in the Table below:

Marks Range & Class*		
Sl. No	Range of Marks	Class
1	≥50 % to less than 65 %	Pass Class
2	65 % to less than 75 %	First Class
3	75 % and above	Distinction

- A declaration of class is applicable when the student completes the examination in the minimum duration of the programme. This table is applicable for class at first attempt. After the first attempt, the student shall be awarded a PASS CLASS irrespective of the marks obtained.

Gold Medal Criteria

- Applicable as per RUAS guidelines.

B. Programme: Master of Physiotherapy (MPT)

D.9. Panel of Examiners

A list of examiners will be obtained from the various universities and the same would be ratified in the sub-committee meeting and submitted to the joint controller of examination RUAS.

The teacher should have completed 5 years of undergraduate teaching and should be a recognised PG teacher with a guide letter. The student under the guide should have graduated, for the teacher to be eligible as an examiner.

D.10. Blueprinting

The course-coordinator in conjunction with the subject team will develop a blueprint of every topic in each subject for paper setting. This will be utilized both at formative and summative examination for Physiotherapy under RUAS.

D.11. Question Paper Setting

The examination paper will be set by an external examiner identified from the Panel of Examiners by the BOE. A copy of the Blueprint along with the syllabus and the pattern of Question Paper will be provided to the examiner for paper setting. The examiner will be required to set a total of three question papers with the scheme of marks.

D.12. Moderation/Scrutiny

The question papers received from the external examiner will undergo moderation/scrutiny by an internal reviewer to ensure adherence to blueprint and syllabus.

D.13. Examination Process

The conduct of annual/supplementary examination will be as per the guidelines laid down by the Board of Examinations, Ramaiah University of Applied Sciences.

Theory Examination will be held at a central venue as per the guidelines of examination committee of RUAS.

In case of Practical/Clinical Examination the process will be as follows:

a. Examiners for Practical/Clinical Examination

Clinical and Viva Voce I & II - There will be a total of two examiners evaluating the student.

The university will appoint an external examiner from the panel of examiners from outside the university and one internal examiner within the University for the Conduct of Practical/Clinical Examination.

D.14. Post-Examination Process

The evaluation of the theory answer booklets will be done by the internal and external examiners independently. There will be a double evaluation for every script. The external examiner appointed for the practical examination will be required to evaluate the allotted answer booklets of the exam conducted.

D.15. Examination Valuation**a. Procedure for Deviation Valuation:**

- i. All the answer scripts where the difference in award of total marks between two evaluators in the general valuation is 15% or more of the maximum marks prescribed for the paper, shall be referred to a 3rd evaluator for evaluation. The 3rd evaluator will be an internal subject expert.
- ii. The average of the best two total marks, awarded by the three evaluators for the paper rounded off to the nearest value, shall be considered for final computation of the results.
- iii. The marks awarded and the results declared after deviation valuation shall be the final and under no circumstances further valuation shall be entertained.

D.16. Award of Class:

The final award for a degree will include a mention of class based on the average of the marks scored by the student at the programme end examination. The basis for awarding classes is shown in the Table below:

Marks Range & Class*		
Sl.	Range of Marks	Class
1	≥50 % to less than 65 %	Pass Class
2	65 % to less than 75 %	First Class
3	75 % and above	Distinction

- A declaration of class is applicable when the student completes the examination in the minimum duration of the programme. This table is applicable for class at first attempt. After the first attempt, the student shall be awarded a PASS CLASS irrespective of the marks obtained.

Section - E [RINER]

Faculty/College: Ramaiah Institute of Nursing Education and Research (RINER)

Introduction:

In addition to all the general guidelines outlined in the RUAS Examination Regulations, the specific guidelines listed in this section shall be followed in the Examination Process.

The following guidelines are prepared based on-

1. Indian Nursing Council [Revised Regulations and Curriculum for B.Sc. (Nursing) Program – Corrigendum], Regulations, 2022),
2. Indian Nursing Council (P.B.B.Sc. in Nursing Syllabus and Regulations, 2001) and
3. Indian Nursing Council M.Sc. (Nursing) Program Syllabus & Regulations, 2006.

E.1. Panel of Examiners

a. Undergraduate

- Examiner for Theory and Practical/OSCE Examination:
An examiner should be an Assistant Professor or above in a College of Nursing with a M.Sc. (Nursing) degree in the concerned course (subject) and a minimum of 3 years of teaching experience.
To be an examiner for the Nursing Foundation course, the faculty having M.Sc. (Nursing) degree with any specialty shall be considered.
- Examiner for Competency Assessment (B.Sc. Nursing Programme, VIII Semester):
There must be a total of five examiners, one from each specialty as below:
 - i. Internal Examiners - 3 Nos.
 - ii. External Examiners – 2 Nos.The internal examiners may be from the faculty or the hospital with the required qualification and experience. i.e., M.Sc. (Nursing) degree in respective speciality with a minimum of three years of teaching experience.
External examiners can be appointed from the approved Panel of Examiners by the University.

b. Postgraduate

Theory and Practical Examination:

- An examiner should have M.Sc (N) degree in the concerned specialty with a minimum of 5 (five) years of postgraduate teaching experience.
- For the Dissertation, the Internal Examiner should be the guide and the External Examiner (outside RUAS) should be the Nursing faculty/nursing expert in the same clinical specialty holding Ph.D./M.Phil/M.Sc. Nursing degree with a minimum of 3 years of experience in guiding research projects for Post Graduate students of Nursing.
- The panel shall be revised once in three years.

E.2. The Setting of Question Papers

- One Internal and one External Examiner may prepare two sets of question papers, each per course/subject, with answer keys based on the blueprint prepared for the programme.
- The HOD of the concerned department shall moderate the question papers and recommend two sets to the Office of the COE.
- The COE may select one question paper for the examination.

E.3. Evaluation:

a. Theory Papers

- Double independent valuation (one internal and one external).
- If the deviation is less than 15% of the scored marks, the average of the two shall be awarded.
- If the deviation is more than 15% of the scored marks, the script shall be subjected to a third valuation. The third valuator shall be a Professor/Associate Professor from the faculty. Out of three valuations, the nearest two shall be averaged as the final mark.

- Two examiners shall jointly evaluate the competencies of the students.
- A student needs to secure 50% marks to be declared as pass in the practical examinations.

E.4. Grace marks

a. Programmes: B.Sc. Nursing and PBBSc. Nursing

In theory examination of a particular semester/year, a student failing in one subject and has passed all other subjects, is entitled to Grace Marks of up to 5, provided that with such an addition, the student passes the semester/year end examination.

This clause is only for theory examinations.

b. Programme: M.Sc. Nursing

There is no provision for Grace Marks

E.5. Grading System

a. Undergraduate Programme:

i. B.Sc. Nursing (Semester Scheme)

Letter Grade	Grade Point	Percentage of Marks
O (Outstanding)	10	85% & above
A+ (Excellent)	9	80-84.99%
A (Very Good)	8	75-79.99%
B+ (Good)	7	65-74.99%
B (Above Average)	6	60-64.99%
C (Average)	5	50-59.99%
P (Pass)	-	50% and above
F (Fail)	0	<50%
Ab (Absent)	0	0

ii. Post Basic BSc in Nursing

No Grading System suggested; the following Classes are awarded:

S.No.	%Marks (M)	Class
1	$M \geq 75\%$	Distinction
2	$65\% \geq M < 75\%$	First Class
3	$60\% \geq M < 65\%$	Second Class
4	$50\% \geq M < 60\%$	Pass
5	$M < 50\%$	Fail

b. Postgraduate Programme

No Grading System suggested; the following Classes are awarded:

S.No.	Marks (M)	Class
1	$M \geq 75\%$	Distinction
2	$65\% \geq M < 75\%$	First Class
3	$60\% \geq M < 65\%$	Second Class
4	$50\% \geq M < 60\%$	Pass
5	$M < 50\%$	Fail
